INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Twin Cities Co-op Partners 401(K) Plan and Trust
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Twin Cities Co-op Partners 401(K) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Twin Cities Co-op Partners 401(K) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Twin Cities Co-op Partners 401(K) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Twin Cities Co-op Partners 401(K) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Twin Cities Co-op Partners 401(K) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Twin Cities Co-op Partners 401(K) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedules Required by ERISA

The supplementary schedule of assets (held at end of year) and the schedule of delinquent participant contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of Twin Cities Co-op Partners 401(K) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General - The Plan is a single-employer defined contribution 401(k) profit-sharing plan covering substantially all employees of Twin Cities Co-op Partners, Inc. (the Company or Employer) who have three months of service. The Company is the Plan Sponsor and Plan Administrator. John Hancock Trust Company LLC is the trustee and John Hancock Retirement Plan Services LLC provides recordkeeping services for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Investments are held in mutual funds and a common collective trust.

Contributions - Participants are allowed to make an elective pretax (traditional 401(k)) or after-tax (Roth 401(k)) deferral contributions up to Internal Revenue Code limits and not to exceed 90% of annual compensation, as defined in the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation, unless elected otherwise. The deferral rate increases by 1% each year until a rate of 6% is achieved. Employees can opt out at any time. The Plan allows participants age 50 and older to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Plan allows for the Company to make discretionary matching contributions to all participants who make salary deferral contributions. In 2025, the Company made matching contributions of 50% of the first 8% of eligible compensation participants contributed to the Plan.

Contributions receivable are recorded when due under the Plan and are evaluated for collectability, including any allowance for credit losses. Participant contributions receivable were $28,906 and Employer contributions receivable were $11,659 at December 31, 2025. There were no participant contributions receivable or Employer contributions receivable at December 31, 2024. Management determined that no allowance for credit losses was necessary at December 31, 2025 and 2024. There were no participant or Employer contributions receivable at January 1, 2024.

1. **DESCRIPTION OF THE PLAN (Continued)**

Participant Accounts - Each participant's account is credited with the participant's contributions plus an allocation of (a) the Company's discretionary matching contributions, and (b) Plan earnings and increases (decreases) in the value of investments, net of administrative expenses. Allocations are based on account balances or participant earnings and contributions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The participant's elective deferral contributions and earnings thereon are always 100% vested. Company discretionary matching contributions and earnings thereon vest based on years of credited service. A participant is 100% vested after five years of credited service. Notwithstanding the above, a participant's account will be fully vested upon death, disability, or retirement.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $500 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Note terms generally range from 1 to 5 years. The notes are secured by the balance in the participant's account and bear interest at fixed rates determined at note inception using the prime rate plus 1%. The interest rates on notes outstanding at December 31, 2025 and 2024 were 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits - Upon termination of service due to death, disability, retirement, or other reasons, a participant with a non-forfeitable accrued benefit exceeding $5,000 may elect to receive either a lump sum amount equal to the participant's vested account balance or installments over a period of time not to exceed the participant's assumed life expectancy (or the participant's and their beneficiary's assumed life expectancies). Prior to separation from service, a participant reaching age 59-1/2 may elect to receive all or a portion of their vested account balance or defer payment until retirement.

Upon termination of service, a participant with a with non-forfeitable accrued benefit below $5,000, must receive a lump-sum distribution.

Forfeitures - Forfeited nonvested accounts are used to reduce future Company discretionary matching contributions to the Plan. At December 31, 2025 and 2024, $444 and $1,209 of forfeitures were available to reduce future Company discretionary matching contributions. In 2025, $31,322 of forfeitures were used to reduce future Company discretionary matching contributions.

1. **DESCRIPTION OF THE PLAN (Continued)**

Investment Options - Participants are able to direct the investment of their contributions among the various investment options offered by the Plan. Company contributions are allocated on the same basis as participant contributions.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting - The accompanying financial statements for the Plan have been prepared on the accrual basis of accounting.

Use of Estimates - The preparation of any financial statements in accordance with U.S. generally accepted accounting principles may require management to make estimates and assumptions that affect certain amounts reported and disclosed in the financial statements. Actual results could differ from such estimates.

Valuation of Investments and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Interest income from participant loans is recorded when earned. Delinquent participant loans are reclassified as loans in default and are recorded as deemed distributions at the time they are deemed uncollectible.

Payment of Benefits - Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation and depreciation in fair value of investments.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements was obtained from data that was prepared and certified as complete and accurate by John Hancock Trust Company LLC, the trustee.

	2025	2024
Investments:		
Mutual funds	$ 13,416,054	$ 12,080,943
Common collective trust fund	19,320	162,993
	$ 13,435,374	$ 12,243,936
Notes receivable from participants	$ 37,782	$ 28,225
Net investment income	$ 2,077,757	
Interest on notes receivable from participants	$ 2,679	

In addition, John Hancock Trust Company LLC has certified all data used to derive the information included in the supplementary schedule of assets (held at end of year) as of December 31, 2025, to be complete and accurate.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means; and Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund: The fair value per unit of investments in the common collective trust fund is determined by the fund's trustee based on the fair value of the underlying securities within that fund divided by the number of units trading. Plan management believes using net asset value as a practical expedient to estimate fair value is appropriate for investments in the common/collective trust. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. The Plan's investment in the common collective trust fund is not subject to any withdrawal or redemption restrictions. The Plan has no unfunded commitments relating to the common collective trust fund at December 31, 2025 and 2024.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2025 and 2024:

4. **FAIR VALUE MEASUREMENTS (Continued)**

	Fair Value Measurements at December 31, 2025:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$ 13,416,054	$ -	$ -	$ 13,416,054
Common collective trust fund measured at net asset value per share				19,320
Investments, at fair value				$ 13,435,374

	Fair Value Measurements at December 31, 2024:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$ 12,080,943	$ -	$ -	$12,080,943
Common collective trust fund measured at net asset value per share				162,993
Investments, at fair value				$12,243,936

The common collective trust fund investment that was measured at net asset value per share (or its equivalent) has not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

The plan document adopted by the Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants qualify as party-in-interest transactions.

The Plan's sponsor pays certain administrative expenses of the Plan.

An affiliate of the trustee manages a Plan investment.

8. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2025, participant contributions related to three payroll periods were not remitted to the Plan within the time period required by Department of Labor regulations, and therefore, constitute nonexempt prohibited transactions. The contributions totaled $79,503. The Plan Sponsor has remitted the delinquent contributions and is in the process of remitting related lost earnings to the Plan at December 31, 2025. The delinquent participant contributions are reported on the Plan's Form 5500, Schedule H, line 4a, and the related supplementary schedule, as applicable.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2026, the date on which the financial statements were available for issue, and identified no further significant events or transactions to disclose.
