INDEPENDENT AUDITORS' REPORT

October 13, 2026

Plan Administrator and Plan Participants
TTL, Inc.
401(k) Profit Sharing Plan
Tuscaloosa, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of TTL, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TTL, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TTL, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TTL, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TTL, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TTL, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TTL, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN**

The following description of the TTL, Inc. (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all eligible employees of TTL, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – An employee is eligible to participate in the Plan who has attained the age of twenty-one. New employees are automatically enrolled in the plan with a 4% deferral unless they opt out of the Plan. This deferral percentage automatically increases 1% per year.

Contributions – Each year participants may contribute up to 75% of their annual compensation (as defined in the Plan), as pre-tax contributions or after-tax Roth 401(k) contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 50% of the participants' salary deferrals up to 8% of annual compensation. The matching company contributions are invested in the same manner as the participant's contributions. Additional profit sharing amounts may be contributed at the option of the Company's management and are invested in the mutual funds as directed by the participant. Contributions are subject to certain limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after five years of credited service.

Payment of Benefits – The Plan permits withdrawals on termination of service due to death, disability, retirement or other reasons. A participant may elect to receive a lump-sum payment or rollover their account balance up to the value of the vested interest in their account. In-service distributions are also permitted for certain financial hardships. Hardship withdrawal limits vary by type and are limited to 100% of participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** (Continued)

Forfeited Accounts – At December 31, 2025 and 2024, forfeited non-vested accounts totaled $74,247 and $69,526, respectively. These accounts will be used to reduce future employer contributions and pay plan expenses. In 2025 and 2024, employer contributions were reduced by $144,726 and $88,552 from forfeited non-vested accounts, respectively. In 2025 and 2024, plan expenses and accounting fees paid from forfeited non-vested accounts were $624 and $494 respectively.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Operating Expenses – Administrative expenses incurred by the Plan include contract administrative fees. Investment advisory fees are netted against investment income.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following table presents, by level within the fair value hierarchy, the Plan's assets at fair value at December 31, 2025:

	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 41,983,382	$ -	$ -	$ 41,983,382
Total assets in the fair value hierarchy	41,983,382	-	-	41,983,382

Investments at fair value				$ 43,257,885

(Continued)

TTL, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

3. **FAIR VALUE MEASUREMENTS** (Continued)

The following table presents, by level within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024:

	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 32,880,017	$ -	$ -	$ 32,880,017
Total assets in the fair value hierarchy	32,880,017	-	-	32,880,017
Investments measured at net assets value as a practical expedient (a)				1,726,002
Investments at fair value				$ 34,606,019

(a) The common collective trust is measured at net asset value as a practical expedient to estimate fair value and, therefore, has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation in fair value of investments.

4. **COMMON COLLECTIVE TRUST**

The Plan's investment in the Putman Stable Value Fund, a common collective trust, is made up of investment contracts. The net asset value of the investment contracts is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations. Participant transactions (purchases and sales) may occur daily. Participant directed transfers into a competing investment option must be held in a noncompeting investment option for a minimum of 90 days. If the Plan initiates a full redemption of the collective investment trust, the issuer reserves the right to require 12 months notification in order to ensure that the securities liquidations will be carried out in an orderly business manner. The Plan presents investments in collective trust funds that include benefit-responsive investment contracts at net asset value, which is considered a practical expedient to estimate fair value, in the statements of net assets available for benefits and as shown in the following table as of December 31, 2025 and 2024:

	2025	2024
Fair value	$1,274,503	$1,726,002
Unfunded commitments	n/a	n/a
Redemption frequency	Daily	Daily
Redemption notice period	12 Months	12 Months

NOTES TO FINANCIAL STATEMENTS

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. EXCESS CONTRIBUTIONS

There we no distributions of excess deferral contributions for the year ended December 31, 2025 required to satisfy the relevant nondiscrimination provisions of the Plan for the prior year.

7. TAX STATUS

The Plan is a qualified cash or deferred arrangement established under Section 401(k) of the Internal Revenue Code (IRC) and is exempt from income taxes under Section 401(a) of the IRC. The Plan has executed an adoption agreement using Fidelity Management and Research Company Volume Submitter Defined Contribution Plan and relies on the determination letter dated March 31, 2008 issued for the standard plan. Although the Plan has been amended since receiving the determination letter the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Fidelity Management Trust Company.

	2025	2024
Investments, at fair value:		
Mutual funds	$ 41,983,382	$ 32,880,017
Common collective trusts	$ 1,274,503	$ 1,726,002

The investment income reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2025 were certified by the trustee, Fidelity Management Trust Company.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan engaged in investment transactions with funds managed by certain affiliates of the trustee, Fidelity Management Trust Company. These are parties-in-interest with respect to the Plan. The Plan paid $152,821 for plan administration fees. The Plan Sponsor paid $18,000 in professional fees. These transactions qualify as exempt party-in-interest transactions.

11. MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Subsequent events were evaluated through October 13, 2026, the date the financial statements were available to be issued.

Plan Administrator and Plan Participants
TTL, Inc.
401(k) Profit Sharing Plan
Tuscaloosa, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of TTL, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TTL, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TTL, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TTL, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TTL, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TTL, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN**

The following description of the TTL, Inc. (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all eligible employees of TTL, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – An employee is eligible to participate in the Plan who has attained the age of twenty-one. New employees are automatically enrolled in the plan with a 4% deferral unless they opt out of the Plan. This deferral percentage automatically increases 1% per year.

Contributions – Each year participants may contribute up to 75% of their annual compensation (as defined in the Plan), as pre-tax contributions or after-tax Roth 401(k) contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 50% of the participants' salary deferrals up to 8% of annual compensation. The matching company contributions are invested in the same manner as the participant's contributions. Additional profit sharing amounts may be contributed at the option of the Company's management and are invested in the mutual funds as directed by the participant. Contributions are subject to certain limitations.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after five years of credited service.

Payment of Benefits – The Plan permits withdrawals on termination of service due to death, disability, retirement or other reasons. A participant may elect to receive a lump-sum payment or rollover their account balance up to the value of the vested interest in their account. In-service distributions are also permitted for certain financial hardships. Hardship withdrawal limits vary by type and are limited to 100% of participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** (Continued)

Forfeited Accounts – At December 31, 2025 and 2024, forfeited non-vested accounts totaled $74,247 and $69,526, respectively. These accounts will be used to reduce future employer contributions and pay plan expenses. In 2025 and 2024, employer contributions were reduced by $144,726 and $88,552 from forfeited non-vested accounts, respectively. In 2025 and 2024, plan expenses and accounting fees paid from forfeited non-vested accounts were $624 and $494 respectively.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Operating Expenses – Administrative expenses incurred by the Plan include contract administrative fees. Investment advisory fees are netted against investment income.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following table presents, by level within the fair value hierarchy, the Plan's assets at fair value at December 31, 2025:

	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 41,983,382	$ -	$ -	$ 41,983,382
Total assets in the fair value hierarchy	41,983,382	-	-	41,983,382
Investments measured at net assets value as a practical expedient (a)				1,274,503
Investments at fair value				$ 43,257,885

3. **FAIR VALUE MEASUREMENTS** (Continued)

The following table presents, by level within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024:

	Level 1	Level 2	Level 3	Totals
Mutual Funds	$ 32,880,017	$ -	$ -	$ 32,880,017
Total assets in the fair value hierarchy	32,880,017	-	-	32,880,017
Investments measured at net assets value as a practical expedient (a)				1,726,002
Investments at fair value				$ 34,606,019

(a) The common collective trust is measured at net asset value as a practical expedient to estimate fair value and, therefore, has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation in fair value of investments.

4. **COMMON COLLECTIVE TRUST**

The Plan's investment in the Putman Stable Value Fund, a common collective trust, is made up of investment contracts. The net asset value of the investment contracts is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations. Participant transactions (purchases and sales) may occur daily. Participant directed transfers into a competing investment option must be held in a noncompeting investment option for a minimum of 90 days. If the Plan initiates a full redemption of the collective investment trust, the issuer reserves the right to require 12 months notification in order to ensure that the securities liquidations will be carried out in an orderly business manner. The Plan presents investments in collective trust funds that include benefit-responsive investment contracts at net asset value, which is considered a practical expedient to estimate fair value, in the statements of net assets available for benefits and as shown in the following table as of December 31, 2025 and 2024:

	2025	2024
Fair value	$1,274,503	$1,726,002
Unfunded commitments	n/a	n/a
Redemption frequency	Daily	Daily
Redemption notice period	12 Months	12 Months

NOTES TO FINANCIAL STATEMENTS

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. EXCESS CONTRIBUTIONS

There we no distributions of excess deferral contributions for the year ended December 31, 2025 required to satisfy the relevant nondiscrimination provisions of the Plan for the prior year.

7. TAX STATUS

The Plan is a qualified cash or deferred arrangement established under Section 401(k) of the Internal Revenue Code (IRC) and is exempt from income taxes under Section 401(a) of the IRC. The Plan has executed an adoption agreement using Fidelity Management and Research Company Volume Submitter Defined Contribution Plan and relies on the determination letter dated March 31, 2008 issued for the standard plan. Although the Plan has been amended since receiving the determination letter the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Fidelity Management Trust Company.

	2025	2024
Investments, at fair value:		
Mutual funds	$ 41,983,382	$ 32,880,017
Common collective trusts	$ 1,274,503	$ 1,726,002

The investment income reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2025 were certified by the trustee, Fidelity Management Trust Company.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan engaged in investment transactions with funds managed by certain affiliates of the trustee, Fidelity Management Trust Company. These are parties-in-interest with respect to the Plan. The Plan paid $152,821 for plan administration fees. The Plan Sponsor paid $18,000 in professional fees. These transactions qualify as exempt party-in-interest transactions.

11. MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Subsequent events were evaluated through October 13, 2026, the date the financial statements were available to be issued.
