# Independent Auditors' Report

The Plan Administrator
Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust

***Opinion***

We have audited the financial statements of Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net fiduciary position as of December 31, 2025 and 2024, and the related statements of changes in benefit obligations and net fiduciary position for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the fiduciary net position and benefit obligations of Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust as of December 31, 2025 and 2024, and the changes in its fiduciary net position and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust's ability to continue as a going concern as a going concern for twelve months beyond the financial statement date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

*Required Supplementary Information*

Management has omitted the management discussion and analysis that accounting principles generally accepted in the United States of America requires to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

*Supplemental Schedule Required by ERISA*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 1 – Description of Plan**

The following description of the Gila River Gaming Enterprises, Inc. Group Employee Benefit Plan and Trust (the Plan) provides only general information. Participants should refer to the plan agreement, as amended, for a more complete description of the Plan's provisions.

**General** – The Plan has been established by the Gila River Indian Community (the Community), a federally recognized Indian Tribe, and operates under the authority of Tribal Council. The Plan is sponsored by Gila River Gaming Enterprises, Inc. (the Employer or GRGE), a legally separate entity of the Community. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. As of December 31, 2025 and 2024, there were 2,262 and 2,261 employees participating in the Plan, respectively.

**Eligibility** – The Plan covers all GRGE employees who work a minimum of 30 hours per week and their eligible dependents. Full-time employees begin participating on the first day of the first month following a 60-day waiting period. Variable-hour employees begin participating on the first day of the first month following a 60-day waiting period after working a minimum of 30 hours per week during a one-year initial measurement period. The Plan excludes retired participants as well as part-time employees.

**Benefits** – The Plan provides health benefits (medical, vision, dental, prescription, and behavioral health), short-term disability, long-term disability, basic and voluntary life/accidental death and disability (AD&D) benefits and voluntary benefits (accident, critical illness, hospital indemnity and long-term care) to eligible employees and their dependents. Former employees may elect coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provisions, if they experience a qualifying event as defined in COBRA.

**Insured benefits** – Certain Plan benefits are self-insured with additional stop-loss coverage to limit exposure for claims over a specific dollar amount. Claims for self-insured benefits are processed by the Plan's third-party claims processors under an administrative service only (ASO) arrangements. The claims processors pays claims on behalf of participants and are reimbursed from the general assets of the Employer. Despite the Plan's utilization of third-party claims administrators, ultimate responsibility for payments to providers and participants is retained by the Plan.

For the years ended December 31, 2025 and 2024, the Plan was fully insured for the following benefits: long-term disability, life/AD&D benefits, and voluntary benefits. The Plan was self-insured for the following benefits: medical, vision, dental, prescription, behavioral health, and short-term disability benefits.

**Contributions** – The Plan provides that the Employer shall contribute the full cost of medical, vision, dental, behavioral health, short-term disability, long-term disability, and life benefits for all covered personnel. Participants contribute to the Plan based upon the type of coverage selected for spouses or dependents. Contribution amounts vary based on coverage selected. The Employer does not contribute to the cost of medical coverage for COBRA participants.

**Note 2 – Summary of Significant Accounting Policies**

**Basis of presentation** – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting, in accordance with accounting standards promulgated by the Governmental Accounting Standards Board.

**Use of estimates** – The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Cash and cash equivalents** – Cash and cash equivalents represent the amounts funded through contributions to pay future benefits and administrative expenses of the Plan, which include amounts on hand and on deposit with a financial institution, JP Morgan Chase Bank, N.A.

**Stop loss policy** – The Plan carries an insurance policy that covers medical claims up to a specific stop loss limit of $250,000. The Plan's assets might not be sufficient if a number of participants incurred claims up to the individual deductible in any one year. At December 31, 2025 and 2024, stop loss receivables totaled $759,544 and $726,422, respectively. For the years ended December 31, 2025 and 2024, specific stop loss reimbursements totaled $759,544 and $726,422, respectively, and are recorded as a reduction in claims paid in the accompanying statements of changes in benefit obligations and changes in net position available for benefits.

**Investment valuation** – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

**Income recognition** – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

**Benefit obligations** – An estimate for claims incurred but not reported (IBNR) is determined based on actual information related to claims filed subsequent to year-end and historical trends. These amounts are paid by the Plan only if claims are submitted and approved for payment. It is reasonably possible that a significant change in the estimate will occur in the near term.

**Payment of benefits** – Benefits are recorded when paid by the third-party claim administrators. Amounts due to the third-party claims administrators that have yet to be reimbursed by the Plan are recorded as claims payable in the accompanying statements of benefit obligations and net position available for benefits.

**Expenses** – The Plan pays administrative expenses that consist primarily of fees paid to the third-party claims administrator. Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements.

### Note 3 – Cash and Cash Equivalents

Custodial credit risk is the risk that in the event of a bank failure, the Plan will not be able to recover its deposits held by the bank. The cash balance which is maintained with a financial institution at various times during the year, may exceed Federal Deposit Insurance Corporation (FDIC) insured limits, and as a result, there is a concentration of credit risk related to amounts on deposit in excess of FDIC insured limits. The Plan has not experienced any losses in such accounts and believes that it is not exposed to any significant custodial credit risk on its cash and cash equivalents.

At December 31, 2025 and 2024, the Plan's deposits subject to custodial credit risk are as follows:

| | 2025 | 2024 |
|---|---|---|
| Total amount of deposits | $ 10,886,992 | $ 8,062,241 |
| Less FDIC coverage | (250,000) | (250,000) |
| Total uninsured deposits | $ 10,636,992 | $ 7,812,241 |

### Note 4 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

**Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

*Money market mutual fund* – Shares in the registered investment company (money market mutual fund) are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The fund held by the Plan is deemed to be actively traded. The mutual fund held by the Plan is an open-end mutual fund that is registered with the U.S. Securities and Exchange Commission.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables disclose the fair value hierarchy of the Plan's assets by level at fair value as of December 31, 2024 and 2025:

| | Fair Value Measurement at December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Money market mutual fund | $ 10,000,000 | $ - | $ - | $ 10,000,000 |

| | Fair Value Measurement at December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Money market mutual fund | $ 7,500,000 | $ - | $ - | $ 7,500,000 |

**Note 5 – Tax Status**

The Voluntary Employees' Benefit Association (VEBA) trust, funding certain benefits of the Plan, received an exemption letter from the Internal Revenue Service (IRS) dated May 11, 1999, stating that the trust is tax-exempt under the provisions of 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. For the years ended December 31, 2025 and 2024, no federal or state income taxes have been recorded for unrelated business taxable income. The Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC; therefore, believes that the related trust is tax-exempt.

**Note 6 – Risks and Uncertainties**

The Plan invests in a money market mutual fund that is exposed to interest rate, custodial, and credit risks. A summary of the risks and plan exposure is summarized below.

**Custodial credit risk** – Custodial credit risk is the risk that in the event of the failure of the counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. The Plan's does not hold any direct investments or instruments that are subject to custodial credit risk.

**Interest rate risk** – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Plan's does not hold any direct investments or instruments that are subject to interest rate risk.

**Credit risk** – Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligation to the Plan. The Plan does not hold any direct investments or instruments that are subject to credit risk.

**Note 7 – Party-in-Interest and Related-Party Transactions**

The Plan has arrangements with third-party service providers to administer benefits. Transactions with these service providers are considered exempt party-in-interest transactions under ERISA. Certain accounting and management services are provided to the Plan by the Employer for which no fees are charged which qualify as party-in-interest transactions and are exempt from the prohibited transactions rules.

**Note 8 – Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to modify the benefits provided to plan participants, contributions required of participants, or to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA.

In the event of termination of the Plan, the Plan shall continue until all pending claims for benefits outstanding as of the date of termination have been paid or otherwise resolved. Any amounts remaining in the Plan after all pending claims have been resolved shall be distributed to the Employer to the extent that the amounts do not exceed the employer contributions during the medical loss ratio period.
