INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
International Association of Fire Chiefs DC Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of International Association of Fire Chiefs DC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of International Association of Fire Chiefs DC Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Association of Fire Chiefs DC Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INTERNATIONAL ASSOCIATION OF FIRE CHIEFS
DC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1. DESCRIPTION OF THE PLAN

The International Association of Fire Chiefs DC Retirement Plan (the Plan) was initially adopted on January 1, 1976. The Plan was amended and restated on January 1, 2009. Effective January 1, 2020, the Plan restated as a surviving plan. The International Association of Fire Chiefs TDA Plan merged into this surviving Plan effective January 1, 2020.

General - The Plan is a defined contribution plan covering all employees of the International Association of Fire Chiefs (the Association). Employees who are age 21 or older are eligible to contribute to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Investment Elections - Employees may elect to defer an amount up to the annual Internal Revenue Service (IRS) deferral limits. The Association contributes 4% of an employee's gross salary with an additional 3% match. Employees hired after January 1, 2009 are vested in employer contributions over a five-year period. An employee may make additional contributions up to certain limits. The Plan provides that contributions will be directed by each participant and invested in fixed dollar annuities issued by Teachers' Insurance Annuity Association (TIAA), the TIAA Real Estate account and various variable annuities offered by College Retirement Equity Fund (CREF).

Participant Accounts - Each participant's account is credited with the Association's matching contribution and plan earnings (losses). Allocations are based on earnings (losses) or on compensation (as defined). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants have a five-year vesting period.

Payment of Benefits - A participant shall be entitled to receive benefits upon retirement, death or termination of employment. On termination of service, and if a participant's account does not exceed $5,000, a participant will receive a lump-sum amount equal to the vested value of his or her account. If a participant's account exceeds $5,000, no distribution shall be made to the participant before the participant reaches age 59½, unless the consent of the participant has been obtained. Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Administration - The assets of the Plan are held in trust by TIAA, Trustee. Administrative expenses of the Plan may be paid either by the Plan sponsor or directly by the Plan, depending on the nature of the expense. During 2025, certain administrative expenses incurred on behalf of the Plan were paid by the Plan sponsor and subsequently reimbursed by the Plan. The Plan records administrative expenses as they are incurred.

Basis of Accounting - The financial statements have been prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Investment Valuation and Income Recognition - Investments of the Plan are stated at their fair value based upon quoted market prices at either the aggregate or unit level based on the investment fund, except for the fully benefit-responsive insurance annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recognized on a trade-date basis.

In the statements of changes in net assets available for benefits, the Plan presents the net appreciation in fair value of investments during the year, which consists of realized gains or losses and the unrealized appreciation and depreciation on these investments. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

Notes Receivables from Participants - Participants may borrow from their individual account a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested balance, reduced by any outstanding loan balance, or $50,000, reduced by the highest outstanding loan balance during the previous one-year period. Loans must be repaid within five years. The loans are secured by the balance of the participant's account and bear interest at a rate determined by the Plan administrator.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Interest income is recognized on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recognized as of December 31, 2025.

Forfeited Accounts - The Plan permits forfeitures of nonvested employer contributions to be used to reduce future employer contributions and/or pay eligible Plan expenses. At December 31, 2025 and 2024, forfeited nonvested accounts totaled approximately $69,182 and $108,597, respectively. During 2025, forfeitures of $218,476 were used in accordance with Plan provisions. The forfeiture balance also increased by current-year forfeitures of $174,028 and investment income of $5,033.

Estimates - The preparation of financial statements in accordance with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE 3. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Association by letter dated October 18, 2006 that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the receipt of the determination letter; the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

The Plan accounts for income taxes in accordance with the Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribed a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the year ended December 31, 2025, and determined that there were no matters that would require recognition in the financial statements or that may have an effect on its tax-exempt status. As of December 31, 2025, the statute of limitations for tax years 2022 through 2024 remains open with the U.S. federal jurisdiction and the various states and local jurisdictions in which the Plan files return.

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets as of December 31, 2025 and 2024:

	2025			
Description	Total	Quoted Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	$ 21,343,691	$ 21,343,691	$ -	$ -
Pooled separate accounts (real estate) at net asset value*	545,620			
Investments at fair value	$ 21,889,311			

	2024			
Description	Total	Quoted Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	$ 18,339,864	$ 18,339,864	$ -	$ -
Pooled separate accounts (real estate) at net asset value*	432,976			
Investments at fair value	$ 18,772,840			

*In accordance with ASC, investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

The investments in pooled separate accounts, which totaled $545,620 and $432,976 at December 31, 2025 and 2024, respectively, are measured at fair value using the net asset value practical expedient. The pooled separate accounts file U.S. Department of Labor Form 5500 as a direct filing entity. There were no unfunded commitments or redemption restrictions as of December 31, 2025 and 2024.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Registered investment companies: The fair value is based on quoted market prices which are valued at the close of business each day.

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate accounts: These accounts invest primarily in domestic stocks and mutual funds, the majority of which have observable Level 1 quoted pricing inputs and are used in determining the net asset values of the pooled separate accounts. A certain number of these accounts invest mainly in international stocks, which have observable Level 1 or Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets; and are used in determining the net asset values of the pooled separate accounts. Net asset values of pooled separate accounts are not publicly quoted.

NOTE 5. INSURANCE ANNUITY CONTRACT

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents, (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an unsecured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The Plan's investment in insurance contracts at contract value was $3,357,190 and $3,558,249 as of December 31, 2025 and 2024, respectively.

NOTE 6. PLAN TERMINATIONS

The Association intends to continue the Plan indefinitely but reserves the right to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event of a Plan termination, the value of the participants' accounts would be distributed to the participants.

NOTE 7. FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

Investment balances of $25,246,501 and $22,331,089 at December 31, 2025 and 2024, respectively, and the related investment information, including net appreciation in fair value of investments, included in the financial statements, notes to financial statements, and accompanying supplemental schedule are certified by TIAA, Trustee, as of and for the years ended December 31, 2025 and 2024, as to completeness and accuracy.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by TIAA. TIAA is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. During 2025, the Plan reimbursed the Plan sponsor, International Association of Fire Chiefs, for certain administrative expenses incurred on behalf of the Plan totaling $48,950. Management believes these transactions qualify as exempt party-in-interest transactions under ERISA.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those such changes could materially affect the amounts reported in the accompanying financial statements.

NOTE 10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 7, 2026, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
