Independent Auditor's Report

To the Plan Administrator and the Health and Welfare Benefits Committee
Savannah River Nuclear Solutions, LLC Short Term Disability Plan
Aiken, South Carolina

Opinion

We have audited the financial statements of Savannah River Nuclear Solutions, LLC Short Term Disability Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Our use of the terms "our firm" and "we" and "us" and terms of similar import, denote the alternative practice structure conducted by Elliott Davis, LLC and Elliott Davis Advisory, LLC.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Description of the Plan

The following description of the Savannah River Nuclear Solutions, LLC Short Term Disability Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan, which was formed effective January 1, 2024, provides short term disability benefits to eligible employees of Savannah River Nuclear Solutions, LLC ("SRNS"). Standard short term disability benefits are available to eligible employees upon employment, while short term disability buy-up benefits are available upon election. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is sponsored by SRNS (the "Plan Sponsor") and representatives of SRNS administer the Plan. However, the Plan's obligations are funded and settled by the U.S. Department of Energy ("DOE") under the operating budget for SRS.

Eligibility:

Employees of the Plan Sponsor are eligible to participate in the Plan. Open enrollment is conducted annually during October, and all benefits elections are effective on a calendar-year basis, beginning January 1 and ending December 31.

Contributions:

Participants contribute specified amounts based on applicable monthly premiums for their short term disability buy-up elections. Premiums for the buy-up participation are withheld from employees' paychecks or are invoiced monthly to the participants. The Plan Sponsor, on behalf of the DOE, directs contributions to the Plan as needed to fund the standard disability claims and expenses in excess of participant contributions. These contributions are made from the DOE's SRS operating budget ("Plan Sponsor Contributions"). Any deficiency of the Plan's net assets over benefit obligations is funded through Plan Sponsor Contributions on a pay-as-you-go basis.

Benefits:

The standard short term disability benefit provides 100% of a participant's base salary for up to 200 hours, followed by 65% of base salary for the remaining 840 hours within a rolling 12-month period. Benefits commence after the participant has missed 40 consecutive scheduled work hours due to a disability, subject to approval by the Plan Sponsor's Disability Case Manager. Participants may elect to purchase an additional short term disability buy-up option, which provides 100% of their base salary for up to 1,040 hours.

Trust:

The Plan Sponsor, on behalf of and with the approval of DOE, established the SRNS Short Term Disability Plan Trust to receive participant contributions for participation in the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, benefit obligations and changes therein, incurred but not reported eligibility credits, claims payable and disclosure of contingent assets, and liabilities. Actual results could differ from those estimates.

Contributions receivable:

Contributions receivable represent amounts committed to the Plan as of the Plan year-end for direct contribution payments to the Plan Sponsor, if any.

Payment of benefits:

Short term disability payments are processed through the Plan Sponsor's payroll system and paid from the general assets of the Plan Sponsor. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Expenses:

Certain administrative functions are performed by officers and/or employees of SRNS. No such officer or employee receives compensation from the Plan. Fees related to the administration of the Plan are included in administrative expenses.

Subsequent events:

The Plan has evaluated subsequent events through October 9, 2026, the date the financial statements were available to be issued.

Recently issued accounting pronouncements:

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board ("FASB") or other standards-setting bodies are not expected to have a material impact on the Plan's financial statements.

Note 3. Related-Party and Party in Interest Transactions

As described in Note 1, the Plan has several arrangements with service providers and related entities, these transactions are considered to be party in interest transactions under ERISA. As described in Note 2, the Plan made direct payments totaling $20,500 and $0 as of December 31, 2025 and 2024, respectively.

Note 4. Plan Termination

Although it is the intention of the Plan Sponsor to continue the Plan, the Plan Sponsor may, with the approval of the DOE or at the direction of the DOE, terminate the Plan at any time subject to the provisions of ERISA. If such termination occurs, all balances in the Plan shall be maintained by the Plan Sponsor until such time as the assets of the Plan have been distributed in accordance with the principal purpose of the Plan.

Note 5. Tax Status

The Plan Administrator has not requested an Internal Revenue Service ("IRS") determination letter for the Plan. The Plan and the Trust are required to operate in conformity with the Internal Revenue Code ("IRC") to maintain a tax-exempt status of the Trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related Trust is tax-exempt. However, as a result of the Plan's funding policy, from time to time the Trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 for unrelated business taxable income, and Plan management believes no liability for unrelated business taxable income has been incurred.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
