To the Plan Administrator
Avalon HR 401(k) Plan
Pensacola, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of the Avalon HR 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (2025 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the period from November 1, 2025 through December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the A*uditor's Responsibilities for the Audit of the 2025 Financial Statements* section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying 2025 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, Management is also responsible for administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements for the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based of the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary schedules of assets held at end of year as of December 31, 2025 and the schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified information in the supplementary schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

We have audited the 2024 financial statements, and in our report dated October 2, 2025, we expressed an unmodified opinion on those 2024 financial statements.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Avalon HR 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's summary description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of participating clients of Avalon HR, LLC, the plan sponsor, and Avalon HR 2, LLC, a related party. The Plan qualifies as a multiple employer plan as described in Section 413(c) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and is administered by the plan sponsor.

Eligibility

All employees who are 21 years of age, work for a participating client, and fulfill the participating client's service requirement are eligible to participate in the Plan. Participating clients may select from the following service requirements: (1) one year of service (1,000 hours of service in a consecutive 12-month period), (2) one to 11 months of service or (3) immediate eligibility. Additionally, a participating client may elect to waive the age and service eligibility requirements for individuals who are performing services for a participating client as of a specified date or may elect an age requirement less than 21 years of age. Entry into the Plan occurs based on the provisions of the participating client's agreement. Beginning in 2024, new clients adopting the Plan are provided with the option of choosing auto-enrollment whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate.

Contributions

Each year, participants may contribute up to the maximum allowable by law of pretax annual compensation, as defined in the Plan. Participants who have obtained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make Roth deferral contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contribution into various investments offered by the Plan which include, but are not limited to, pre-allocated portfolio options.

Participating clients adopt one of several available options ranging from no participation to mandatory match based on the participant's compensation for the plan year. Participating clients may also elect to make discretionary profit-sharing contributions.

Each participant's account is credited with the participant's contributions, rollovers, allocations of the participating client's contributions on behalf of the participant, and investment earnings on the participant's account. Allocation of investment earnings is based on daily valuations of participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. Participants are charged with out-of-pocket costs associated with the loans. The loans are secured by the balances in the participants' accounts and bear interest at a rate established by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their salary deferred contributions, rollover contributions plus actual earnings therein. Vesting of participating client contributions is based on years of service beginning with the participant's day of hire.

The standard vesting schedule is as follows:

Completed Years of Service	Vesting Percentage
less than 2	0%
2	20
3	40
4	60
5	80
6 or more	100

However, based upon the agreements of mergers with other plans, the vested schedule may vary among participating clients. Participants associated with safe harbor provisions have immediate vesting.

A year of service is defined as a plan year in which a participant is credited with 1,000 hours of service. A participant is fully vested in all of his or her account under the Plan upon reaching the Plan's normal retirement age, disability, or death.

Payment of Benefits

Participants are eligible to receive distributions of benefits at the age of 65 or upon death, disability, or termination of employment as defined under the Plan. After age 59½, participants may elect to take distributions from any accounts that are 100% vested without being required to terminate employment. Participants entitled to receive a distribution of benefits shall be paid in a lump-sum payment. Hardship distributions are permitted by the Plan.

Transfers

Transfers into the Plan represent participant accounts related to new participating clients coming into the Plan and transfers out of the Plan represent monies related to participant accounts whose participating client are leaving the Plan.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

Non-vested forfeiture accounts may be used to reduce any future employer contributions. The balance in the forfeitures account was $20,741 and $11,604 at December 31, 2025 and 2024, respectively. No forfeitures were used during the year ended December 31, 2025, to reduce employer contributions.

Plan Termination

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the Plan subject to the provisions of ERISA. Upon termination all participants will become 100% vested in all amounts credited to their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The Plan's financial statements are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as those held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the plan sponsor. Expenses that are paid by the plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value investments.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to as complete and accurate by Mid Atlantic Trust Company, the custodian of the Plan as of December 31, 2025 and for the period November 1, 2025 through December 31, 2025:

Investments	$ 8,162,867
Investment income:	
Net depreciation in fair value of investments	(319,998)
Interest and dividends	347,611

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement.* FASB ASC 820 established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
Level 2 - consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3 - consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The Plan used appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The Plan's investments at fair value within the fair value hierarchy by level were classified as follows as of December 31, 2025 and 2024:

December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 8,174,865	$ -	$ -	$ 8,174,865
December 31, 2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 9,736,671	$ -	$ -	$ 9,736,671

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include mutual funds managed by Fidelity Brokerage Services LLC (Fidelity). Fidelity was the custodian as defined by the Plan through October 2025 and, therefore, transactions in the mutual funds managed by Fidelity through October 2025 qualified as party-in-interest transactions. In addition, all notes receivable from participants and activity therein are considered to be balances and transactions with parties-in-interest.

NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

Effective January 1, 2022, the Plan was restated through the adoption of a pre-approved plan document provided by Slavic Integrated Administration, Inc. (Slavic). Slavic received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the pre-approved plan document satisfied the applicable provisions of the IRC. The Plan itself has been amended since receiving the opinion letter. However, the plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2022 through December 31, 2025, the years that remain subject to examination by major tax jurisdictions as of December 31, 2025.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2025, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled $4,016,118.

NOTE 8 – PROHIBITED TRANSACTIONS

During 2025 and 2024, the plan sponsor failed to remit all employee contributions to the Plan on a timely basis, which is a prohibited transaction under ERISA. The plan sponsor is in the process of calculating the lost earnings to the participants and will contribute that amount to the Plan in order to correct the prohibited transactions.

NOTE 9 – SUBSEQUENT EVENTS

The plan administrator has evaluated events and transactions subsequent to December 31, 2025, through October 1, 2026 (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure.
