INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Health Plus Management 401(k) Plan
Uniondale, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Health Plus Management 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Health Plus Management 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Health Plus Management 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Health Plus Management 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Health Plus Management 401(k) Plan internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Health Plus Management 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Health Plus Management 401(k) Plan (the "Plan"), formerly known as the Health Plus Management LLC 401(k) Profit Sharing Plan and Trust, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General - The Plan is a defined contribution plan sponsored by Health Plus Management LLC (the "Company" or "Plan Sponsor"). The Plan was originally adopted effective January 1, 2018 and amended effective June 24, 2022.

Effective January 1, 2025, the Plan was amended and renamed the Health Plus Management 401(k) Plan. The amendment also provides for participation by eligible employees of Health Plus Management LLC and participating employers that are members of the Company's controlled group or affiliated service group, as defined under IRC § 414(b), IRC § 414(c), and IRC § 414(m), as applicable.

For Form 5500 reporting purposes, the Plan Sponsor and participating employers are generally treated as a single employer when benefits are payable from total plan assets without regard to which employer made the contributions. Accordingly, the Plan is not considered a multiple-employer plan (MEP) for Form 5500 reporting purposes. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

B. Eligibility - Prior to January 1, 2025, employees were eligible to participate in the Plan if they were at least 18 years of age and were not otherwise covered by a collective bargaining agreement.

Effective January 1, 2025, employees are eligible to participate in the Plan if they are at least 18 years of age, are not otherwise covered by a collective bargaining agreement, and have completed six months of service. Eligible employees include employees of Health Plus Management LLC and eligible employees of participating entities within the affiliated service group, as defined under IRC § 414(m), who satisfy the Plan's eligibility requirements.

C. Contributions - Each year, participants may contribute an amount equal to a dollar amount or percentage of the contributing participant's compensation within statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company may, at its discretion, make an employer matching contribution to qualified participants of the Plan. For the year ended December 31, 2025, the Company elected to make a matching contribution equal to 100% of participant contributions that does not exceed 3%, plus 50% of any contribution exceeding 3% but not to exceed 5% that a participant contributed to the Plan. Additionally, the Plan allows for discretionary profit-sharing contributions by the Company, subject to certain statutory limitations. For the year ended December 31, 2025, the Company did not make any profit-sharing contribution to the Plan.

D. Participant Accounts - Each participant's account is: (1) credited with the participant's contributions, Company matching contributions, if any, and earnings on the participant's investments; and (2) charged with an allocation of administrative expenses.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Administrative expenses will be allocated either proportionally based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan, as defined by the Plan. The participant is entitled to the benefit provided from the participant's vested account.

E. Vesting - Participants are vested immediately in their contributions plus the actual earnings thereon. Vesting in the Company contributions are based upon completion of the following number of years of service:

Years of Service	Vesting Percentage
1	0%
2	20%
3	40%
4	70%
5	100%

F. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 reduced by the excess, if any, of the participants highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over the participants outstanding balance of loans as of the date of the new loan, or 50% of their vested interest in the Plan. The $50,000 maximum will be reduced by the highest outstanding loan balance during the one-year period ending on the day before the date the loan agreement becomes effective. Loan repayment terms may not exceed five years unless the loan is used to purchase a participant's residence, in which case repayment terms may not exceed ten years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through biweekly payroll deductions.

G. Payment of Benefits - Upon termination of service other than death, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or rollover into a qualifying individual retirement arrangement. Upon termination of service due to death, a beneficiary can directly rollover their portion of the individual account to an inherited individual retirement arrangement. Minimum distributions shall be made in accordance with Treasury Regulation Section 1.401(a)(9). If the value of a terminated participant's account is $5,000 or less, the Plan shall immediately distribute the participant's entire vested account balance in a lump sum or at the participant's election to another qualified retirement plan.

H. Forfeited Accounts - Forfeitures of terminated participant's non-vested matching contributions are segregated to a separate forfeiture account that will be used to reduce employer contributions, pay Plan expenses, or allocated to Participant's accounts at the discretion of the Plan Sponsor. At December 31, 2025 and 2024, the unallocated forfeiture account totaled $1,989 and $118, respectively.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES *(Continued)*

B. Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Non-interest Bearing Cash - Non-interest-bearing cash represents residual or clearing account balances pending investment, distribution, or other disposition and is presented separately from investments on the statements of net assets available for benefits. Non-interest-bearing cash is not included in investments at fair value, fair value hierarchy disclosures, or the supplemental Schedule of Assets (Held at End of Year). Interest-bearing cash, if any, is included with investments.

D. Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

E. Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. There are no allowances for credit losses, as repayments of principal and interest are generally received through payroll deductions and the notes are fully collateralized by the participants' account balances.

F. Payment of Benefits - Benefits are recorded when paid.

G. Administrative Expenses - All expenses of maintaining the Plan are paid by either the Plan or the Company, at the Company's election. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustees as described below have certified the investment information as outlined below and included in the accompanying financial statements is complete and accurate.

Effective January 1, 2025, the Plan changed trustees from Mid-Atlantic Trust Company to Charles Schwab Trust Bank. During the transition period from January 1, 2025 to June 30, 2025, certain plan assets continued to be held by Mid-Atlantic Trust Company while assets were transferred to Charles Schwab Trust Company. All assets held by Mid-Atlantic Trust Company were transferred to Charles Schwab Trust Bank by June 30, 2025.

Total investment income:	$ 2,709,712
Interest income on notes receivable from participants	$ 14,899

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (*Continued*)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money Market Funds: Valued at quoted market prices reported on the active market.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Money Market funds	$ 57,251	$ -	$ -	$ 57,251
Mutual funds	17,384,940	-	-	17,384,940
Total investments, at fair value	$ 17,442,191	$ -	$ -	$ 17,442,191

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money Market funds	$ 97,865	$ -	$ -	$ 97,865
Mutual funds	3,125,979	-	-	3,125,979
Total investments, at fair value	$ 3,223,844	$ -	$ -	$ 3,223,844

NOTE 5 - EXCESS CONTRIBUTIONS PAYABLE

The Plan passed the discrimination test during the year ended December 31, 2025, however, failed the discrimination test for the year ended December 31, 2024. Excess contributions amounted to $37,823 and were recorded as a liability in the accompanying statement of net assets available for benefits and as a reduction of participant-directed contributions for the year ended December 31, 2024. The Plan has reimbursed these excess contributions to its participants during February 2025. There was $37,823 of excess participant contributions for the year ended December 31, 2024.

NOTE 6 - LATE REMITTANCES

During the year ended December 31, 2025, the Company failed to remit to the Plan certain employee contributions totaling $65,809 within the period prescribed by Department of Labor regulations. These late remittances were deemed prohibited transactions under ERISA. Delays in remitting contributions to the Plan were due to administrative errors. On May 22, 2026, the Company made the contributions to the affected participants' accounts to compensate those participants an aggregate of $58,528, including $705 for potential lost earnings due to the delays. In connection with that correction, the Plan Sponsor filed Form 5330 with the IRS and paid the appropriate excise tax.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Administrative fees related to investment management services that were paid by the Plan to the Trustee amounted to $61,744 for the year ended December 31, 2025.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - TAX STATUS

The Company adopted a non-standardized prototype plan for which the Internal Revenue Service ("IRS") has issued an opinion letter dated April 10, 2014, covering the qualification of the Plan under the appropriate sections of the Internal Revenue Code ("IRC").

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 at December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$18,038,571	$ 3,414,824
Less: Employer contributions receivable	-	(132,650)
Add: Excess participant contributions payable	-	37,823
Net assets available for benefits per the Form 5500	$18,038,571	$ 3,319,997

The following is a reconciliation of participant contributions per the financial statements to Form 5500 for the year ended December 31, 2025:

Benefits paid to participants per the financial statements	$ 1,288,514
Prior year excess participant contributions payable	37,823
Benefits paid to participants per the Form 5500	$ 1,326,337

The following is a reconciliation of employer contributions per the financial statements to Form 5500 for the year ended December 31, 2025:

Employer contributions per the financial statements	$ 1,458,408
Prior year employer contributions receivable	132,650
Employer contributions per the Form 5500	$ 1,591,058

NOTE 12 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued.
