Independent Auditor's Report

To the Plan Administrator and Trustees
United Indian Health Services 403(B) Plan
Arcata, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of the United Indian Health Services 403(B) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103 (a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the United Indian Health Services Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 2 to the financial statements, the United Indian Health Services 403(B) Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for the 403(B) Plans*.

The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and related income and distributions are not determinable. Accounting principles generally accepted in the United State of America (U.S. GAAP) require that these accounts and related income and distributions be included in the accompanying financial statements.

Other Matter – Prior Period Financial Statements

The statement of net assets available for benefits of the Plan as of December 31, 2024, was audited by other auditors, who did not express an opinion on that financial statement dated October 13, 2025.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(B) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintain a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

NOTES TO THE FINANCIAL STATEMENTS

UNITED INDIAN HEALTH SERVICES 403(B) PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of United Indian Health Services 403(b) Plan, (the "Plan") provides only general information. Participants should refer to the Plan Document, as amended for a more complete description of the Plan's provisions.

A. General

The Plan is a participant-directed defined contribution plan established for a not-for-profit organization, commonly known as a code section 403(b) savings plan. United Indian Health Services, Inc. (the "Plan Sponsor") is the plan sponsor and is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and/or all or part of their account balances among the Plan's investment alternatives. All investment is participant-directed.

B. Contributions

An employee is eligible to participate in the Plan beginning on the date of employment. Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan Document, not to exceed annual limits set by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants are eligible to receive discretionary employer matching contributions beginning on the first day of the month that coincides with, or immediately follows, the completion of six months of service and reaching age 18 or older.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations. The limits are as follows:

	2025	2024
Dollar Limit on Elective Deferred Contributiions	$ 23,500	$ 23,000
Dollar Limit on Catch-up Contributions	7,500	7,500
Dollar Limit on Defined Contribution Limits	70,000	69,000
Maximum Covered Compensation	350,000	345,000

C. Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of net plan earnings or losses. Participants may also rollover funds into the Plan from other qualified or 403(b) plans. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants select the allocation of investment funds to be applied to contributions credited to their account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

D. Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions into various investment options offered by the Plan, subject to the investment policy established by the Plan Administrator.

E. Refundable Contributions

The Plan completes a non-discrimination test pursuant to IRS regulations on an annual basis. Excess contributions determined as a result of this test, if any, are netted against the participant contributions in the Statement of Changes in Net Assets Available for Benefits. For the years ended December 31, 2025, and 2024, the Plan passed the non-discrimination test.

F. Vesting

Participants are immediately vested in all contributions, plus actual earnings thereon.

G. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59½.

Effective January 1, 2020, the new IRS hardship distribution regulations were implemented to allow participants to have access to earnings on the deferral portion of their account, to include federal disasters as a hardship category, to eliminate the suspension period subsequent to receiving a hardship distribution, and to eliminate the requirement to exhaust plan loans.

H. Rollover Distributions

Terminated employees or retirees may elect to transfer the amounts in their individual participant accounts to other plans qualified by the Plan and are recorded when paid.

I. Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified or 403(b) plans.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). Contributions to the Plan are recognized when they have been earned by the Plan participants, and expenses are recognized when they are incurred.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Scope Limitation – Pre-2009 Contracts

In 2008, the Plan changed from an annuity contract with American Funds to an investment contract with the Hartford Life Insurance Company. Massachusetts Mutual Life Insurance Company acquired Hartford Retirement Plans Group business effective January 1, 2013. At the time of the transfer in 2008, American Funds retained certain assets instead of transferring them to Hartford as the new custodian of the Plan because, under American Funds interpretation, these funds were non-ERISA assets. Thus, American Funds was required to retain them by law.

The Department of Labor issued Field Assistance Bulletin No. 2009-2 for administrators of 403(b) Plans, such that the Plan need not treat annuity contracts as part of an ERISA plan if (i) the contract was issued to current or a former employee before January 1, 2009; (ii) the Plan Sponsor ceased to have any obligation to make contributions to the contract before January 1, 2009; (iii) all of the rights and benefits under the contract are legally enforceable against the insurer by the individual owner of the contract; and (iv) the individual owner of the contract is fully vested in the contract. Any remaining American Funds annuity contract holder is fully vested in the contract.

Any remaining American Funds annuity accounts for individuals who were participants in the Plan meet all four conditions. Accordingly, those annuity contracts need not be treated as Plan assets. The contracts are thus not included in the audit of the Plan. Although the DOL permits excluding certain contracts, this treatment is a departure from U.S. GAAP, as reported in the auditor's report.

C. Use of Estimates

The preparation of the Plan’s financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts (FBRICs). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s administrator determines the Plan’s valuation policies utilizing information provided by the investment advisors, trustees, and insurance companies. Refer to note 4 for discussion of fair value measurements. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Investment contracts are valued at fair value, which is determined by the trustee.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

Management fees and operating expenses charged to the Plan for investment in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Receivables

Receivables from participants are determined based on the outstanding amounts owed by participants to the Plan but have not yet been paid. As of December 31, 2025, and 2024, the Plan has employer and participant's contributions receivable amounting to $93,135 and $92,142 respectively.

F. Forfeited Accounts

During the years ended December 31, 2025, and 2024, the total forfeited non-vested accounts amounted to $505 and $1,228, respectively. The total forfeited non-vested accounts were used to reduce employer contribution payments.

G. Contributions

Participant contributions and related employer contributions are recognized in the period during which the employer makes the respective payroll deduction from the participant’s earnings.

H. Rollover Contributions

Participants may elect to rollover amounts from other qualified plans or individual retirement accounts into the Plan, provided that certain conditions are met. As of December 31, 2025, and 2024, the Plan had participant rollovers amounting to $56,906 and $373,430, respectively.

I. Distributions

Distributions are recorded when paid. Total distributions for the years ended December 31, 2025, and 2024 amounted to $2,326,163 and $1,163,055, respectively.

J. Administrative Expenses

Certain expenses for maintaining the Plan are paid by the Plan unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to participant-initiated transactions are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Certain Plan service providers receive revenue sharing from the Plan’s investment issuers to offset their administration costs. Total Plan expenses for the years ended December 31, 2025, and 2024 amounted to $3,235 and $2,933, respectively.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reposting and Disclosure under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, a qualified institution, have certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule are complete and accurate:

- Investments as reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025, and 2024.
- Net appreciation in fair value of investments and dividend/interest income is reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.
- Investment amounts included in the Notes to Financial Statements.
- All investment information included in the supplemental Schedule H, Line 4(i) Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown in the ERISA required supplemental schedule.

At the request of the Plan Administrator, the Plan’s independent auditors did not perform auditing procedures with respect to this certified investment information except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP, and in the ERISA-required supplemental schedule, including assessing whether the supplemental schedule is in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Internal Revenue Service has determined that the form of the Plan and related trust are designed in accordance with applicable section 403(B) of the IRC. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual Funds: Values at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025, and 2024:

	Assets at Fair Value as of December 31, 2025

The following schedule presents a summary of appreciation/depreciation in fair value and interest/dividend income of each major investment type for the year ended December 31, 2025:

Pooled separate accounts	$ 1,204,948
Insurance company general account	116,807

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (FBRICs)

The Plan invests in an FBRIC with Hartford Life Insurance Company in the form of a guaranteed investment contract (GIC) that invests in traditional investment contracts. Hartford Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Hartford Life Insurance Company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The GIC is carried at contract value. Participants may ordinarily direct the withdrawal transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Hartford Life Insurance Company, including plan termination and other events specified in the GIC. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable to occur. The GIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - RELATED-PARTY TRANSACTION AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC. Empower Annuity Insurance Company of America and Empower Trust Company, LLC are the trustee, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustee for investment management services are included in net appreciation in fair value of investments, as these are paid through revenue sharing rather than a direct payment.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the account balance of each Participant would become fully vested, as prescribed by ERISA and its related regulations, and would be distributed to each Participant according to the provisions of the Plan.

NOTE 8 – TAX STATUS

The Plan Sponsor adopted a volume submitter plan document with the IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

NOTE 10 – ERISA FIDELITY BOND

In accordance with ERISA Section 412, the Plan covers a fidelity bond intended to protect the Plan from the risk of loss due to fraud or dishonesty on the part of persons who handle funds or other property on behalf of the Plan.

NOTE 11 – EVALUATION OF SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 13, 2026, the date on which the financial statements were available to be issued, and has determined that no adjustments are necessary to the amounts reported in the accompanying financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.
