WOLF
& COMPANY, P.C.

Independent Auditor's Report

To the Plan Administrator of Kovitz Investment Group Partners, LLC Employees' Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Kovitz Investment Group Partners, LLC Employees' Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

© Wolf & Company, P.C. | Member of Allinial Global, An Association of Legally Independent Firms

- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter — Plan Merger and Liquidation Basis

As further discussed in Note 1 to the financial statements, the Plan Administrator of the Plan approved a plan merger effective December 31, 2025 and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2024 Financial Statements

We performed a compilation engagement with respect to the 2024 financial statements; we did not audit or review those financial statements and, accordingly, express no opinion or other form of assurance on them.

Kovitz Investment Group Partners, LLC Employees' Retirement Plan

Notes to Financial Statements

As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025

1. DESCRIPTION OF PLAN

The following description of the Kovitz Investment Group Partners, LLC Employees' Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Kovitz Investment Group Partners, LLC (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established effective October 1, 2003.

The Plan's trustee is Charles Schwab Trust Bank. The Plan's recordkeeper is Sentinel Benefits Group.

Transfers In

During 2025, the Company in its capacity as the employer and Plan Administrator of the Plan entered into the following plan-to-plan transfer agreements with the following plan sponsors and plans: (i) WM Partners Services, LLC (“WM”), in its capacity as the employer and Plan Administrator of the WM Partners Services 401(k) Plan , (ii) TMD Wealth Management, LLC (“TMD”), in its capacity as the employer and Plan Administrator of the TMD Wealth Management, LLC 401(k) Profit Sharing Plan, (iii) Fort Pitt Capital Group, LLC (“Fort Pitt”), in its capacity as the employer and Plan Administrator of the Fort Pitt Capital Group 401(k) Profit Sharing Plan, (iv) Institutional and Family Asset Management, LLC as a participating employer in the Preferred Employer Plan. Each of the plans noted in (i) - (iv) above are collectively referred to as the Transferor Plans. As a result, certain account balances held by the Transferor Plans were transferred into the Plan.

Plan Merger Out

In November 2025, the Company's chief financial officer adopted a resolution to merge the Plan into the One Focus Retirement Plan effective December 31, 2025. As a result, net assets of $91,261,735 were transferred to the control of the One Focus Retirement Plan. The merger does not impact participant benefits as the benefit provisions were incorporated in the One Focus Retirement Plan.

See independent auditor's report.

During 2025, there were plan to plan transfers with Focus Operating, LLC 401(k) Retirement Plan and Chicago Capital Partners Management, LLC Retirement Plan.

Eligibility

The Plan states that employees of the Company are eligible to participate in the Plan upon attainment of age 21. Union employees, nonresident aliens, leased employees, residents of Puerto Rico, interns, temporary employees, and seasonal employees are excluded from participating in the Plan.

Participants are eligible for the Company nonelective contributions upon attainment of age 21 and completing one year of service as defined in the Plan agreement.

Contributions

Participants may defer pre-tax and post-tax (ROTH) contributions to be made to the Plan through reduction of their compensation as defined in the Plan in amounts up to 100% of their eligible compensation, subject to certain limits under the Internal Revenue Code (the Code). Participants who are projected to be age 50 or older by the end of the calendar year may also make additional "catch-up" contributions subject to limits under the Code. Rollovers from qualified plans are permitted. Effective January 1, 2025, the Plan includes an auto-enrollment provision whereby all new hires are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation with annual 1% increases up to 10%.

The Company contributes a matching contribution in an amount equal to 50% of each participant's deferral up to 6% of compensation. The Company may also make a discretionary nonelective contribution to participants employed on the last day of the Plan year who completed 1,000 hours of service during the Plan year. A participant is eligible for the Company discretionary nonelective contribution regardless of the amount of service completed during the Plan year in the year of death, disability or termination of employment after Normal Retirement age.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

A separate account is established for each participant at the time of enrollment in the Plan. Each participant's account is credited with the participant's contributions and the Company's discretionary matching and nonelective contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses and Plan losses.

See independent auditor's report.

Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in accounts attributable to all participant and Company contributions. Therefore, there are no balances subject to forfeiture.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through monthly payroll deductions. A participant may have one loan outstanding at any time.

Payments of Benefits

Participants (or their beneficiaries) shall become eligible to receive their vested account balances upon retirement (normal retirement age is 62), death, disability or termination. Participants or their beneficiary may elect to receive their benefit payments as a lump-sum payment. Distributions can also be made as in-service withdrawals upon attaining age fifty-nine and a half.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

Due to the decision to merge the Plan into the One Focus Retirement Plan effective December 31, 2025 (see Note 1), management determined that liquidation of the Plan is imminent and the financial statements for 2025 have been prepared using the liquidation basis of accounting. The 2024 financial statements were prepared as a going concern on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make assumptions and estimates that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan payments and the Plan Administrator deems the participant loan to be in default based upon the terms of the Plan document, the participant loan balance is reduced and a benefit payment is recorded.

Contributions

Contributions from Plan participants, along with the Company's matching and nonelective contributions, are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

3. CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from

See independent auditor's report.

information certified as complete and accurate by Charles Schwab Trust Bank (the "Trustee"), a qualified institution.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2**:** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3**:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange

Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: The self-directed brokerage option allows participants to self-direct investments in a wider variety of corporate bonds, mutual funds and equity securities. Within self-directed brokerage accounts, the fair value of mutual funds and equity securities is based on quoted market prices.

Common Collective Trust Fund: The investment in the common collective trust funds can be redeemed immediately at the current NAV. The NAV as reported by the Trustee is used as a practical expedient to estimate fair value, which is based on the fair value of the underlying assets in the trust, less its liabilities. The investments are direct filing entities. The underlying assets of the common collective trust funds include conventional investment contracts, synthetic investment contracts, wrap contracts and other investments. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2025 and 2024.

There were no investments held by the Plan as of December 31, 2025. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024.

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 38,905,306	$ -	$ -	$ 38,905,306
Collective investment trust fund (a)	-	-	-	114,361
Self-directed brokerage accounts	28,931,419	-	-	28,931,419
Investments, at fair value	$ 67,836,725	$ -	$ -	$ 67,951,086

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits and notes to the financial statements.

5. INCOME TAX STATUS

The Plan adopted the Sentinel Benefits Group Inc. (Sentinel) volume submitter profit sharing plan with CODA. The IRS has determined and informed Sentinel by letter dated November 30, 2020 that the Plan is designed in accordance with the applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax

counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor ("DOL"). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2022.

6. RELATED-PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee and Sentinel is the Plan's recordkeeper; therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 8, 2026, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.

See independent auditor's report.
