Independent Auditor's Report

To the Plan Administrator and Management of the U.S. OCCMED Holdings, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of *U.S. OCCMED Holdings, LLC 401(k) Plan*, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the *U.S. OCCMED Holdings, LLC 401(k) Plan* financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in **Note 4** to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of *U.S. OCCMED Holdings, LLC 401(k) Plan* and to meet our other ethical responsibilities, in

accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 9 of the financial statements, the Plan has prohibited transactions. Our opinion as stated in the previous paragraph is not affected by these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the *U.S. OCCMED Holdings, LLC 401(k) Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *U.S. OCCMED Holdings, LLC 401(k) Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *U.S. OCCMED Holdings, LLC 401(k) Plan's* ability to continue as a going concern for a reasonable period.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole are, presented fairly in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementals Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4(a) Schedule of Delinquent Participant Contributions and Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

The following description of the U.S. OCCMED Holdings, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective April 1, 2001, as restated March 1, 2025. The Plan covers all employees who have completed one month of service and that are 21 years of age, excluding those Employees covered by a collective bargaining agreement, non-resident aliens, and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Management is responsible for oversight of the Plan.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants may also designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a safe harbor match of 100% of the first 3% of compensation deferred and 50% of the next 2% of compensation deferred to the participant's 401(k) accounts. Contributions are subject to certain Internal Revenue Service (IRS)Limitations.

Effective March 1, 2025, the Plan was amended to cease employee and employer contributions. Contributions were permitted under the Plan's provisions before that date. Existing participant accounts remain invested, and distributions continue in accordance with the Plan's provisions.

Participants Accounts

Each participant's account is credited with the participant's contributions, matching contributions, as well as an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, rollovers, safe harbor matching contributions, plus actual earnings on contributions. Vesting in the Company's discretionary matching contribution portion of their accounts is based on years of continuous service. The participant is awarded 20% every year after two years of credited service and are fully vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate plus 1% and only changes when the prime rate changes. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum equal to the value of the participant's vested interest in his or her account or rollover to an IRA. If a terminated participant's vested balance is less than or equal to $5,000, the amount may be automatically distributed in the form of lump sum cash payment or transfer to an IRA.

Forfeited accounts

As of December 31, 2025, and 2024, forfeited non-vested accounts totaled $1,108 and $0, respectively. These accounts can be used to reduce future employer contributions or to pay plan administrative expenses. During 2025 and 2024, $6,714 and $8,404 in forfeitures were used to pay employer contributions, respectively.

Note 2 – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from participants and the matching contribution from the employer are recorded in the year in which the related participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

Excess Contributions Payable

Amounts refundable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 excess contributions of $25,100 to the applicable participants in April 2026.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included as administrative expenses in the financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

Subsequent events were evaluated through September 29, 2026, the date the financial statements were available to be issued.

On February 24, 2026, the Company approved termination of the Plan effective January 20, 2026. The Plan had previously been frozen effective March 1, 2025, as described in Note 1. The Plan received a favorable determination letter from the Internal Revenue Service dated June 25, 2026, regarding the Plan's qualified status under Section 401(a) of the Internal Revenue Code upon termination, subject to the conditions stated in the letter.

In connection with the termination, all affected participants became fully vested in their account balances. Plan assets were distributed to participants or rolled over to eligible retirement arrangements in accordance with the Plan's provisions and applicable requirements. Distributions of participant assets were completed on May 21, 2026.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities within active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Money market funds – Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.
- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

Assets at Fair Value as of December 31, 2025	Level 1	Level 2	Level 3	Total
Money market funds	1,225,460	-	-	1,225,460
Mutual funds	26,337,632	-	-	26,337,632
Total assets in the fair value hierarchy	27,563,092	-		27,563,092

Assets at Fair Value as of December 31, 2024	Level 1	Level 2	Level 3	Total
Money market funds	2,486,454	-	-	2,486,454
Mutual funds	34,212,101	-	-	34,212,101
Total assets in the fair value hierarchy	36,698,555	-	-	36,698,555

Note 4 – Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, certain information in the Plan's financial statements and supplemental schedule was agreed to or derived from information certified as complete and accurate by Ascensus Trust Company, the Plan's Trustee and qualified institution. The certified information includes the Plan's investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2025 and 2024.

Note 5 – Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party-in-interest transactions. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions also qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Plan Sponsor, and no officer or employee receives compensation from the Plan.

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in the fair value of the investment, as they are paid through revenue sharing, rather than direct payment. Vanguard receives revenue from investment fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to Vanguard for its administrative services to the Plan. All the above transactions are exempt party-in-interest transactions.

The known parties-in-interest that have provided services to the Plan are as follows:

- The Plan Sponsor provides administrative services and absorbs administrative costs of the Plan.
- Vanguard serves as Custodian of the Plan and Third-Party Administrator.
- Ascensus Trust Company serves as Trustee.
- Calvin Martin & Company, PLLC serves as the Plan auditor.
- The Plan had notes receivable from participants.

Note 6 – Plan Termination

In 2025, the Plan Sponsor was acquired by Concentra Health Care, Inc. During due diligence for the acquisition, it was determined that the Plan Sponsor would continue to maintain, correct, and subsequently terminate the Plan. The Plan was frozen effective 03/01/2025, and no further contributions have been made after that date.

Prior to completing the termination process, the Plan Sponsor performed compliance reviews and corrections of certain errors identified during due diligence (See Note 9). These corrections were addressed in accordance with the applicable provisions of DOL's Voluntary Fiduciary Correction Program ("VFCP") and the IRS's Employee Plans Compliance Resolutions System ("EPCRS") Self Correction Program ("SCP"). Corrective actions were completed in 2025, and regulatory approvals were received from U.S. Department of Labor on February 23, 2026.

Following completion of corrective actions, the Plan signed a termination amendment and applied for a determination for terminating plan (Form 5310) with the Internal Revenue Service on February 24, 2026. The determination was accepted by the IRS on June 25, 2026, with proposed termination date of January 20, 2026.

Note 7 – Tax Status

The Plan adopted a non-standardized pre-approved plan offered by Ascensus, LLC. The pre-approved plan received an IRS Opinion Letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

After December 31, 2025, the Plan received a favorable determination letter from the Internal Revenue Service dated June 25, 2026, regarding the Plan's qualified status under Section 401(a) of the Internal Revenue Code upon termination, subject to the conditions stated in the letter (See Note 2).

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Note 9 – Prohibited Transactions

Qualified Non-Elective Contribution (QNEC)

A controlled group/affiliated service group analysis was performed on the Company and related entities in 2015. At that time, it was determined that all the entities participating in the Plan were in a single controlled group or affiliated service group and that the Plan was a single employer plan. Thereafter, additional employers began participating in the Plan, and the ownership structure of the Company and/or related entities changed from time to time.

After 2015, no controlled group or affiliated service group analysis was performed until the lead-up to the sale of the Company. During due diligence for the sale, an analysis of all years from 2016 through 2024 was performed. The analysis concluded that a single controlled group or affiliated service group did not exist that encompassed all employers participating in the Plan. As a result, the Plan was, in operation, a multiple employer plan from 2016 through the sale of the Company in 2025. Based on identification of related and unrelated employers who adopted the Plan, the Company performed the required testing to ensure compliance in prior years.

During the COVID shutdown, the Plan sponsor amended the Plan to elect out of safe harbor 401(k) status for the 2020 plan year. This required the Plan to be subject to non-discrimination testing regarding 401(k) deferrals and matching contributions as well as to ensure that the Plan satisfied the top-heavy requirements of IRC Section 416. The plan failed ADP and ACP testing in 2020 and 2021 based on the change to be treated as multiple employer plan. The Plan Sponsor is correcting the testing failure through QNEC to participants as part of the 1:1 correction method submission with IRS's EPCRS SCP.

The most recent testing indicated the QNEC to affected participants' accounts in the amount of $110,146 and $286,860 for 2020 and 2021 respectively. The amounts include lost earnings due to participants. As of December 31, 2023, a liability of $397,006 was recorded as a QNEC related to the correction of failed ADP/ACP testing. The Plan sponsor paid the QNEC due to the Plan in the amount of $397,006 on September 26, 2025.

Delinquent Participant Contributions

During the review of compliance testing initiated by the due diligence related to the sale of the Company, it was discovered that two payroll errors in 2022 and 2023 resulted in Plan Sponsor not timely remitting certain participant contributions to the Plan. The delinquent contributions were previously remitted, but lost earnings were not included to be fully corrected. The Plan Sponsor remitted lost earnings to make affected participants whole. The total amount of contributions pending to be corrected is $33,523 as of December 31, 2024; this amount was adjusted to $34,121 upon filing with the DOL in 2025. The related prohibited transaction is reported on Form 5500, Schedule H, line 4a Delinquent participant contributions, in accordance with DOL reporting requirements.

As of December 31, 2025, the Plan Sponsor has remitted $1,381 for the payment of lost earnings related to the untimely remittance of participant contributions on December 5, 2025. The Plan Sponsor submitted the correction to the DOL under the VFCP and received favorable letter from the DOL dated

February 23, 2026, approving the corrective action and Forms 5330 were filed and paid on September 21, 2026.

Note 10 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:
