INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
St. John Knits International, Incorporated 401(k) Plan
Anaheim, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of St. John Knits International, Incorporated 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report—

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the 2025 financial statements referred to above, related to assets which provide benefits under the Plan and held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 financial statements.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets which provide benefits under the Plan and held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by qualified institutions. Their report dated April 17, 2026 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2024 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of the Plan

The following description of the St. John Knits International, Incorporated 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of Plan provisions.

General
The Plan is a defined contribution plan covering substantially all employees of St. John Knits International, Incorporated (the Company) who have reached age 18 and completed 1 month of service. The Plan excludes residents of Puerto Rico, and part-time, seasonal, or temporary employees whose regularly scheduled service is less than 1,000 hours. Employees can enter the Plan immediately upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan engages Empower Trust Company and Empower Annuity Insurance Company of America (collectively the custodian of the Plan) to hold and invest Plan assets and execute Plan transactions.

Contributions
Each year, participants may contribute up to 100% of their annual compensation, as defined in the Plan, into a pre-tax deferral account and/or an after-tax Roth account subject to the limits set by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions (rollovers) from other qualified plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Under the Plan's Automatic Contribution Arrangement (ACA), newly hired eligible employees are automatically enrolled in the Plan at a 3% deferral rate unless they affirmatively elect not to participate in the Plan.

The Plan also allows the Company to make discretionary matching and nonelective contributions. To be eligible for the discretionary nonelective contribution, a participant must be employed at year end and have completed at least 1,000 hours of service during the Plan year. There are no additional requirements to receive a discretionary matching contribution. No discretionary nonelective or matching contributions were made during the periods presented.

Contributions are subject to certain limitations.

Investment Elections
Participants direct the investment of their and the Company's contributions into various investment options offered by the Plan that are designated by the Plan's Administrative Committee. Participants that do not make an election will be enrolled in the Plan's qualified default investment alternative. Participants can change their investment elections daily.

Participant Accounts
Each participant's account is credited with the participant's contribution, allocations of the Company's contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses and any related transaction fees for loans and distributions that are paid by the Plan. Allocations are made based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their deferrals, plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contributions plus actual earnings thereon is based on years of service and occurs gradually. A participant is 20% vested after 1 year of credited service and is 100% vested after 5 years of credited service. A participant becomes fully vested in the entire balance of their account upon attainment of normal retirement age, permanent disability, death or termination of the Plan. Any amount not vested upon a participant's separation from service is forfeited and may be used in any way allowed by the Plan document.

Note 1 – Description of the Plan, continued

Payment of Benefits
On termination of service due to any reason, participants with vested account balances of $1,000 or less receive an automatic lump-sum distribution, unless the participant requests that it be rolled over to an Individual Retirement Account (IRA) provider or another qualified retirement plan. Participants with vested account balances of $7,000 or less and more than $1,000 receive a lump sum distribution or an automatic distribution to an IRA. Participants with vested account balances of more than $7,000 may leave their balance in the Plan, elect to receive their benefits in any way permitted by the Plan, or choose to roll over their balance into another qualified retirement plan or IRA. Participants may also take in-service or hardship distributions subject to the terms of the Plan and IRS regulations.

Notes Receivable from Participants
The Plan allows participants to borrow against their vested account balances. Loans may not be made for less than $1,000 and may not exceed the lesser of $50,000 or 50% of a participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at the Wall Street Journal prime rate plus 1%. Participants may have one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions not to exceed 5 years unless the proceeds were used for the purchase of a principal residence.

Forfeited Accounts
Generally, a participant's unvested portion of the Company's discretionary nonelective and matching contributions is forfeited upon termination of employment. Forfeitures are maintained in a separate account and can be used to pay Plan expenses, allocated as additional nonelective contributions, or reduce Company contributions.

At December 31, 2025 and 2024, the forfeiture and suspense accounts totaled $39,980 and $34,012, respectively. Of these amounts, $31,112 and $30,186, respectively, represent unclaimed benefits arising from distribution checks issued to participants or beneficiaries that were not cashed and are held in a separate unclaimed benefits account pending a claim. These amounts will be paid to the participant or beneficiary upon a valid claim.

During the year ended December 31, 2025, no forfeitures were used.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income (if applicable) is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits
Benefits are recorded when paid.

Note 2 – Summary of Significant Accounting Policies, continued

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed as they are incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Administrative Expenses
Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Plan permits the payment of Plan expenses to be made from the Plan's assets. Fees are charged to participants on a pro rata basis, equally to participant accounts, or to a participant's account for transactions specifically related to that participant.

Certain investment management fees and other charges paid to the custodian are offset against fund performance in the net appreciation in fair value of investments on the statement of changes in net assets available for benefits and are not, therefore, separately reflected as administrative expenses. Certain Plan expenses are paid directly by the Company and therefore are excluded from these financial statements.

Risks, Uncertainties, and Concentrations
The Plan holds various investments. Investments are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2025, approximately 15% of the Plan's investments were invested in the Fidelity 500 Index Fund.

Contributions
Contributions from Plan participants and the Company, when applicable, are recorded in the year in which the employee contributions are withheld from compensation.

Reclassifications
Certain reclassifications have been made to the prior year's amounts to conform to the current year presentation. Such reclassifications had no effect on the previously reported net assets available for benefits or changes in net assets available for benefits.

Subsequent Events
The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

Note 3 – Certified Information

Certain information in the accompanying financial statements and ERISA-required supplemental schedules, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest income on notes receivable from participants, and interest and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company and Empower Annuity Insurance Company of America (collectively the custodian of the Plan), qualified institutions.

Note 4 – Tax Status

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS dated November 14, 2022, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

> Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> Level 2 - Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
>
> Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts (CCT): Valued at the net asset value (NAV) of units of a collective trust. The net asset value, as provided by the fund manager, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities.

Note 5 – Fair Value Measurements, continued

Pooled Separate Account (PSA): The Putnam Stable Value Separate Account invests wholly in the Putnam Stable Value Fund, which seeks the preservation of principal and the delivery of book value liquidity for all participant-directed, plan-permitted withdrawals. The fair value of accumulation units held in the PSA offered under a guaranteed annuity contract that the Plan participates in is based on the NAV reported by the fund managers as of the financial statement dates. The NAV is used as the practical expedient to estimate fair value. The separate account provides for daily redemptions by the Plan with no advance notice requirement for participant initiated transactions, except that participants may not transfer assets from the PSA to a competing fund until 90 days have elapsed since such amounts were transferred out of the Separate Account. Fund initiated transactions may be subject to a 12 month deferred payout period. The PSA has a redemption price determined by the fund's accumulation unit value.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 14,540,642	$ -	$ -	$ 14,540,642
Total investments in the fair value hierarchy	$ 14,540,642	$ -	$ -	14,540,642
Investments measured at NAV				14,920,246
Total investments at fair value				$ 29,460,888

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 13,731,961	$ -	$ -	$ 13,731,961
Total investments in the fair value hierarchy	$ 13,731,961	$ -	$ -	13,731,961
Investments measured at NAV				14,575,696
Total investments at fair value				$ 28,307,657

In accordance with Subtopic 820-10, certain investments listed above that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. The redemption notice period below only applies to Plan initiated redemptions.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Account	$1,690,535	N/A	Daily	12 months
Common Collective Trusts	$13,229,711	N/A	Daily	N/A

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Account	$29,310	N/A	Daily	12 months
Common Collective Trusts	$14,546,386	N/A	Daily	N/A

Note 6 – Related-Party and Party-in-Interest Transactions

Empower Trust Company and Empower Annuity Insurance Company of America are collectively the custodian of the Plan, and their affiliates are the recordkeeper of the Plan. Additionally, certain Plan investments are shares of a pooled separate account issued by Empower Annuity Insurance Company of America. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers. Transactions with these entities qualify as exempt party-in-interest transactions. Loans to participants also qualify as party-in-interest transactions.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

Note 8 – Delinquent Participant Contributions

During the year ended December 31, 2025, the Company erroneously failed to remit certain employee deferrals totaling $480 to the Plan in the time period described in 29 CFR 2510.3-102. The Company remitted the contributions to the Plan during 2025. Additionally, $296 of the contributions were fully corrected including the calculation and deposit of lost earnings. Management will make a corrective contribution for lost earnings and complete all other corrections needed for the remaining $184.
