Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Victory Marketing, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

Opinion (continued)

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management of the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditors' Responsibility for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Item 4(a) - schedule of delinquent participant contributions for the year ended December 31, 2025, and Schedule H, Item 4(i) - schedule of assets (held at end of year), as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 • DESCRIPTION OF THE PLAN

The following description of Victory Marketing, LLC 401(k) Profit Sharing Plan (hereafter referred to as the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the adopting employer, Victory Marketing, LLC (the "Company") who have been employed for one year or more of service and are age twenty-one or older. Effective December 29, 2025, managers are excluded from participation in the Plan and all other employees, besides managers, who have been employed for three months or more and are age twenty-one or older are eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company's Board of Directors and the Plan Administrator control and manage the operation and administration of the Plan. Fidelity Management Trust Company serves as the Trustee of the Plan. It is subject to ERISA.

The Company is a fuel distribution chain existing under the laws of the State of Mississippi. Its primary business activity is to operate gas stations located in Mississippi, and other areas of the Southeast. The Company is headquartered in Ridgeland, Mississippi.

Contributions

Eligible employees can defer up to 100% of their eligible compensation into the Plan, up to the maximum allowed by the Internal Revenue Code (limited to $23,500 for 2025 and $23,000 in 2024). Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the Plan year (limited to $7,500 in 2025 and 2024). In 2025, the law increased the total allowable catch-up contributions for participants age 60 to 63 to $11,250. Participants may also make after-tax Roth contributions to the Plan. Additionally, participants are permitted to make rollover contributions to the Plan from other qualified plans or individual retirement accounts.

The Company makes non-discretionary matching contributions in an amount equal to 25% of participant deferral contributions subject to a maximum of 6% of the participant's eligible compensation contributed to the Plan. The Company may also make discretionary contributions.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, the Company's contributions and an allocation of net investment income of each fund in which the participant is invested. Participants' accounts may also be charged with an allocation of administrative expenses.

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Participant Accounts (continued)

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Automatic Deferral

The Plan contains automatic deferral provisions whereby the Company, as to each participant affected, will withhold as the automatic deferral amount, 1% from the participant's compensation each payroll period unless the participant makes a contrary election.

Investments and Investment Options

Contributions to the Plan are invested as directed by each participant. The Plan offers various investments in mutual fund accounts as investment options for participants. Participants may change their investment options at any time.

Vesting

Participants are immediately 100% vested in their deferred salary contributions plus actual earnings thereon. A participant will become fully vested in Company contributions after six years of ratably credited service.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive payments over time or elect to receive a lump-sum amount equal to the value of the participant's vested account balance. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or a rollover to another retirement account. The portion of the account balance that is not vested when an employee terminates service is deemed to be a forfeiture. If the participant fails to request a distribution or rollover of their vested account balance and their vested account balance is $7,000 or less, the account balance exceeding $1,000 will be distributed to an Individual Retirement Account. If the participant's vested account balance is $1,000 or less, the full account balance will be distributed as a lump sum distribution directly to the participant. Prior to such distribution the participant can request to have that amount distributed directly to the participant as a lump sum payment or to request that it be rolled over to a different Individual Retirement Account provider or another retirement plan eligible to receive rollover contributions.

NOTE 1 • DESCRIPTION OF THE PLAN (continued)

Hardship Withdrawals

Under certain conditions, participants, while still employed by the Company, are permitted to take a hardship withdrawal from the employee contribution portion of their account balance. These conditions include the payment of unreimbursed medical expenses, the purchase of the participant's principal residence, the payment of postsecondary education tuition, the payment of burial or funeral costs of immediate family members, the payment of expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under the IRC or to prevent eviction or foreclosure from the participant's principal residence.

Participant Loans

The Plan does not permit participant loans.

Forfeitures

Upon termination of employment, participants forfeit their nonvested balances. Forfeited balances may be used to pay Plan expenses or reduce Company contributions. During 2025 and 2024, forfeitures in the amount of $-0- were used to pay Company contributions and Plan expenses, respectively. At December 31, 2025 and 2024, the balance of forfeited non-vested amounts totaled $13,020 and $25,647, respectively. At December 31, 2025 and 2024, the total balance of forfeited amounts totaled $46,144 and $25,647, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan Agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents

The Plan records cash and highly liquid money market funds at cost, which due to their high liquidity, represents the fair value of the cash and cash equivalents.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain investment-related expenses are included in net appreciation in fair value of investments.

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value, which GAAP defines as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation (depreciation) in fair value of investments. (See Note 3 for discussion of fair value measurements.)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the fair value measurement of investments. It is at least reasonably possible that the significant estimates used will change within the next year.

Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to market risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Payment of Benefits

Benefit payments are recorded upon distribution.

NOTE 2 • SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Employee and Employer Contributions

Employee deferral contributions are recognized as additions to net assets on the date on which such employee deferrals would otherwise have been payable to the participant. Company discretionary contributions are recognized as additions to net assets upon formal approval by the Company's Board of Directors. Employee rollover contributions are recognized as additions to net assets on the date transferred from other qualified plans.

Subsequent Events

Management has evaluated subsequent events through October 9, 2026, the date the financial statements were available to be issued.

NOTE 3 • FAIR VALUE MEASUREMENTS

Fair value measurements define fair value as the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Fair value measurements establish a fair value hierarchy that prioritizes the observable and unobservable inputs used to measure fair value into three broad levels:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 • FAIR VALUE MEASUREMENTS (continued)

The following table presents assets that are measured at fair value on a recurring basis at December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,027,592	$ -	$ -	$ 6,027,592
Total investments at fair value	$ 6,027,592	$ -	$ -	$ 6,027,592

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,051,195	$ -	$ -	$ 5,051,195
Total investments at fair value	$ 5,051,195	$ -	$ -	$ 5,051,195

NOTE 4 • INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and cash and cash equivalents held at December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the Trustee of the Plan).

NOTE 5 • PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or an employee association or relatives of such persons.

NOTE 5 • PARTY-IN-INTEREST TRANSACTIONS (continued)

Certain Plan investments are invested in mutual funds and investment contracts managed by Fidelity Management Trust Company, Trustee of the Plan. Such investments involving the Trustee qualify as party-in-interest transactions.

The Huntington Bank serves as advisor for the Plan and, therefore, is also considered a party-in-interest. Additionally, the Company is a party-in-interest to the Plan; however, there were no transactions with the Company other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

NOTE 6 • INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

There were no uncertain tax positions identified related to the current year and the Plan has no unrecognized tax benefits at December 31, 2025 and 2024, for which liabilities have been established. The Plan recognizes interest and penalties, if any, related to unrecognized tax benefits as a component of income tax expense.

NOTE 7 • NON-EXEMPT TRANSACTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15th business day of the month following the month in which the participant contributions are withheld by the employer. Contributions of $8,982, $87,444, and $326,552 were not remitted within the required time period for the years ended December 31, 2025, 2024 and 2023, respectively. The Plan has completed the process to correct the matters relating to 2024 and 2023 through the Voluntary Fiduciary Correction Program (VFCP) and made the participant accounts whole during 2026. The Plan has started the process to correct the matters related to 2025 through the VFCP.

NOTE 8 • SECURE 2.0 ACT

On December 29, 2022, the Securing a Strong Retirement Act of 2022 ("SECURE 2.0") was signed into law. Secure 2.0 has key effective dates which vary by provision. The plan has adopted and implemented all mandatory provisions to date with other provisions to be phased in over the next few years in accordance with applicable law and IRS guidance. Written amendments to the Plan to reflect these operational changes will be adopted at a later date.

NOTE 9 • RECONCILIATION TO FORM 5500

The following is a reconciliation of net appreciation in fair value of assets, benefits paid to participants and corrective distributions per the financial statements at December 31, 2025 and 2024, to Form 5500:

Other	721	1
Interest and dividend income per U.S. Form 5500	$ 405,315	$ 155,630

NOTE 10 • NONCOMPLIANCE WITH LAWS AND REGUALTIONS

The Plan's payroll process did not consistently calculate employee elective deferrals in accordance with participants' elections and the Plan's provisions. As a result, certain amounts withheld from employees' compensation and contributed to the Plan were incorrect. The Plan Sponsor is working with the Plan's third-party administrator to identify affected participants, determine the amounts requiring correction, and implement procedures to ensure that future deferrals are calculated accurately.

The Plan also maintained an accumulated forfeiture balance that was not applied to reduce the amount of employer contributions. Accordingly, the Plan was not operated in accordance with its governing provisions regarding the use of forfeitures. The Plan Sponsor is working with the Plan's third-party administrator to determine the appropriate use of the accumulated balance and implement procedures for applying future forfeitures in accordance with the Plan document.
