INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Triple-S Vida, Inc. Retirement & Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Triple-S Vida, Inc. Retirement & Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Triple-S Vida, Inc. Retirement & Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by the bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Triple-S Vida, Inc. Retirement & Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Triple-S Vida, Inc. Retirement & Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Triple-S Vida, Inc. Retirement & Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Triple-S Vida, Inc. Retirement & Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Galíndez LLC

Other matters Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Triple-S Vida, Inc. Retirement & Savings Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 1 - Description of the plan

The following description of the Triple-S Vida, Inc. Retirement & Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees with one year of service at Triple-S Vida, Inc., (the Sponsor) a wholly-owned subsidiary of Triple-S Management Corporation. The Sponsor is member of a controlled group of corporations, related entities or affiliated service group under common control (Note 5). Effective March 1, 2014, as a result of the Sponsor acquisition of Atlantic Southern Insurance Company (Atlantic), the Plan was amended to include Atlantic as a participating employer in the Plan. Investments from the Atlantic plan were liquidated and the cash was transferred to the Plan. The Plan is part of the Popular Master Defined Contribution Retirement Plan Master Trust (the Master Trust). It is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Plan is effective for all new employees beginning on or after January 1, 2008.

Plan amendment

Effective April 8, 2020, the Plan Adoption Agreement was amended to include as part of in-service distributions, distributions related to special disasters as permitted by sections 1081.01 (b) (1) (J) of the Puerto Rico Internal Revenue Code of 2011, as amended.

Plan administration

The Plan is administered by the Retirement Committee which is appointed by the board of directors of the Sponsor. The Plan's trustee, BPPR (the Trustee), is responsible for the custody and management of the Plan's assets. BPPR is also responsible for the recordkeeping of the Plan's participant transactions.

Contributions

For each plan year starting January 1, 2013 and up to March 31, 2017, participants' pre-tax contributions may not exceed $15,000. The Sponsor annually contributes 100 cents for each dollar of a participant's first 1% and 0.50 cents for each dollar from 2% up to 3% of each dollar of pre-tax contributions that a participant contributes to the Plan. For each plan year starting April 1, 2017 and thereafter, participants' pre-tax contributions may not exceed $15,000. The Sponsor annually contributes 50% of a participant's pre-tax contributions up to a maximum of 6% of the participant's compensation. Participants who reach age 50 by the close of the Plan year are

Note 1 - Description of the plan – (continued)

Contributions – (continued)

allowed to make a catch-up contribution limited to $1,500 per Plan year. After- tax contributions are allowed but may not exceed 10% of the aggregate compensation paid by the Sponsor during all the years the participant has been a Plan participant and are subject to other limitations.

Participants may also contribute amounts representing distributions from other qualified plans (rollovers), only if the employee has met the participant requirements of the Plan as of the date of the rollover. The Sponsor may deposit profit sharing contributions to the Plan. Profit sharing contributions are discretionary and based on a formula related to profit, compensation and other factors. Matching and discretionary contributions are allocated to participants who completed more than 500 hours of service during the Plan year and were employed by the Sponsor on the last day of the Plan year. The Plan is authorized to transfer the participant's accounts between the Plan and any other qualified plan sponsored by an affiliated company under the controlled group.

Participant accounts

Each participant's account is credited with the participant's contribution, the Sponsor's matching contribution, the Sponsor's discretionary contributions, if any, and the Plan earnings/(losses) based on the participants account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants become vested in the Sponsor's profit-sharing contributions after the third year of continuous service. Participant's vesting in the Sponsor's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, as follows:

Completed Years of Service	Vested Percentage
Less than 1	0%
At least 2	25%
At least 3	50%
At least 4	75%
5 or more	100%

Note 1 - Description of the plan – (continued)

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited accounts

At December 31, 2025 and 2024, forfeited non-vested accounts amounted to $77,931 and $87,868, respectively. Forfeitures under the Plan can be either allocated to participant's accounts during the Plan year, used to reduce the amount the Sponsor must contribute to the Plan or used to reduce related Plan costs and expenses. During the year ended December 31, 2025 forfeitures from non-vested participants accounts amounted to $51,564 and unrealized gains from forfeitures amounted to $2,935. During 2025, a total of $64,435 were used to reduce sponsor contributions.

Investment elections

The participants' contributions and the Sponsor's matching contributions are allocated to the various investment options offered by the Plan as directed by participants.

Note 2 - Summary of accounting policies

Basis of accounting and use of estimates

The accompanying financial statements are prepared on the accrual basis of accounting . The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments consist of its interest in the Master Trust, which is reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 5 for discussion of fair value measurements.

Note 2 - Summary of accounting policies – (continued)

Investment valuation and income recognition – (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess contribution payable

Amounts payable to participants for contributions in excess of amounts allowable by the Puerto Rico Internal Revenue Code of 2011, as amended, are recorded as a liability with a corresponding reduction to contributions.

Benefits payable

The Plan accounts for benefits payable in accordance with guidance provided by the American Institute of Certified Public Accountants (AICPA), *Audit and Accounting Guide, Audits of Employee Benefit Plans.* This guidance requires that benefits payable to persons who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan. Benefits payable as of December 31, 2025 and 2024 amounted to $27,159 and $43,526, respectively.

Payment of benefits

Benefits payments to participants are recorded upon distribution.

Plan expenses

The Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Fees charged by the Trustee for the administration services to the investments in the trust fund, including taxes, brokerage commissions and registration charges, must be paid from the trust fund, and all other administrative expenses may be paid all or in part by the Sponsor or deducted from the trust fund.

Note 2 - Summary of accounting policies – (continued)

Net transfers (to)/from other affiliated plans

Transfers of plan assets that may occur between the Plan and other affiliated company-sponsored qualified plans as a result of changes in employee status are recognized as transfers to or from other affiliated plans in the statement of changes in net assets available for benefits. No transfers to or from other affiliated parties occurred during the fiscal year ended December 31, 2025.

Note 3 - Information certified by the Plan's Trustee (unaudited)

The plan administrator has elected the method of compliance permitted by Section 103(a)(3)(C) of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information in the accompanying financial statements and ERISA required supplemental schedules related to investments held as of December 31, 2025 and 2024, and net appreciation /depreciation in fair value of investments, interest and dividend for the year ended December 31, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by Banco Popular de Puerto Rico (the Trustee), a qualified institution. The trustee/custodian maintains all records, executes investment transactions, and holds all the assets of the Plan.

Note 4 - Interest in the Master Trust

The Plan's investment consists of its interest in the Master Trust, which was established for the investment of the assets of plans sponsored by those single employers or groups of employers under common control that execute the corresponding adoption agreement. The Plan has a divided interest in the Master Trust. The assets of the Master Trust are held by the Trustee.

The value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's specific interest in the Master Trust, plus actual contributions and allocated investment income, less actual distributions and allocated administrative expenses. Total investment income (including net appreciation (depreciation) in the fair value of investments) of the Master Trust is allocated to the Plan based upon the specific investments comprising the Plan's interest in the Master Trust.

Note 4 - Interest in the Master Trust – (continued)

Note 5 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under Financial Accounting Standard Board (FASB) Accounting Standard Codification (ASC) 820, Fair Value Measurement and Disclosures are (1) Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access, (2) Level 2 inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and (3) Level 3 inputs to the valuation methodology are unobservable and significant for the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Note 5 - Fair value measurements – (continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan's interest in the Master Trust that is measured at fair value consists of shares of mutual funds that are valued at the net asset value of the specific shares corresponding to the Plan at year end. Such mutual funds are classified as Level 1.

The following table sets forth by level, within the fair value hierarchy, the Plan's interest in the Master Trust that is measured at fair value as of December 31, 2025 and 2024:

		Assets at Fair Value as of December 31, 2025		
	Fair Value	Level 1	Level 2	Level 3
Interest in the Master Trust -				
Mutual Funds - Equities	$ 42,984,404	$ 42,984,404	$ -	$ -

Interest bearing deposits	1,028,587	1,028,587	-	-
Investments at fair value	$ 37,053,358	$ 37,053,358	$ -	$ -

Note 6 - Related-party and party-in-interest transactions

Certain Plan investments are shares of mutual funds managed by BPPR, the trustee and record keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. BPPR receives an administrative fee from the mutual funds for providing certain administrative or shareholder services to the mutual funds. Plan's Sponsor is a member of a controlled group of corporations, related entities or affiliated service group under common control as follows:

- Triple-S Management Corporation, Holding Company and Plan Sponsor
- Triple-S Vida, Inc., Affiliate
- Triple-S Salud, Inc., Affiliate
- Triple-S Propiedad, Inc., Affiliate and Plan Sponsor
- Triple-S Insurance Agency, Affiliate and Plan Sponsor
- Clínica Las Américas Guaynabo, Inc., Affiliate

For the year ended December 31, 2025 the Sponsor paid $87,864 in administrative expenses of the Plan.

Note 7 - Tax status

The Puerto Rico Department of Treasury (the Treasury Department) has determined and informed the Plan by a letter dated June 30, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code of 2011 (the Code) and the Internal Revenue Circular Letter No. 11-10 of December 16, 2011 (the IRC). Once qualified, the Plan is required to operate in accordance with the Code and IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Management has evaluated the tax positions taken by the Plan and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that will require adjustment to the financial statements.

Note 8 - Plan termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 9 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Subsequent events

The Plan has evaluated all subsequent events through October 9, 2026, which is the date the financial statements were available to be issued. No events have occurred subsequent to the statement of net assets available for benefits date and to the date the financial statements were available to be issued that would require additional adjustments to, or disclosures in the financial statements.
