INDEPENDENT AUDITOR'S REPORT

To the Plan Committee
Tahoe Truckee Disposal Company, Inc. 401(k) Profit Sharing Plan
Tahoe City, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Tahoe Truckee Disposal Company, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year, as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF PLAN

The following description of the Tahoe Truckee Disposal Company, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only summarized general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan, adopted January 1, 1975, is a defined contribution plan established for the benefit of eligible employees of Tahoe Truckee Disposal Company, Inc. (the "Plan Sponsor"). Employees of the Plan Sponsor are eligible to enter the Plan once they have completed one year and 1,000 hours of service. Capital Bank and Trust is the trustee and custodian of the Plan assets.

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (the "Code") and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Year

The Plan year begins January 1st and ends December 31st.

Contributions

The Plan allows for the following types of contributions:

Employee Elective Salary Deferrals

The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Code. Employees may voluntarily contribute a percentage of their regular wages subject to various nondiscrimination tests and limitations prescribed by the Code. Participants may also elect to make Roth after-tax contributions.

Employer Safe Harbor Non-Elective Matching Contributions

The Plan Sponsor makes a safe harbor matching contribution equal to 100% of the first 3% of a participant's compensation and 50% up to the next 2% of the participant's compensation contributed to the Plan. The applicable period for safe harbor matching contributions is each payroll period. The Plan Sponsor made safe harbor matching contributions of $325,818 and $305,578, for the years ended December 31, 2025 and 2024, respectively.

Employer Non-Elective Profit Sharing Contributions

Each plan year, the Plan Sponsor may contribute to the Plan an amount determined by the Plan Sponsor at its discretion. Employer profit sharing contributions are only allocated to accounts of participants that are employed as of the last day of the Plan year with 1,000 hours of service. Participants who are not employed as of the last day of the Plan year due to one of the following reasons will still be eligible to receive an allocation: 1) death, 2) total or permanent disability, or 3) normal retirement. The Plan Sponsor made profit sharing contributions of $697,002 and $613,281 for the years ended December 31, 2025 and 2024, respectively.

Employee Rollover Contributions

Participants may make rollover contributions from another qualified plan.

NOTE 1: **DESCRIPTION OF PLAN (Continued)**

Vesting

Participants are immediately fully vested in their salary deferral and employer safe harbor matching contributions and investment gains and losses credited thereon. Participants vest in employer profit sharing contributions, including investment gains and losses, at the rate of 20% after two years of service and 20% per year of service thereafter, and are fully vested after six years.

Participant Accounts and Allocations

The Plan provides various investment fund options and allows participants to self-direct their investments. Investment earnings and losses are allocated based on the actual earnings and losses in participants' self-directed accounts. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Employer profit sharing contributions are allocated to each participant's account based on an integrated formula. Contributions are first allocated to participant accounts based upon a discretionary percentage elected by the Plan Sponsor. Additional contributions of 5.7% were made to employees earning in excess of the Social Security Wage Base for December 31, 2025 and 2024.

Retirement

Normal retirement under the Plan is the later of a participant's 60th birthday or the 5th anniversary of the first day of the Plan year in which participation in the Plan commenced. Early retirement is permitted after a participant has attained age 55 and has completed five years of service.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement, 2) termination of employment of the participant, 3) termination of the Plan , 4) death of the participant, or 5) attaining the age of 59 ½. Participants' vested accounts that do not exceed $7,000 may be distributed upon severance from employment.

Benefit payments are made in a single lump sum. Partial withdrawals are only permitted for in-service distributions and for required minimum distributions under Code Section 401(a)(9).

Forfeitures

Forfeitures may be used to increase employer discretionary contributions, increase employer matching contributions, reduce employer contributions, or may be allocated to participants. At December 31, 2025 and 2024, the forfeiture balance available for use was $27,234 and $15,478, respectively. Forfeitures of $27,234 and $16,615 were used to reduce profit sharing contributions for the years ended December 31, 2025 and 2024, respectively.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

Participant Loans

Participant loans are not permitted.

NOTE 2: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition
Investments are stated at fair market value using quoted market prices when available. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Increases and decreases in the share values of investments are reflected in each participant's self-directed account. Investments are valued daily.

Payment of Benefits
Benefits are recorded when paid.

Income Taxes
The Plan has adopted a prototype plan which has obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations for any tax periods in progress.

Estimates and Assumptions
The preparation of these financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: **INFORMATION CERTIFIED BY THE TRUSTEE**

The following amounts included in the financial statements and supplemental schedule were taken directly from statements provided and certified as complete and accurate by Capital Bank and Trust Company, the trustee, as of and for the years ended December 31, 2025 and 2024:

	2025	2024
Mutual funds	$ 18,107,895	$ 14,952,544
Money market fund	$ 4,426,589	$ 4,009,484
Common collective trust	$ 1,029,057	$ 954,521
Net appreciation in fair value of investments	$ 1,532,470	$ 1,053,885
Interest, dividend and other income	$ 1,380,920	$ 870,585

NOTE 4: **FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund: Underlying short term investments with quoted prices in active markets to preserve the value of the investment at $1.00 per share.

Common Collective Trust: A stable value fund that includes fully benefit-responsive investment contracts. Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4: **FAIR VALUE MEASUREMENTS (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$18,107,895	$ -	$ -	$18,107,895
Money Market Fund	4,426,589	-	-	4,426,589
Investments measured at net asset value:				
Common Collective Trust	-	-	-	1,029,057
	$ 22,534,484	$ -	$ -	$ 23,563,541

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024.

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$14,952,544	$ -	$ -	$14,952,544
Money Market Fund	4,009,484	-	-	4,009,484
Investments measured at net asset value:				
Common Collective Trust	-	-	-	954,521
	$ 18,962,028	$ -	$ -	$ 19,916,549

The following table summarizes investments for which fair value is measured using the net asset value per unit practical expedient as of December 31, 2025 and 2024:

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value fund	$ 1,029,057	n/a	Daily	12 Months

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value fund	$ 954,521	n/a	Daily	12 Months

NOTE 5: **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 6 : **RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7: **RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds and a money market fund managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan. Fees for the investment management services were paid by the Plan. Fees for certain administrative expenses are paid by the Plan, to third-party service providers of the Plan. Investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8: **SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 12, 2026, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed.
