**INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees of
SEI-Group 401(k) Plan and Trust

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the SEI-Group 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the SEI-Group 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

## Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section –

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SEI-Group 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SEI-Group 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SEI-Group 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SEI-Group 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participants direct the investment of their contributions into various investment options offered by the Plan. SEI-Group may contribute to the Plan an amount of matching contributions determined by SEI-Group in its sole discretion. For the year ended December 31, 2025, SEI-Group made matching contributions equal to 50% of employee contributions up to 6% of employee compensation, resulting in a maximum match of 3% of employee compensation. Additional profit sharing amounts may be contributed at the option of SEI-Group's Board of Trustees.

*Participant Accounts:*

Each participant's account is credited with the participant's contributions and SEI-Group's matching contributions, and allocations of SEI-Group's profit sharing contributions and Plan earnings, and charged with withdrawals, administrative expenses, and an allocation of Plan losses. Allocations are based upon participant's earnings, deferrals, or account balances, as defined. Participants may choose to invest their accounts in one or more funds established by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting:*

Participants are immediately 100% vested in their voluntary contributions plus actual earnings thereon. Vesting in SEI-Group's contributions is based on years of continuous service. A participant is 100% vested after six years of credited service. There is no vesting until after the completion of two years of service. Participants become 100% vested in SEI-Group's contributions upon reaching normal retirement age, disability or death.

## NOTE 1 – DESCRIPTION OF PLAN (Continued)

*Notes Receivable from Participants:*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans under $2,000 are repaid within a period of 5 years. All other loans are to be repaid within 5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear a fixed rate of interest at the New York prime rate reported in the Wall Street Journal on the 14th of each month, plus 1%. Principal and interest is paid ratably through monthly payroll deductions.

*Forfeitures:*

Forfeitures of terminated participants' non-vested accounts are used to pay administrative expenses and offset employer nonelective contributions. In 2025, the plan did not utilize forfeitures to pay administrative expenses. At December 31, 2025, forfeited non-vested accounts totaled $12,375.

*Payment of Benefits:*

Upon termination of service due to death, disability, or retirement, an eligible participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account, a direct rollover of Plan benefits to the participant's individual retirement arrangement or to another employer plan, or may receive annual installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in the participant's account as a lump-sum distribution.

*Entities Under Common Control:*

Southern Erectors, Inc. is a member of a controlled group, as defined in Internal Revenue Code Section 414(b), with Southern Environmental, Inc. Consequently, Southern Erectors, Inc. and Southern Environmental, Inc. must be treated as one employer when applying the participation and discrimination rules.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting:*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates:*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

*Investment Valuation and Income Recognition:*

The Plan's investments are reported at fair value. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are accounted for on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Notes Receivable from Participants:*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan. Interest income on notes receivable from participants is recorded when it is earned.

*Excess Contributions:*

Excess contributions are distributed to the participants and employer no later than 2½ months after the end of the Plan year to satisfy the relevant nondiscrimination provisions of the Plan.

*Payment of Benefits:*

Benefits are recorded when paid.

*Administrative Expenses:*

Administrative expenses are shared by the Plan and SEI-Group.

## NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, Fair Value Measurements, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of relevant observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for financial instruments measured at fair value:

*Pooled separate accounts:* Valued at the NAV as reported by the investment manager of the fund.

The following table presents the financial instruments carried at fair value:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Pooled separate accounts | $ 16,753,281 | $ - | $ - | $ 16,753,281 |

## NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A) ("John Hancock"). John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

## NOTE 5 – INCOME TAX STATUS

The Plan uses a pre-approved plan document provided by FIS Business Systems, LLC, which received an opinion letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, which states that it satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The pre-approved plan document has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

## NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, SEI-Group has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. A complete discontinuance of SEI-Group's contributions to the Plan shall constitute a termination. Upon any termination (full or partial) or complete discontinuance of contributions, all amounts credited to the affected participants' accounts shall become 100% vested.

## NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## NOTE 8 – CERTIFIED INVESTMENT INFORMATION
