Employee Welfare Benefit Plan
Glenwood Springs, Colorado

INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the accompanying financial statements of Alpine Banks of Colorado Employee Welfare Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Alpine Banks of Colorado Employee Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides medical insurance benefits covering eligible employees of Alpine Banks of Colorado, Inc. (the Company) and employees' dependents. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan was adopted January 1, 2000 and provides medical insurance benefits to all eligible salaried and hourly employees and their dependents. Eligible employees must be scheduled to work 20 or more hours per week. The Plan provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). Terminated employees that elect to receive COBRA benefits must pay the full cost of the coverage.

Funding

Funding is derived from the funds of the Company and contributions made by the covered employees. Participant contributions are used to fund the cost of the Plan as soon as practicable after they have been received from the participant.

Contributions

The Plan agreement provides that the Company shall, from time to time, evaluate the liabilities and expenses of the Plan and determine the amount to be contributed by the Company and the amount to be contributed by each covered participant. Employees may contribute specified amounts, determined periodically by the third party administrator, to extend coverage to eligible dependents.

Payment of Benefits

Benefits are paid directly from the Plan through the third party claims administrator.

Administrative Expenses

Administrative expenses shown in the Plan's statements of changes in net assets benefits obligations and net assets available for benefits include expenses paid to third party administrators performing various services such as recordkeeping, transaction processing, and custodial services for the Plan.

Insurance

Health care benefits are self-insured up to a ceiling amount. Under the program terms, the Company contracts with a third party administrator for claims processing and determination of funding requirements. Individual claims over $160,000 and $140,000 for the years ended December 31, 2025 and 2024, respectively, are covered by stop-loss insurance policies maintained with a third party insurance company.

The stop-loss insurance policy is a 12/15 policy. Claims incurred between January 1 and December 31 paid during the year the claim was incurred and through March 31 of the following year are eligible for reimbursement under the insurance policy.

As of December 31, 2025 and 2024, the Plan had amounts receivable from the stop-loss policy included in reinsurance, refunds, and other receivables.

The Company accounts for credit losses under the Accounting Standards Update (ASU), *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* (ASU 2016-13), as amended. ASU 2016-13 requires measurement and recognition of expected versus incurred losses for financial assets held. Financial assets held by the Company that are subject to ASU 2016-13 include reinsurance, refunds, and other receivables.

For the years ended December 31, 2025 and 2024, all receivables were determined to be collectible; therefore management determined that an allowance for credit losses was not considered necessary.

Other

Although it has not expressed any intention to do so, the Company has the right under the Plan to alter, amend, or terminate the Plan, subject to the provisions set forth in ERISA. Upon termination, the assets then remaining shall be subject to the applicable provision of the Plan then in effect and shall be used until exhausted to pay benefits to employees in order of their entitlement.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefit Obligations

Benefit obligations of the Plan at December 31, 2025 and 2024 for health claims incurred by participants but not reported at that date are estimated by the Plan by analyzing claim lag studies. Such amounts are reported at an undiscounted amount because amounts typically are payable within one year. Any differences in the estimated amounts and actual amounts will be reported in future years.

Concentrations of Credit Risk and Related Party Transactions

The Plan maintains its cash balances with the Company. The balance at the Company is insured by the Federal Deposit Insurance Corporation up to $250,000. At various times, the Plan has exceeded this limit.

Contingencies

The Plan could be subject to various fees and penalties if the Plan is not in compliance with ERISA, the Internal Revenue Service, and the Department of Labor, including compliance with COBRA.

NOTE 3 - TAX STATUS

The Plan administrator and the Plan advisors believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 7, 2026, the date at which the financial statements were available to be issued, and determined that no events have occurred that require disclosure.
