Independent Auditor's Report

To the Plan Administrator of
Brevard Achievement Center Health and Welfare Plan
Rockledge, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed an audit of the accompanying financial statements of Brevard Achievement Center Health and Welfare Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter - Restatement of Previously Issued Benefit Obligations Disclosures
As discussed in Note 11 to the financial statements, the accompanying 2024 benefit obligations disclosures have been restated to correct an error related to the Plan's benefit obligation information. Our opinion is not modified with respect to this matter.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements. Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plans ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4(j) - Schedule of Reportable Transactions as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- The information in the supplemental schedules that is related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF PLAN

The following description of Brevard Achievement Center Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the associated plan documents for a complete description of the Plan's provisions.

General: The Plan was established on May 1, 1992 to provide health and other benefits to eligible participants. Substantially all employees of Brevard Achievement Center, Inc. (the Plan Sponsor) employed under a federal service contract are eligible to participate in the Plan. Certain commercial employees are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits: The Plan provides medical, hospital, life, dental, vision, death, short-term disability, and prescription drug benefits for eligible participants and their dependents. The third-party administrator pays insurance premiums to various insurance companies for benefits for eligible participants and their dependents. Insurance companies are responsible for paying benefits under these agreements.

The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

The Sponsor has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition (continued): The Plan invests in an investment security. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of benefit obligations and net assets available for benefits.

Initial Funding (Deposits): In 2014, $23,774 was contributed to the Benny Central account administrator for participant benefits and is reflected as deposits at December 31, 2025 and 2024. This account is replenished weekly through transfers from the trust account.

Reserves and Benefit Obligations: Benefit obligations include those claims for payment for which services have been performed but which have not been paid as of December 31, 2025 and 2024. Based on the inherent uncertainties involved, it is reasonably possible that the estimate will change in the near term. See discussion of the reserves and benefit obligations in Note 4.

Administrative Expenses: The Plan's administrative fees are paid by the Plan.

Trust Fees: The Plan's trust fees, for processing and payment of insurance premiums and other administrative services, are paid by the Plan.

Accounts Payable: This amount represents certain fees pertaining to the current year, but not yet paid at year end.

Subsequent Events: Plan management has evaluated subsequent events through October 9, 2026, which is the date the financial statements were available to be issued, and determined that there were no subsequent events requiring disclosure.

NOTE 3: CONTRIBUTIONS

The Plan is funded by contributions from the Plan Sponsor and participants. Benefit or insurance premium payments are made from these contributions. Contributions are allocated to Plan benefits and expenses in accordance with an administrative services agreement between the Plan Sponsor and the third-party administrator. The Plan Sponsor is ultimately responsible for the allocation and administration of funds. However, the third-party administrator pays insurance premiums to various insurance companies.

NOTE 4: RESERVES AND BENEFIT OBLIGATIONS (AS RESTATED)

Health Reimbursement Arrangement Reserve (HRA): The HRA component of the plan will reimburse covered persons for qualified health expenses incurred after the effective date of this HRA component, provided the covered employee was enrolled at the time the expense was incurred. Qualified health expenses are amounts paid for the diagnosis, cure, mitigation, treatment or prevention of disease, or for the purpose of affecting any structure or function of the body. Benefits are provided for those employees and their covered dependents who have a remaining HRA balance.

Individual Premium Reserve ("Hour Bank Reserve" – Accumulated Eligibility Credits): The Plan Sponsor contributes a required amount for employees based on a predetermined hourly fringe rate. Amounts contributed in excess of the required premiums, less expenses, are retained in the Plan for the benefit of these participants. This excess is known as the "hour bank reserve." The hour bank reserve balances are used to fund employee premium shortfalls during months when the employee does not work sufficient hours to maintain full-time coverage. These funds may also be used after employee termination to fund continuation of coverage until exhausted.

Claims Funding Reserve: The Plan Sponsor contributes a required amount for employees based on a predetermined hourly fringe rate. Amounts contributed in excess of the required premiums, less expenses, are retained in the Plan for the benefit of these participants. This excess is known as the "claims funding reserve." The claims funding reserve balances are used to pay employee preventive care claims. After termination, participants have 180 days to file claims for payment.

Asset Balance Reserve: The Plan Sponsor contributes a required amount for employees of Puerto Rico based on a predetermined hourly fringe rate. Amounts contributed in excess of the required premiums, less expenses, are retained in the Plan for the benefit of these participants. This excess is known as the "asset balance reserve."

Other Benefit Reserve: The Plan Sponsor contributes a required amount for employees based on a predetermined hourly fringe rate for certain benefits for employees of Puerto Rico and vision benefits. Amounts contributed in excess of the required premiums, less expenses, are retained in the Plan for the benefit of these participants. This excess is known as the "other benefit reserve."

Insurance Premium Payable: The insurance premium payable includes those claims for payments related to insurance premiums for which premiums are due but which have not been paid as of December 31, 2025 and 2024.

NOTE 4: RESERVES AND BENEFIT OBLIGATIONS (AS RESTATED) *(continued)*

The Plan's benefit obligations and related changes in benefit obligations are as follows at December 31:

Reserves and Benefit Obligations:

	2025	(As Restated) 2024
Individual premium reserve	$ 470,878	$ 381,083

Health reimbursement arrangement reserve (HRA)	18,256	23,038
Total benefit obligations	$ 1,133,544	$ 1,306,623

Changes in Reserves and Benefit Obligations:

	2025	(As Restated) 2024
Benefit obligations, beginning of year	$ 1,306,623	$ 695,519
Benefits earned	3,827,551	3,863,812
Benefits paid	(4,000,630)	(3,252,708)
Net increase (decrease)	(173,078)	611,104
Benefit obligations, end of year	$ 1,133,544	$ 1,306,623

NOTE 5: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

NOTE 5: FAIR VALUE MEASUREMENTS (*continued)*

	Fair Value	Fair Value Measurements at Reporting Date Using: Quoted Prices In Active Markets for Identical Assets (Level 1)
December 31, 2025		
Money market fund	$ 1,259,628	$ 1,259,628
Total	$ 1,259,628	$ 1,259,628
December 31, 2024		
Money market fund	$ 1,423,367	$ 1,423,367
Total	$ 1,423,367	$ 1,423,367

Level 1 Fair Value Measurements

The fair value of the money market mutual fund is based on quoted net asset values of the shares held by the Plan at year end.

NOTE 6: TRUSTEE'S CERTIFICATION

Certain information was certified as complete and accurate by the Plan's Trustee, Comerica Bank and Trust, N.A. This information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year)
- Schedule H, Line 4(j) – Schedule of Reportable Transactions

NOTE 7: INCOME TAX STATUS

The Plan has not applied for exemption from state or federal income taxes. Plan management believes that the Plan qualifies for exemption from income tax under the Internal Revenue Code and, therefore, no provision for income taxes is reflected in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9: TRANSACTIONS WITH PARTIES-IN-INTEREST

Trust fees charged to the Plan's third-party administrator were $102,222 and $83,460 for the years ended December 31, 2025 and 2024, respectively. At December 31, 2025 and 2024, amounts payable to the Plan's third-party administrator for trust fees were $50,509 and $45,633, respectively.

Certain employees of the Plan's sponsor provide administrative and accounting services to the Plan at no additional cost to the Plan. These employees are also participants of the Plan.

NOTE 10: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits according to the accompanying financial statements to the Form 5500 as of December 31:

	2025	2024
Net assets available for benefits per financial statements	$ 1,342,424	$ 1,507,230

Benefit obligations not reported on 5500	-	758,120
Net assets available for benefits per Form 5500	$ 208,880	$ 958,727

Plus: insurance premiums payable at end of year	259,954

Insurance premiums paid per Form 5500	$ 3,712,922

The following is a reconciliation of sponsor contributions paid for participants according to the accompanying financial statements to the Form 5500 for the year ended December 31, 2025:

Sponsor contributions per financial statements	$ 3,540,304
Less: accumulated eligibility credits, end of year	(470,878)
Sponsor contributions paid per Form 5500	$ 3,069,426

NOTE 11: CORRECTION OF ERROR – RESERVES AND BENEFIT OBLIGATIONS AND RESTATEMENT OF RESERVES AND BENEFIT OBLIGATIONS DISCLOSURES

The accompanying financial statements of the Plan as of and for the year ended December 31, 2024, including the related note disclosures, include corrected benefit obligation information. The Plan's previously issued financial statements for the year ended December 31, 2024 omitted insurance premiums payable information and changes in insurance premiums payable that is presented in the notes to these financial statements, as permitted by ASC 960. When benefit obligation information is presented in the notes, the notes are an integral part of the financial statements and are covered by the auditor's opinion.

Nature of the Error: During 2025, management identified an error related to unreported reserves and benefit obligations. The error resulted from improper exclusion of the insurance premiums payable. The correction of this error resulted in adjustments to previously reported reserves and benefit obligations and changes in reserves and benefit obligations. The correction did not affect the Plan's statements of net assets available for benefits or statements of changes in net assets available for benefits for any period presented; accordingly, no amounts on those statements have been restated.

NOTE 11: CORRECTION OF ERROR – RESERVES AND BENEFIT OBLIGATIONS AND RESTATEMENT OF RESERVES AND BENEFIT OBLIGATIONS DISCLOSURES *(continued)*

Effect on Previously Issued Financial Statements: ASC 250 requires disclosure that previously issued financial statements have been restated and a description of the nature of the error, as well as disclosure of (a) the effect of the correction on each affected financial statement line item for each prior period presented and (b) any cumulative effect on net assets as of the beginning of the earliest period presented. The correction of an error is reported by restating prior-period financial statements, including adjusting each prior period presented for the period-specific effects of the error and reflecting any cumulative effect in opening balances, as applicable. In this case, the correction relates only to the Plan's reserves and benefit obligations information presented in the notes.

The following table summarizes the effect of the correction on the Plan's reserves and benefit obligations as of December 31, 2024:

	As previously reported	Adjustment	As Restated
Total Reserves and Benefit Obligations	$758,120	$548,503	$1,306,623

The following table summarizes the effect of the correction on the Plan's changes in reserves and benefit obligations for the year ended December 31, 2024:
