INDEPENDENT AUDITOR'S REPORT

NKSFB, LLC 401(k) Profit Sharing Plan
10960 Wilshire Boulevard, Floor 5
Los Angeles, California 90024

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of NKSFB, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to

be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025 and delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The NKSFB, LLC 401(k) Profit Sharing Plan (the "Plan") is a defined contribution plan that covers the employees NKSFB, LLC (the "Company"). The Plan was effective January 1, 2007. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Joseph J. Press, CPA, P.C., Eric Rosenthal, CPA, P.C., KSFB Management, LLC, Sir Gyatso, LLC, and HJN Management, LLC are participating employers in the Plan. As of November 25, 2024, the Plan was amended to allow G Scharf Enterprises, Inc. to participate in the Plan.

The Plan document includes detailed rules for each situation. Participants and other interested parties should refer to the Plan agreement and any amendments regarding specific provisions of the Plan.

A. Participation

Through March 31, 2024, Company employees are eligible to participate in the Plan after completing three months of service and attaining age 21. As of April 1, 2024, the Plan was amended to require completing six consecutive months of service and attaining age 21 to become eligible to participate in the Plan.

B. Contributions

Participants may defer up to 100% of pre-tax annual compensation, as defined in the Plan, subject to Internal Revenue Code ("Code") limitations. The Plan provides for automatic enrollment of new participants and automatic deferrals at the rate of 4% of compensation. The Plan allows Company matching contributions for eligible participants.

C. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee. Normal retirement age is 65. Financial hardship withdrawals are permitted.

D. Vesting

A participant is fully vested immediately as to elective contributions, rollover contributions, qualified nonelective contributions and earnings thereon at all times. Company non-elective contributions are vested as follows:

Vesting Service (Years)	Vesting Percentage (%)
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Company matching contributions are vested as follows:

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Vesting (Continued)

Vesting Service (Years)	Vesting Percentage (%)
Less than 1	0
1	33
2	67
3	100

E. Notes Receivable from Participants

The Plan allows participants to borrow not less than $1,000 up to the lesser of $50,000 or 50% of their vested account balances. A loan is secured by a participant's vested account balance, bears interest at available market financing rates and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period is fifteen years. The plan administrator establishes the specific terms and conditions of loans to participants. Notes receivable from participants at December 31, 2025 carry interest rates ranging from 2.50% to 8.75%.

F. Forfeitures

Forfeitures may be used to reduce Company contributions. Funds forfeited in 2025 totaled $66,591. As of December 31, 2025 and 2024, respectively, forfeiture balances of $8,901 and $34,830 were included in Plan assets. $133 of forfeitures were used to offset 2025 Plan administrative expenses and $94,910 of forfeitures were used to fund Company contributions.

G. Administrative Expenses

Administrative expenses are paid by the Company, except for investment fees paid by the Plan totaling $278,866 in 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

C. Investment Valuation and Income Recognition

Investments are participant directed. Participants may change their investment options at any time during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Accounting principles establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active market.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Level 1 investments are registered investment companies, money market funds, certificates of deposit, and common stocks valued at their quoted market prices. Although money market funds are highly liquid, the Plan has elected to classify money market funds as investments rather than cash equivalents because the funds represent shares in registered investment companies and are subject to market and liquidity considerations. Accordingly, money market fund holdings are not included in cash and cash equivalents on the statements of net assets available for benefits. Level 3 investments consist of limited partnership interests and private equity valued based on the Schedule K-1 ending capital account balances, which approximate fair value, interests in closely held common stock valued based on private finance agreements and life insurance policies valued based on cash surrender values. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis.

D. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

E. Reclassifications

Certain December 31, 2024 account balances have been reclassified to conform to the December 31, 2025 presentation. The Plan's net assets available for benefits did not change as a result of the reclassification.

NOTE 3 - INCOME TAX STATUS

The Plan is based on a volume submitter profit sharing and retirement savings plan that has received a favorable opinion letter from the Internal Revenue Service stating it is acceptable under Section 401(a) of the Code. The Plan has since been amended. However, the administrator believes that the Plan is currently designed and being operated in compliance with the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more than likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and Plan assets will be distributed based upon the participants' account balances at the time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2025 and 2024 and investment income for the year ended December 31, 2025 that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company, the trustee of the Plan.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are issued or managed by the trustee or its affiliates. Transactions in these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 7 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2025, the Company failed to remit $2,697 of participant contributions within 15 business days after the month in which they were withheld as required by the Department of Labor. Failure to remit or untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations. The Company corrected the delinquent participant contributions of $2,697 in 2026, including making the affected participants whole.

INDEPENDENT AUDITOR'S REPORT

NKSFB, LLC 401(k) Profit Sharing Plan
10960 Wilshire Boulevard, Floor 5
Los Angeles, California 90024

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of NKSFB, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to

be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025 and delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The NKSFB, LLC 401(k) Profit Sharing Plan (the "Plan") is a defined contribution plan that covers the employees NKSFB, LLC (the "Company"). The Plan was effective January 1, 2007. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Joseph J. Press, CPA, P.C., Eric Rosenthal, CPA, P.C., KSFB Management, LLC, Sir Gyatso, LLC, and HJN Management, LLC are participating employers in the Plan. As of November 25, 2024, the Plan was amended to allow G Scharf Enterprises, Inc. to participate in the Plan.

The Plan document includes detailed rules for each situation. Participants and other interested parties should refer to the Plan agreement and any amendments regarding specific provisions of the Plan.

A. Participation

Through March 31, 2024, Company employees are eligible to participate in the Plan after completing three months of service and attaining age 21. As of April 1, 2024, the Plan was amended to require completing six consecutive months of service and attaining age 21 to become eligible to participate in the Plan.

B. Contributions

Participants may defer up to 100% of pre-tax annual compensation, as defined in the Plan, subject to Internal Revenue Code ("Code") limitations. The Plan provides for automatic enrollment of new participants and automatic deferrals at the rate of 4% of compensation. The Plan allows Company matching contributions for eligible participants.

C. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee. Normal retirement age is 65. Financial hardship withdrawals are permitted.

D. Vesting

A participant is fully vested immediately as to elective contributions, rollover contributions, qualified nonelective contributions and earnings thereon at all times. Company non-elective contributions are vested as follows:

Vesting Service (Years)	Vesting Percentage (%)
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Company matching contributions are vested as follows:

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

D. Vesting (Continued)

Vesting Service (Years)	Vesting Percentage (%)
Less than 1	0
1	33
2	67
3	100

E. Notes Receivable from Participants

The Plan allows participants to borrow not less than $1,000 up to the lesser of $50,000 or 50% of their vested account balances. A loan is secured by a participant's vested account balance, bears interest at available market financing rates and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period is fifteen years. The plan administrator establishes the specific terms and conditions of loans to participants. Notes receivable from participants at December 31, 2025 carry interest rates ranging from 2.50% to 8.75%.

F. Forfeitures

Forfeitures may be used to reduce Company contributions. Funds forfeited in 2025 totaled $66,591. As of December 31, 2025 and 2024, respectively, forfeiture balances of $8,901 and $34,830 were included in Plan assets. $133 of forfeitures were used to offset 2025 Plan administrative expenses and $94,910 of forfeitures were used to fund Company contributions.

G. Administrative Expenses

Administrative expenses are paid by the Company, except for investment fees paid by the Plan totaling $278,866 in 2025.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

C. Investment Valuation and Income Recognition

Investments are participant directed. Participants may change their investment options at any time during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Accounting principles establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active market.

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments based on the inputs used to value them:

	December 31, 2025			
	Level 1	Level 2	Level 3	Total
Money Market Funds and CDs	$ 5,002,363	$ -	$ -	$ 5,002,363

	$ 83,631,873	$ -	$ 17,166,024	$ 100,797,897

The following table reconciles the beginning and ending fair value of the Plan's Level 3 investments:

	Life Insurance Policies	Limited Partnerships	Closely Held Equity Investments

Balance, December 31, 2025	$ 217,092	$ 25,881,843	$ 2,554,317

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Level 1 investments are registered investment companies, money market funds, certificates of deposit, and common stocks valued at their quoted market prices. Although money market funds are highly liquid, the Plan has elected to classify money market funds as investments rather than cash equivalents because the funds represent shares in registered investment companies and are subject to market and liquidity considerations. Accordingly, money market fund holdings are not included in cash and cash equivalents on the statements of net assets available for benefits. Level 3 investments consist of limited partnership interests and private equity valued based on the Schedule K-1 ending capital account balances, which approximate fair value, interests in closely held common stock valued based on private finance agreements and life insurance policies valued based on cash surrender values. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis.

D. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

E. Reclassifications

Certain December 31, 2024 account balances have been reclassified to conform to the December 31, 2025 presentation. The Plan's net assets available for benefits did not change as a result of the reclassification.

NOTE 3 - INCOME TAX STATUS

The Plan is based on a volume submitter profit sharing and retirement savings plan that has received a favorable opinion letter from the Internal Revenue Service stating it is acceptable under Section 401(a) of the Code. The Plan has since been amended. However, the administrator believes that the Plan is currently designed and being operated in compliance with the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more than likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and Plan assets will be distributed based upon the participants' account balances at the time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2025 and 2024 and investment income for the year ended December 31, 2025 that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company, the trustee of the Plan.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are issued or managed by the trustee or its affiliates. Transactions in these investments, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 7 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2025, the Company failed to remit $2,697 of participant contributions within 15 business days after the month in which they were withheld as required by the Department of Labor. Failure to remit or untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations.
