1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

October 9, 2026

To the Audit and Compliance Committee
Henry Ford Health System

Opinion

We have audited the financial statements of the Henry Ford Health System Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE A — DESCRIPTION OF THE PLAN

General

The following brief description of the Henry Ford Health System Retirement Savings Plan (the "Plan") is provided for general informational purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan, established January 1, 1989, is a defined contribution pension plan established for the employees of Henry Ford Health System ("HFHS") and certain affiliates. All employees, other than students and house staff, become eligible to participate in the Plan after 30 days, and after one year of service for the Supplemental RSP Account contribution (which is described below).

The Plan was closed to new participants after December 23, 2017. Subsequent to December 23, 2017, eligible new HFHS employees are enrolled in the Henry Ford Health System Ambassador 403(b) Plan, another defined contribution plan sponsored by HFHS.

Contributions

Under the Plan, members annually contribute two percent of their base pay up to the Social Security wage base and four percent of their base pay above the Social Security wage base. This contribution is matched 125 percent by HFHS.

The Plan also has a second account for eligible participants, which is funded by employer contributions. For Plan years beginning in 2023, the second account (the "Supplemental RSP Account") provides for HFHS to make, at its sole discretion, Supplemental RSP Account contributions to be allocated among active participants as a uniform percentage of their compensation. In order to be eligible for the Supplemental RSP Account contribution, a participant must (1) have earned a year of vesting service in that Plan year and (2) be employed by HFHS on the last day of the Plan year. For the years ended December 31, 2025 and 2024, the Supplemental RSP Account contribution rates were 1.50 percent and 1.75 percent, respectively.

Benefits

Each member's account is credited with the member's contributions, HFHS' matching contributions, and the investment funds' earnings or losses, net of plan expenses. The benefit to which a member is entitled is limited to the benefit that can be provided from the member's account.

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Members are immediately vested in their contributions and the earnings thereon. Vesting in HFHS' employer contributions and earnings thereon is based on years of vesting service, as follows:

Years of Service	Percentage Vested
Less than 2	-0- %
2-3	20
3-4	50
4-5	75
5 or more	100

Upon termination of employment, a member's vested account balance is available to be paid out in a lump sum.

Forfeitures

Forfeitures may be used to reduce future employer contributions. HFHS' employer contributions were reduced by $2,561,779 and $2,668,034 from forfeited nonvested accounts during the years ended December 31, 2025 and 2024, respectively. The balance available as of December 31, 2025 and 2024 was $2,189,999 and $2,587,645, respectively.

Investment Options

Upon enrollment in the Plan, members may direct contributions in any of several investment options in increments of one percent.

Plan Administration

Empower Trust Company, LLC serves as the trustee for the Plan. Empower Retirement serves as the Plan's recordkeeper.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

The Plan's investments are valued as follows:

- Shares of registered investment companies and the underlying investments in self-directed brokerage accounts are valued at quoted market prices, which represent the net asset value of shares held by the Plan as of the end of the year.

- Units of common and collective trust funds are valued at fair value, as determined using the market approach, based on the market prices of the underlying investments, or similar investments where market values are not available.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses on sales of securities are based on average costs. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

The Plan uses fair value measurements in the preparation of its financial statements, which utilize various inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use in pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy based on the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability

- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Payment of Distributions

Plan distributions to participants are recorded when paid.

Administrative Expenses

Reasonable and necessary expenses related to the administration of the Plan are payable out of Plan assets, as determined by HFHS.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, as well as disclosure of contingent assets and liabilities, at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities, including common and collective trusts and registered investment companies. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan's management has evaluated subsequent events through October 9, 2026, the date that the accompanying financial statements were available to be issued.

NOTE C — INVESTMENTS AND FAIR VALUE

The Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2025 and 2024 is summarized as follows:

	Fair Value Measurements			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
2025				
Assets:				
Investments at fair value:				
Common and collective trusts	$ -0-	$ 1,952,518,323	$ -0-	$ 1,952,518,323
Registered investment companies	53,798,826			53,798,826
Self-directed brokerage accounts	18,340,896			18,340,896
	$ 72,139,722	**$ 1,952,518,323**	**$ -0-**	**$ 2,024,658,045**
2024				
Assets:				
Investments at fair value:				
Common and collective trusts	$ -0-	$ 1,752,023,849	$ -0-	$ 1,752,023,849
Registered investment companies	50,854,085			50,854,085
Self-directed brokerage accounts	17,944,635			17,944,635
	$ 68,798,720	**$ 1,752,023,849**	**$ -0-**	**$ 1,820,822,569**

NOTE C — INVESTMENTS AND FAIR VALUE (CONTINUED)

Additional information as of December 31, 2025 and 2024 about the nature and risk of the Plan's investments in Level 2 assets that calculate net asset value per share is as follows:

	Fair Value		Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2025	2024		
Common and collective trusts	$ 1,952,518,323	$ 1,752,023,849	Daily	None

The Plan has ownership in common and collective trusts which invest primarily in publicly-traded debt and equity securities. The fair value of these investments is derived from the value of the instruments held by the trusts, which are, in turn, valued based on observable market prices or valued using methods that rely on observable inputs. All investments in this category are subject to daily redemptions.

NOTE D — PLAN TERMINATION

Although it has expressed no intention to do so, HFHS has the right to terminate the Plan, subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). In the event the Plan is terminated, the net assets available to provide benefits would be distributed to the participants in proportion to their respective account balances after payment of expenses properly charged against the Plan.

NOTE E — INCOME TAX STATUS

The Plan obtained its latest determination letter on March 15, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, qualifies under section 401(a) of the Internal Revenue Code (the "Code") and that the related trust, therefore, is not subject to tax under present income tax laws. The Plan is required to operate in conformity with the Code and ERISA to maintain its qualification. The Plan administrator is not aware of any course of action or series of events that has occurred that might adversely affect the Plan's qualified status. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2025 or 2024. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE F — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of a brokerage account managed by a party related to the Plan's trustee. Therefore, transactions involving these investments qualify as party-in-interest transactions.
