We elected to have the audit of MyFuture 401(k) Retirement Savings Plan (the Plan) performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We understand that, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have obtained certifications as of December 31, 2025 and 2024 and for the year ended December 31, 2025 from Fidelity Management Trust Company, stating that the investment information provided to us is complete and accurate. We have determined that the entity that prepared and certified the investment information is a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with modified cash basis accounting. We have also determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. For any investment information that was inappropriately certified or excluded from the certification, we instructed you to consider this information when planning and performing your audit procedures or we obtained a revised certification.

We understand that our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the preparation and fair presentation of the financial statements (including disclosures) in accordance with modified cash basis accounting.

In connection with your audits of the statements of net assets available for benefits, statement of changes in net assets available for benefits and supplemental schedules of the Plan, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, and the related notes to the financial statements (collectively referred to hereafter as the "financial statements"), we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion on whether (a) the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with

Docusign Envelope ID: 7A65CFF8-DE7B-814D-82CB-85785AE7329C

modified cash basis of accounting and (b) the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that we determined meets the requirements of ERISA Section 103(a)(3)(C).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief:

Management's responsibilities

We have fulfilled our responsibilities, as set forth in the terms of the audit engagement agreement dated February 17, 2026 for the preparation and fair presentation of the financial statements in accordance with modified cash basis accounting applied on a basis consistent with that of the preceding periods.

We are responsible for the preparation and fair presentation of the supplemental schedules required by the Employee Retirement Income Security Act of 1974 (ERISA) (ERISA-required schedules), including the form and content, in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required schedules are fairly stated in all material respects, and the form and content are presented in conformity with the DOL's Rules and Regulations under ERISA. The ERISA-required schedules comply, in all material respects, with the DOL's Rules and Regulations under ERISA. There have been no changes in the methods of measurement or presentation from those used in the prior period. There are no significant assumptions or interpretations underlying the measurement or presentation of the information.

We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

We also acknowledge our responsibility for the design, implementation and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

We have provided you with:

- Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters. This responsibility includes identifying the use of new technologies or techniques in preparing such information (e.g., the use of generative artificial intelligence), and additional details you may require regarding the use of any such technologies and techniques in order to perform your audit procedures.
- Additional information that you have requested from us for the purpose of the audit
- Unrestricted access to persons within the entity from whom you determined it necessary to obtain evidence

Docusign Envelope ID: 7A65CFF8-DE7B-814D-82CB-85785AE7329C

- A draft of the Plan's current period Form 5500 that is substantially complete

We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities. In addition, we have no knowledge of any matters affecting the company that sponsors the Plan (the Plan Sponsor) that could be significant to the Plan.

There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements.

From October 9, 2025 through the date of this letter we have disclosed to you, to the extent that we are aware, any (1) unauthorized access to our information technology systems that either occurred or is reasonably likely to have occurred, including reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material effect on the financial statements, in each case or in the aggregate, and (2) ransomware attacks when we paid or are contemplating paying a ransom, regardless of the amount.

Uncorrected misstatements

There are no uncorrected misstatements (including the effects of correcting or reversing prior period uncorrected misstatements), or uncorrected misstatements in disclosures relating to the current period financial statements

Internal control

We are not aware of any significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting.

There have been no significant changes in internal control since the latest statement of net assets available for benefits date.

Plan document and benefits

We have provided you the most current executed plan document and all amendments, including amendments to comply with applicable laws, if any, as follows:

- Pre-approved Defined Contribution Plan Adoption Agreement No. 001 (for use with Fidelity Basic Plan Doc. No. 17, as amended), executed March 29, 2022
- Amendment to Adoption Agreement, executed June 22, 2022
- Amendment to Adoption Agreement, executed March 2, 2023
- Amendment to Adoption Agreement, executed June 20, 2023
- Amendment to Adoption Agreement, executed December 18, 2023
- Amendment to Adoption Agreement, executed December 18, 2024
- Participation Agreement, executed December 18, 2024

The Plan has adopted provisions from the Setting Every Community Up for Retirement Enhancement (SECURE) Act or the Coronavirus Aid, Relief, and Economic Security (CARES) Act and intends to amend the plan document by December 31, 2026.

Docusign Envelope ID: 7A65CFF8-DE7B-814D-82CB-85785AE7329C

We have disclosed to you all significant pension benefits promised and have made available to you all significant summary plan descriptions, benefit communications and all other relevant information, including plan changes that constitute the Plan.

Minutes and contracts

The dates of meetings of plan committees January 1, 2025 through the date of this letter, are included in Appendix A.

We have made available to you all minutes of the meetings of plan committees, or summaries of actions of recent meetings for which minutes have not yet been prepared.

We also have made available to you all significant agreements and contracts, including amendments, and have communicated to you all significant oral agreements. We have complied with all aspects of contractual agreements, including employee benefits-related contracts that have a material effect on the financial statements. We have not breached our fiduciary responsibilities.

Methods, significant assumptions, and data used in making accounting estimates

The appropriateness of the methods, the consistency in application, the accuracy and completeness of data, and the reasonableness of significant assumptions used by us in developing accounting estimates and related disclosures, including fair value measurements, are reasonable and supportable.

Risks and uncertainties

There are no risks and uncertainties related to significant estimates or current vulnerabilities due to material concentrations that have not been disclosed in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 275, *Risks and Uncertainties.*

Ownership and pledging of assets

No security agreements have been executed under the provisions of the Uniform Commercial Code, and there are no liens or encumbrances on assets, nor has any asset been pledged. All assets to which the Plan or its related trust has satisfactory title appear on the statements of net assets available for benefits.

Commitments

There were no agreements or commitments to repurchase assets previously sold. There were no material commitments outstanding at December 31, 2025 and 2024 as a result of being a party to futures or forwards contracts, short sales or hedge transactions.

Fair value measurements

We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation techniques have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in ASC 820.

Docusign Envelope ID: 7A65CFF8-DE7B-814D-82CB-85785AE7329C

We have evaluated the fair value information provided to us by brokers, pricing services or other parties that has been used in the financial statements and believe this information to be reliable and consistent with the requirements of ASC 820.

Related party relationships and transactions

We have made available to you the names of all related parties and all relationships and transactions with related parties.

Transactions with related parties, as defined in ASC 850, *Related Party Disclosures*, and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration have been properly recorded and disclosed in the financial statements, and information concerning these transactions and amounts has been made available to you.

Side agreements and other arrangements

There have been no side agreements or other arrangements (either written or oral) that have not been disclosed to you.

Transactions with parties in interest

There have been no transactions with parties in interest, as defined in ERISA section 3(14), and related regulations, that were not disclosed in the financial statements.

Contingencies and other liabilities

There are no unasserted claims or assessments, including those our lawyers have advised us of, that are probable of assertion and must be disclosed in accordance with ASC 450-20, *Contingencies – Loss Contingencies.*

There have been no violations or possible violations of laws or regulations in any jurisdiction whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

There have been no internal investigations or communications from regulatory agencies or government representatives in any jurisdiction concerning investigations or allegations of noncompliance with laws or regulations, noncompliance with or deficiencies in financial reporting practices, or other matters that could affect the financial statements.

There are no other liabilities considered material, individually or in the aggregate, that are required to be accrued or disclosed. There are also no other gain or loss contingencies considered material, individually or in the aggregate, that are required to be accrued or disclosed by ASC 450, *Contingencies* nor are there any accruals for loss contingencies or gain contingencies included in the financial statements that are not in conformity with the provisions of ASC 450.

We have not consulted legal counsel concerning litigation, claims or assessments.

Oral or written guarantees

There are no oral or written guarantees including guarantees of the debt of others.

Docusign Envelope ID: 7A65CFF8-DE7B-814D-82CB-85785AE7329C

Non-compliance with laws and regulations, including fraud

We acknowledge that we are responsible to determine that the activities of the Plan are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws or regulations, including fraud.

We acknowledge our responsibility for the design, implementation and maintenance of internal controls to prevent and detect fraud.

We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

We have disclosed to you all known actual or suspected noncompliance with laws and regulations whose effects should be considered when preparing the financial statements.

We have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the internal control over financial reporting of the Plan. In addition, we have no knowledge of any fraud or suspected fraud involving other employees where the fraud could have a material effect on the financial statements. We have no knowledge of any allegations of financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by "whistle-blowers") that could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Plan.

Independence

We have communicated to you the names of all the Plan's affiliates, as defined in the AICPA Code of Professional Conduct, and officers and directors who serve in such capacity for the Plan.

We are not aware of any business relationship between the Plan or the Plan Sponsor and Ernst & Young LLP or any other member firm of the global Ernst & Young organization (any of which, an "EY Firm") other than one pursuant to which an EY Firm performs professional services.

We are not aware of any reason that Ernst & Young LLP would not be independent for purposes of the Plan's audit.

Conflicts of interest

There are no instances where any officer or employee of the Plan Sponsor has an interest in a company with which the Plan does business that would be considered a "conflict of interest." Such an interest would be contrary to the policies of the Plan and the Plan Sponsor.

Participant data

There were no material omissions from the participant data provided to the Plan's recordkeeper for the purpose of determining the allocations to individual accounts used in the preparation of the financial statements.

Tax-qualified status

We recognize that the audit procedures performed did not encompass all procedures necessary to determine the tax-qualified status of the Plan, nor the tax consequences of the Plan Sponsor or participants. We are aware of certain operational issues that, if not properly corrected, could affect the tax-qualified status of the Plan and its related trust. We intend to timely correct these

Docusign Envelope ID: 7A65CFF8-DE7B-814D-82CB-85785AE7329C

issues using one of the programs in the IRS Employee Plans Compliance Resolution System (e.g., voluntary compliance program, self-correction program, audit closing agreement program). Accordingly, we believe that the Plan will retain its tax-qualified status and the related trust will remain tax-exempt.

We have chosen to rely on the current Internal Revenue Service (IRS) opinion letter issued on behalf of the pre-approved plan that we have adopted. We have reviewed the current IRS opinion letter for the pre-approved plan, the timing of the opinion letter and the fact pattern related to the history of our Plan and we have determined, in accordance with the most current IRS Revenue Procedures governing pre-approved plans that we are eligible to rely on the pre-approved plan opinion letter. We understand that this opinion letter does not cover some of the key requirements of the Internal Revenue Code covering tax-qualified plans.

Other plan matters

There have been no prohibited transactions (as defined in ERISA section 406 and regulations under that section) or reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not reported in the financial statements.

We understand that determining whether to pay a particular expense out of plan assets is a fiduciary act governed by ERISA. Administrative expenses paid by the Plan for the periods under audit are considered appropriate plan expenses to pay from plan assets and are not prohibited transactions (as defined in ERISA section 406 and regulations under that section).

We have complied with the regulations relating to service provider disclosures under ERISA section 408(b)(2). We understand that a violation of the 408(b)(2) regulations is a prohibited transaction.

The Plan has filed all reports and made all disclosures required of it under ERISA.

The Plan has complied with the fidelity bonding requirements of ERISA.

Any loans, fixed income obligations or leases that are in default or classified as uncollectible have been presented in the ERISA-required schedules as required by DOL Rules and Regulations under ERISA.

There is no present intention to terminate the Plan.

The Plan has complied with DOL regulations concerning the timely remittance of participant contributions and loan repayments to the trust containing assets for the Plan other than as presented in the applicable ERISA-required schedule.

Subsequent events

Subsequent to the December 31, 2025, no events or transactions have occurred or are pending that would have a material effect on the financial statements at that date or for the period then ended, or that are of such significance in relation to the Plan’s affairs to require mention in a note to the financial statements in order to make them not misleading regarding the net assets available for benefits or the changes in net assets available for benefits of the Plan.

Summary

We understand that your audit was conducted in accordance with auditing standards generally accepted in the United States of America as established by the American Institute of Certified Public Accountants and was, therefore, designed primarily for the purpose of expressing an opinion on the financial statements of the Plan, and that your tests of the accounting records and other auditing procedures were limited to those that you considered necessary for that purpose.

Very truly yours,

Report of Independent Auditors

Board of Directors
MyFuture 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MyFuture 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all

A member firm of Ernst & Young Global Limited

material respects, in accordance with the modified cash basis of accounting described in Note 2.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Modified Cash Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management also is responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions,

A member firm of Ernst & Young Global Limited

including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

A member firm of Ernst & Young Global Limited

Shape the future
with confidence

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules (modified cash basis) of assets (held at year end) as of December 31, 2025, and delinquent participant contributions for the year then ended (referred to as the "supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A member firm of Ernst & Young Global Limited

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MyFuture 401(k) Retirement Savings Plan

Notes to Financial Statements
(Modified Cash Basis)

December 31, 2025

1. Description of Plan

The following description of the MyFuture 401(k) Retirement Savings Plan (the Plan) provides general information about the Plan's provisions. Cottage Health (the Company) is the plan sponsor. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is a defined contribution 401(k) plan benefiting employees of Cottage Health, Santa Barbara Cottage Hospital, Goleta Valley Cottage Hospital, Santa Ynez Valley Cottage Hospital, Pacific Diagnostic Laboratories, LLC (PDL), Cottage Clinical Network, LLC, Cottage Clinical Associates, and effective December 15, 2024 Cottage Medical Foundation (collectively known as Cottage). Eligible employees are automatically enrolled upon employment and eligible for employer matching contributions upon meeting the 1,000 hour service requirement in one year. Employees hired before September 1, 2019 who made the irrevocable election to participate in the Cottage Health 403(b) Retirement Savings Plan are not eligible to participate in the Plan.

The Cottage Health Finance Committee (the Committee) is responsible for the general administration of the Plan. Fidelity Workplace Services LLC (Fidelity Workplace) is the recordkeeper and Fidelity Management Trust Company (Fidelity) is the trustee for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). If automatically enrolled, a participant's deferral is set at 3% of eligible compensation until changed by the participant. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. The Company contributes a matching contribution of 100% of the first 1% and 50% of the next 5% of compensation that a participant contributes to the Plan. All contributions are subject to certain limitations of the Internal Revenue Code (the Code).

1. Description of Plan (continued)

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. Participants who are automatically enrolled have their contributions invested in the applicable lifecycle fund based on their age until they change their election. The Company's contributions are invested in the same manner as that of the participant's elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Schedule

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. A participant is 100% vested after two years of credited service.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' non-vested accounts may be used to pay administrative expenses. Any remaining amounts may be used to reduce future Company contributions.

Unallocated forfeited balances as of December 31, 2025 and 2024, were $21,359 and $93,223, respectively. Unallocated assets balance as of December 31, 2025 and 2024, was $116,049 and $105,212, respectively, with a result of $10,837 net investment gains during 2025 which may be used by the Plan for future administrative expenses.

1. Description of Plan (continued)

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their total vested account balance reduced by the highest outstanding loan balance in their account during the prior twelve month period. Participant loans have a term of up to five years, unless the loan is to be used to purchase the participant's principal residence, in which case the term may extend up to 15 years. The loans are secured by up to 50% of the balance in the participant's account and bear interest at a fixed rate based on prevailing interest rates for similar loans. Principal and interest are paid through payroll deductions. If a participant terminates employment with the Company, they may continue to repay the loan through electronic loan repayment (ACH).

Loans not repaid within their stated period are treated as taxable distributions to the participant. A loan is considered in default if any scheduled payment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which the loan was initially considered past due. In the event of a default, the entire outstanding balance and accrued interest shall be immediately due and payable. Loan default is a taxable event and may restrict future loan availability from the participant account.

Payment of Benefits

Upon separation from service with the Company due to death, disability, retirement, or termination, a participant whose vested account balance exceeds $5,000 may elect to receive either a lump-sum or may elect installment payments. A participant whose vested account balance is $1,000 or less will automatically receive an immediate lump-sum distribution equal to their vested account balance. If the vested account balance exceeds $1,000 but is $5,000 or less, it will be distributed into an Individual Retirement Account (IRA) or Annuity chosen by the plan administrator.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

1. Description of Plan (continued)

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

2. Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on a modified cash basis, permitted under the Department of Labor's Rules and Regulations and Disclosure under ERISA. Consequently, investments are stated at fair value, revenues and the related assets are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to, and do not, present assets and the changes in assets in conformity with accounting principles generally accepted in the United States (U.S. GAAP).

Payment of Benefits

Benefits are recorded when paid.

2. Significant Accounting Policies (continued)

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance. Interest income on notes receivable from participants is recorded when it is received. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Use of Estimates

The preparation of the financial statements in conformity with the cash basis of accounting described above requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value, except for a common collective trust which is stated at net asset value (NAV practical expedient). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Investment options available to participants include money market funds, mutual funds, a common collective trust fund, and a self-directed brokerage account feature. Mutual fund options include target date funds that become more conservative closer to the participant's anticipated retirement age. Self-directed brokerage accounts allow participants to select investments outside of the Plan's investment offerings while staying within the Plan.

The stable value fund is a common collective trust fund that is comprised of fully benefit-responsive guaranteed investment contracts. The common collective trust fund is valued using the NAV practical expedient, an estimate of fair value. This NAV practical expedient would not be used if it is determined to be probable that the Plan will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily at NAV. If the Plan initiates a full redemption, the issuer reserves the right to require a 12 to 30 month notification in order to ensure that the liquidation of securities will be carried out in an orderly business manner.

2. Significant Accounting Policies (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments at fair value and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in the fair value of investments, interest and dividends, and interest from notes receivable from participants for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity.

4. Fair Value Measurement

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)

4. Fair Value Measurement (continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Investments held by the Plan primarily include shares of money market funds, mutual funds, and a self-directed brokerage account feature also consisting of shares of money market funds and mutual funds valued based on quoted market prices in an active market. The Plan also holds units of a common collective trust fund valued at NAV as the practical expedient based on the fair value of the underlying investments.

The Plan's assets carried at fair value as of December 31, 2025, are classified in the table below in one of the three categories described above or held at NAV:

	Level 1	NAV	Total
Money market funds	**$ 26,137**	**$ –**	**$ 26,137**
Mutual funds	**145,623,748**	**–**	**145,623,748**

	$ 147,399,599	**$ 1,975,275**	**$ 149,374,834**

4. Fair Value Measurement (continued)

The Plan's assets carried at fair value as of December 31, 2024, are classified in the table below in one of the three categories described above or held at NAV:

	Level 1	NAV	Total
Money market funds	$ 16,340	$ –	$ 16,340
Mutual funds	96,538,515	–	96,538,515
Common collective trust fund	–	1,869,102	1,869,102
Self-directed brokerage	1,181,592	–	1,181,592
	$ 97,736,447	$ 1,869,102	$ 99,605,549

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Related-Party and Party-in-Interest Transactions

The Plan holds shares of mutual funds managed by affiliates of Fidelity, the trustee for the Plan. Fidelity Workplace provides administration and recordkeeping services to the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

7. Tax Status

The underlying pre-approved plan has received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying pre-approved document is qualified under Section 401 of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the Code, and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Subsequent Events

Management evaluated subsequent events for the Plan through October 6, 2026, the date the financial statements were available to be issued.
