Independent Auditor's Report

To the Plan Sponsor and Plan Administrator
Town Pump Inc. Employee Benefits Plan
Butte, Montana

Opinion

We have audited the financial statements of Town Pump Inc. Employee Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Town Pump Inc. Employee Benefits Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Town Pump Inc. Employee Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

“Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Town Pump Inc. Employee Benefits Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Town Pump Inc. Employee Benefits Plan's internal control. Accordingly, no such opinion is expressed.

"Wipfli" is the brand name under which Wipfli LLP and Wipfli Advisory LLC and its respective subsidiary entities provide professional services. Wipfli LLP and Wipfli Advisory LLC (and its respective subsidiary entities) practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations, and professional standards. Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Town Pump Inc. Employee Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of Plan

The following description of the Town Pump Inc. Employee Benefits Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a partially self-funded employee health and welfare benefit plan that provides health and other benefits covering substantially all active employees of Town Pump, Inc., et al (the Sponsor or Employer). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits including medical, hospital, maternity, surgical, dental, and other eligible medically related, necessary expense, life insurance and death benefits to eligible employees of the Sponsor, and their beneficiaries and covered dependents as well as to former employees and/or dependents that have elected to continue their coverage under COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) and its amendments.

Benefits are offered to full-time employees who have satisfied the applicable eligibility requirements working an average of thirty hours per week and have met the required waiting period of 30 days of service. Employees must then elect coverage or waive coverage by the completion of an enrollment or waiver form within thirty-one days of their eligibility date.

Benefit claims of active participants and their dependents are provided by the self-funded assets of the Plan. The Plan has retained the services of Coastal Administrative Services, Inc., an independent third-party administrator, to handle and process the benefit claims. The responsibility for the payments to participants and providers is retained by the Plan. For the years ended December 31, 2025, and 2024, aggregate and specific stop-loss insurance for the Plan was underwritten by HCC Life Insurance Company and Tokio Marine HCC, respectively. The stop-loss insurance is triggered when annual benefits paid to an individual participant exceed $500,000. Life insurance benefits and accidental death and dismemberment benefits are covered by a group-term policy with Hartford Life and Accident.

Contributions

The Sponsor, employees that have elected to be covered, and COBRA participants all make contributions to the Plan. These contributions provide the Plan's funding.

Benefit Obligations

Qualified health care costs incurred by participants and their dependents are covered by the Plan. At the end of any Plan year, there may be claims that have been incurred by the participants and their dependents that have not been reported to the Plan. These claims are estimated by comparing reported claims of the current year to reported claims of the prior year to estimate the percentage of claims that will be reported at a later date.

Other Matters

The Plan was established to offer a program of benefits operating as an “Employer Welfare Benefit Plan” under the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments thereto.

Employee contributions to the Plan are made on a pre-tax basis pursuant to Section 125 of the Internal Revenue Code. The Sponsor shares the premium cost with the participants. A contribution rate schedule is determined annually by the Sponsor.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Claims Incurred But Not Reported

Plan obligations as of year-end for claims incurred but not reported are estimated through the use of benefit payment history data. Based on this information, an estimate of claims incurred, but not reported is calculated. There is a reasonable possibility that a significant change in this estimate could occur in the near term.

Town Pump Inc. is obligated to contribute amounts necessary to pay for the benefits of the Plan which may ultimately exceed the estimate.

Cash Equivalents

The assets of the Plan are comprised of cash and money market funds. Participant contributions are remitted after each payroll period into the trust account. Monthly, the Sponsor transfers money to the trust account. Deposits maintained in the trust account are restricted for payment of plan expenses. The trust account is insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. As of December 31, 2025, and 2024, the Plan's deposits in the trust account were $398,888 and $1,992,155, respectively. As of December 31, 2025, and 2024, $6,490,066 and $6,238,129, respectively, were held in money market mutual funds. These funds are not insured by the FDIC.

Pharmacy Rebates

The Plan receives rebates for medical prescriptions from TrueScripts. The pharmacy rebate is paid to the Plan in full and recorded on the statement of changes in net assets available for benefits net of benefits paid for participant claims. As of December 31, 2025, there was no rebate receivable.

Expenses

Expenses are disclosed on the financial statements and paid from the net assets of the Plan. The Employer pays certain other miscellaneous expenses on behalf of the Plan and is not reimbursed for those expenses. Expenses paid by the Employer are not included in these financial statements.

Subsequent Events

Subsequent events were evaluated through October 12, 2026, the date the financial statements were available to be issued.

3. Related-Party and Party In Interest Transactions

Coastal Administrative Services is a Third-Party Administrator, working through the Plan. For the Plan year ended December 31, 2025, Coastal Administrative Services received $264,923 in administrative service fees paid from net assets of the Plan.

6 Degrees Health DX LLC (6 Degrees) is a contract service provider, the plan administrator under the Plan. For the Plan year ended December 31, 2025, 6 Degrees received $318,301 in administrative service fees paid from net assets of the Plan.

Marsh McLennan Agency (MMA) is a contract service provider, the broker under the Plan. For the Plan year ended December 31, 2025, MMA received $163,980 in administrative service fees paid from net assets of the Plan.

Prism Health Strategists LLC (Prism) is a contract service provider, the third party administrator under the Plan. For the Plan year ended December 31, 2025, Prism received $17,052 in administrative service fees paid from net assets of the Plan.

Innovative Care is a contract service provider, the Medical Management under the Plan. For the Plan year ended December 31, 2025, Innovative Care received $45,516 in administrative service fees paid from net assets of the Plan.

TrueScripts is a contract service provider performing claims processing. For the plan year ended December 31, 2025, TrueScripts received $142,309 in administrative service fees paid from net assets of the plan.

Goodbill Inc. is a contract service provider performing claims processing. For the plan year ended December 31, 2025, Goodbill Inc. received $3,100 in administrative service fees paid from net assets of the plan.

Benefitfocus is a COBRA administrator, working through the Plan. For the Plan year ended December 31, 2025, Benefitfocus received $9,788 in administrative service fees paid from net assets of the Plan.

Certain administrative functions of the Plan are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan.

4. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. Tax Status

The trust established under the Plan is an IRC Section 419A trust. Under 419A(g)(1), any tax due on deemed unrelated income as described in 419A(g)(2) would be included as gross income to the employer. No determination letter from the Internal Revenue Service has been requested for the Plan. The Plan's policy is to evaluate the likelihood that the uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence. It is the opinion of the Plan Administrator that the Plan has no uncertain tax position.

6. Medicare Prescription Drug Act

The Medicare Prescription Drug Improvement and Modernization Act of 2003 provides a prescription drug benefit under Medicare Part D as well as federal subsidy to sponsors of retiree health care benefit plans that provide a benefit that is at least actuarially equivalent to Medicare Part D. For single-employer plans, the Medicare subsidy amount is paid to the sponsors and does not flow into the plan. The Plan Administrator has determined that benefits provided by the Plan are not actuarially equivalent to Medicare Part D. Thus, the changes in benefit obligations do not reflect any amount associated with the Medicare subsidiary because the Plan is not directly entitled to the Medicare subsidy.

Independent Auditor's Report

To the Plan Sponsor and Plan Administrator
Town Pump Inc. Employee Benefits Plan
Butte, Montana

Opinion

We have audited the financial statements of Town Pump Inc. Employee Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Town Pump Inc. Employee Benefits Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Town Pump Inc. Employee Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Town Pump Inc. Employee Benefits Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Town Pump Inc. Employee Benefits Plan's internal control. Accordingly, no such opinion is expressed.

Wipfli LLP is a licensed independent CPA firm that provides attest services to its clients, and Wipfli Advisory LLC provides tax and business consulting services to its clients. Wipfli Advisory LLC and its subsidiary entities are not licensed CPA firms.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Town Pump Inc. Employee Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. Tax Status

The trust established under the Plan is an IRC Section 419A trust. Under 419A(g)(1), any tax due on deemed unrelated income as described in 419A(g)(2) would be included as gross income to the employer. No determination letter from the Internal Revenue Service has been requested for the Plan. The Plan's policy is to evaluate the likelihood that the uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence. It is the opinion of the Plan Administrator that the Plan has no uncertain tax position.

6. Medicare Prescription Drug Act

The Medicare Prescription Drug Improvement and Modernization Act of 2003 provides a prescription drug benefit under Medicare Part D as well as federal subsidy to sponsors of retiree health care benefit plans that provide a benefit that is at least actuarially equivalent to Medicare Part D. For single-employer plans, the Medicare subsidy amount is paid to the sponsors and does not flow into the plan. The Plan Administrator has determined that benefits provided by the Plan are not actuarially equivalent to Medicare Part D. Thus, the changes in benefit obligations do not reflect any amount associated with the Medicare subsidiary because the Plan is not directly entitled to the Medicare subsidy.
