Independent Auditor's Report

Plan Administrator
Spire Health and Wellness Benefit Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Spire Health and Wellness Benefit Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SPIRE HEALTH AND WELLNESS BENEFIT PLAN
Notes to Financial Statements

1. DESCRIPTION OF THE PLAN

Spire Missouri established a Wrap Plan Document entitled the Spire Health and Wellness Benefit Plan ("the Plan") covering eligible employees and retirees. The Wrap Plan Document includes the following health and welfare benefit programs:

Program Name
Medical Benefit
Group Term Life Benefit (Company Paid)
Voluntary Term Life Benefit (Employee Paid)
Accidental Death and Dismemberment Insurance Program (Company Paid)
Voluntary Accidental Death and Dismemberment Insurance Program (Employee Paid)
Long-Term Disability Insurance
Business Travel Accident Insurance
Employee Assistance Program
Vision Benefit
Dental Benefit
Special Life Insurance
Health Care Reimbursement
Spire Alabama Retiree Benefit Plan
Spire Gulf Inc. Retiree's Group Insurance Plan
Severance Program

The Plan was amended and restated on January 1, 2023. The primary change was the transition of two sub-populations of retirees and their dependents, one from Spire Alabama and one from Spire Missouri, who had their benefits transitioned to Health Retirement Accounts. The populations of affected retirees were those retirees who had grandfathered benefits beyond age 65. There was a total of 1,479 participants who were eligible for this benefit change. Of this population, 708 participants enrolled. Additionally, there were other program enhancements to the health benefits for active employees for those who chose to participate. The Plan was previously amended and restated on October 1, 2017, at which time the assets and obligations of the Spire Alabama Retiree Benefit Plan (formerly the Alabama Gas Corporation Retiree Welfare Plan) were merged into the Plan. Also included in the amendment and restatement was a change of Plan sponsor to Spire Services Inc. ("Company"), and the renaming of the Plan to the Spire Health and Wellness Benefit Plan. On September 30, 2019, The Spire Gulf Inc. Retirees' Group Insurance Plan was incorporated into the Plan and its assets and obligations were merged into the Plan. Spire Inc. ("Spire"), Spire Missouri Inc. ("Spire Missouri"), Spire Alabama Inc. ("Spire Alabama") and Spire Gulf Inc. ("Spire Gulf"), are referred to as "Employer" or collectively, "Spire and its affiliates".

On December 16, 2024, the plan was amended to expand the definition of "Welfare Benefit Program" to codify new benefit offerings to active employees This amendment was effective January 1, 2025, and primarily impacted pay-as-you go benefits for active employees.

Spire Missouri has established three related trusts, the Employee Benefit Trust for Retirees of Spire Missouri Inc. Not Covered by a Collective Bargaining Agreement (formerly the Laclede Gas Company Benefit Plan Trust / Voluntary Employees' Beneficiary Association ("VEBA") for Certain Non-Union Employees), Employee Benefit Trust for Retirees of Spire Missouri Inc. Covered by a Collective Bargaining Agreement (formerly the Laclede Gas Company Benefit Plan Trust / VEBA for Contract (Union) Employees), (collectively referred to as the "Missouri

East Trusts"), and a trust for Spire Missouri West (formerly Missouri Gas Energy), that consists of two sub-accounts: the Employee Benefit Trust for Retirees of Spire Missouri West Division of Spire Missouri Inc. Not Covered by a Collective Bargaining Agreement (formerly the Employee Benefit Trust for Retirees of Missouri Gas Energy Division of Laclede Gas Company not Covered by a Collective Bargaining Agreement), and the Employee Benefit Trust for Retirees of Spire Missouri West Division of Spire Missouri Inc. Covered by a Collective Bargaining Agreement (formerly the Employee Benefit Trust for Retirees of Missouri Gas Energy Division of Laclede Gas Company Covered by a Collective Bargaining Agreement) (collectively referred to as the "Missouri West Trust").

Spire Alabama has established the Retired Hourly Employee Benefit Plans Trust ("Hourly Trust Fund") to segregate the contributions and the investment activity relating to hourly retirees that participate in Employer-sponsored defined benefit health and welfare plans. Spire Alabama has also established the Retired Salaried Employee Benefit Plans Trust ("Salaried Trust Fund") to segregate the contributions and the investment activity relating to salaried retirees that participate in Employer-sponsored defined benefit health and welfare plans. Spire Alabama established the Retired Salaried Group Life Insurance Plan Trust ("Group Life Trust Fund") to segregate the contributions and the investment activity relating to salaried retirees that participated in the Employer-sponsored group life insurance plan. These trusts are collectively referred to as the "Alabama Trusts".

Spire Gulf has established the Spire EnergySouth Inc. Benefit Trust for Retirees Covered by a Collective Bargaining Agreement (formerly the Mobile Gas Service Corporation Union Benefit Trust) ("Gulf Hourly Trust Fund") to segregate the contributions and the investment activity relating to hourly retirees that participate in Employer-sponsored defined benefit health and welfare plans. Spire Gulf has also established the Spire EnergySouth Inc. Benefit Trust for Retirees Not Covered by a Collective Bargaining Agreement (formerly the Mobile Gas Service Corporation Non-Union Benefit Trust) ("Gulf Salaried Trust Fund") to segregate the contributions and the investment activity relating to salaried retirees that participate in Employer-sponsored defined benefit health and welfare plans. These trusts are collectively referred to as the "Spire Gulf Trusts".

The Missouri East Trusts, the Missouri West Trust, the Alabama Trusts, and the Spire Gulf Trusts are collectively referred to as the "Trusts".

The following description pertains to the Plan as in effect during the years ended December 31, 2025 and December 31, 2024 and is provided for informational purposes only. If any discrepancy between this summary and the Plan document arises, the terms of the Plan document will govern.

General – Spire Services Inc. is the Plan Administrator. The Plan Administrator has the power and duty to interpret the Plan to determine persons entitled to benefits, the amount of benefits payable and whether claims are covered by the Plan or are excluded from coverage. Various health and welfare benefits are provided by Spire and its affiliates for eligible employees and their eligible dependents. Medical and life benefits are provided by Spire Missouri, Spire Alabama and Spire Gulf for eligible retirees and/or their eligible dependents. All payments for the Plan require approval of the Plan Administrator.

Medical benefits are offered through a Preferred Provider Organization ("PPO") Plan, which provides benefits on a PPO in-network and out-of-network basis.

The trustee for the Missouri East Trusts, the Missouri West Trust, and the Spire Gulf Trusts is U.S. Bank, N. A. ("Missouri /Gulf Trustee"). The trustee for the Alabama Trusts is Russell Investments Trust Company ("Alabama Trustee"). The Missouri /Gulf Trustee and the Alabama Trustee are collectively referred to as "Trustees".

For Spire and its affiliates, vision and dental benefits are offered to eligible active union and non-union employees and their dependents. The Employee Assistance Plan, Healthcare Reimbursements and Voluntary Accidental Death and Dismemberment are offered to eligible active union and non-union employees. Termination and dismissal pay are offered to eligible active union employees. Voluntary Group Accident Insurance and Business

Travel Accident are offered to eligible active non-union employees. Special Life Insurance is offered to certain eligible active and retiree non-union employees.

Coverage for Eligible Employees and/or their Eligible Dependents: Spire and Affiliates – In accordance with the terms of the Plan, benefit payments and administrative expenses for Spire and its affiliates eligible employees and their eligible dependents are paid by Spire and its affiliates on a pay-as-you-go basis; eligible active employees and their eligible dependents do not make contributions to the Plan, except for benefits provided as required under the Consolidated Omnibus Budget Reconciliation Act ("COBRA" benefits) and the Pretax Premium Plan. The Salary Continuance and Voluntary Group Accident programs are fully contributory plans for active non-union employees. Funding is not required when the pay-as-you-go method is used for a welfare plan. Benefit payments, administrative expenses, and premiums for fully insured programs for eligible employees and their eligible dependents are paid by Spire Missouri out of corporate general assets, not from Plan assets.

Medical benefits are self-insured up to a specified dollar amount, after which they become fully-insured by a third-party to limit Spire and its affiliates' liability. The Medical Benefits are administered by Anthem Blue Cross Blue Shield and Blue Cross Blue Shield of Alabama. Healthcare Reimbursements are administered by Wex Health. The Prescription Drug benefit is self-insured and administered by Express Scripts, Inc. Dental coverage is self-insured, under an administrative service agreement between the Company and Delta Dental of Missouri. Vision coverage is self-insured, under an administrative service agreement between the Company and Vision Service Plan ("VSP"). The Employee Assistance Program is administered by Guidance Resources Worldwide. Other programs are on a fully-insured basis and are administered by the insurer.

Vision and dental benefits are offered to eligible active union and non-union employees and their dependents. Healthcare Reimbursements and Voluntary Accidental Death and Dismemberment are offered to eligible active union and non-union employees. Termination and dismissal pay are offered to eligible active union employees. Voluntary Term Life Benefit, Long-Term Disability Insurance, Voluntary Group Accidental Death and Dismemberment Insurance and Business Travel Accident are offered to eligible active non-union employees. Special Life Insurance is offered to certain eligible active and retiree non-union employees.

Coverage for Eligible Retirees and/or their Dependents: Spire Missouri, Spire Alabama and Spire Gulf – Employer contributions are made to the Trusts in such amounts and at such times as necessary to fund them. The Employers' funding policy is to contribute amounts to the Trusts equal to the periodic benefit cost calculated pursuant to ASC Topic 715. Therefore, the Plan records an employer contribution receivable equal to the estimated liability for incurred but unreported claims. Trust assets must be used exclusively for paying benefits to eligible retirees and/or their dependents and for paying any administrative expenses incurred by the retiree medical plan related to the Trusts. The assets of the Trusts shall never inure to the benefit of the Employer.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan follows the provisions of the FASB Accounting Standards Codification (ASC) Topic 965, Plan Accounting – Health and Welfare Benefit Plans. Obligations for claims that have been reported but not paid and claims that have been incurred but not reported are accrued in the financial statements.

Fair Value of Plan Assets – Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. GAAP establishes a hierarchy of inputs used to measure fair value:

Level 1 Quoted prices in active markets for identical assets or liabilities.

Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

A description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy is included in Note 3.

Postretirement Benefits – The postretirement benefit obligation (Note 4) represents the actuarial present value of those estimated future benefits that are attributed to employee service rendered to December 31, 2025 and 2024. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the Company. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the present value of the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Company and from existing Plan assets.

The actuarial present value of the expected postretirement benefit obligation is determined by the Plan's independent actuary and is the amount that results from applying actuarial assumptions to historical claims cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment, and to reflect the portion of those costs expected to be borne by Medicare, the retired participants, and other providers.

Investment Valuation and Income Recognition – Investments in funds are stated at the fair value of the direct investments held by the Plan and are determined by quoted market prices. Purchases and sales of securities are recorded at the trade date. Interest and dividend income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold and / or held during the year.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, benefit obligations and changes therein, claims incurred but not reported, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. The liability reported for incurred but unreported claims is an estimate based on historical claims experience. Actual results could differ from these estimates.

Risks and Uncertainties – The Trusts invest in mutual funds. The mutual funds may invest in various securities including U.S. government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of benefit obligations and net assets available for benefits.

There has been significant volatility in the investment markets both nationally and globally since the Plan's year end. While the Plan has no immediate intention to liquidate any significant portion of its portfolio, the Plan may be required to liquidate a portion of these investments in order to pay plan expenses or benefits to participants.

Conversely, any planned contribution amounts may have to be adjusted to ensure continuous payment of all benefit types.

Administrative Expenses – The cost of the Plan administration is paid by Spire Services Inc., the Plan sponsor. The Plan does pay all Trustee and investment adviser fees, in accordance with Plan provisions.

Review of Subsequent Events – Subsequent events have been evaluated through October 9, 2026, which is the date the financial statements were available to be issued.

3. FAIR VALUE OF INVESTMENTS (UNAUDITED)

The table below represents the fair value measurements of assets recognized in the accompanying Statements of Benefit Obligations and Net Assets Available for Benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2025 and 2024.

			Fair Value Measurement Using Quoted Prices in Active Markets for Identical Assets
December 31, 2025		Fair Value	Level 1
Money Market Fund	$	3,820,985	$ 3,820,985
Mutual Funds		366,273,326	366,273,326
Total	$	370,094,311	$ 370,094,311
December 31, 2024			
Money Market Fund	$	1,475,857	$ 1,475,857
Mutual Funds		336,705,854	336,705,854
Total	$	338,181,711	$ 338,181,711

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2025 and 2024. The Plan had no assets or liabilities measured at fair value on a non-recurring basis.

4. POSTRETIREMENT BENEFIT OBLIGATION

The postretirement benefit obligations at December 31, 2025 and 2024 related to the following categories of participants (including their beneficiaries and dependents) are as follows:

At December 31, 2025, the assumed health care cost trend rate used in measuring the accumulated postretirement benefit obligation for the next year was 7.00% and gradually decreases each successive year until it reaches 5.00% in 2034 and future years. Such rate was 6.50% for December 31, 2024, gradually decreasing each successive year until it reaches 5.00% in 2031 and future years. A one percentage-point increase or (decrease) in the assumed health care cost trend for each future year would have increased or (decreased) the postretirement benefit obligation by $4,902,000 or ($4,341,000).

	December 31,	
	2025	**2024**
Active employees fully eligible for benefits	$ 17,359,274	$ 17,647,806
Other current employees	35,659,132	36,527,515
Current Retirees	75,931,134	78,656,345
Total postretirement benefit obligation	$ 128,949,540	$ 132,831,666

Following are other significant assumptions used to calculate the accumulated postretirement benefit obligations for December 31, 2025 and 2024:

	December 31,	
	2025	2024
Weighted-average discount rate	5.60%	5.75%

- Mortality rates for active and retired lives – For 2025 and 2024, separate rates for non-annuitants and annuitants (based on Pri-2012 "Employees" and "Non-disabled Annuitants" tables, respectively, without collar or amount adjustment), projected generationally using a modified version of scale MP-2021.
- Mortality rates for disabled lives – For 2025 and 2024, the Disabled Retiree PRI-2012 mortality table projected generationally using a modified version of scale MP-2021.
- Retirement – Rates vary beginning at age 55 through age 65.

The foregoing actuarial assumptions were based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of postretirement benefit obligations.

5. TAX STATUS

Spire Missouri Wrap Document

The Internal Revenue Service has determined that the Trusts of the Plan are exempt from Federal income tax under Internal Revenue Code Section 501(c)(9), with the exception of the unrelated business income tax remitted by the Employee Benefit Trust for Retirees of Spire Missouri Inc. Not Covered by a Collective Bargaining Agreement and the Employee Benefit Trust for Retirees of Spire Missouri West Division of Spire Missouri Inc. Not Covered by a Collective Bargaining Agreement on the income from investments used to fund medical benefits. Accordingly, the Trusts' net investment income is exempt from income taxes.

The Missouri East Trusts have obtained exemption letters dated December 4, 1995 and December 29, 1995, from the Internal Revenue Service. The Missouri West Trust received an exemption letter from the Internal Revenue Service dated April 12, 1991.

The Wrap Plan Document was adopted effective October 1, 1999 and was amended and restated effective January 1, 2023, with no significant changes. The Plan sponsor believes that the Trusts and Plan continue to qualify and operate in accordance with the applicable requirements of the Internal Revenue Code.

Spire Alabama Retiree Plan

The Salaried Trust Fund and the Group Life Trust Fund have received exemption letters from the Internal Revenue Service dated November 6, 2014, stating that the trusts are tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"), with the exception of the unrelated business income tax remitted by the Salaried Trust Fund and the Group Life Trust Fund on the income from investments used to fund benefits. The Hourly Trust Fund has received an exemption letter from the Internal Revenue Service dated September 28, 1994, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the IRC.

Spire Gulf Inc. Retirees' Group Insurance Plan

The Gulf Salaried Trust Fund has received an exemption letter from the Internal Revenue Service dated August 10, 1992, stating that the trusts are tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code ("IRC"), with the exception of the unrelated business income tax remitted by the Gulf Salaried Trust Fund on

the income from investments used to fund benefits. The Gulf Hourly Trust Fund has received an exemption letter from the Internal Revenue Service dated August 10,1992, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the IRC.

6. TERMINATION OF THE PLAN

In the event of termination of the Plan, any remaining assets of the Trusts shall be applied: to provide benefits to those who are then receiving or entitled to receive benefits, to provide benefits to those who are eligible for benefits on termination of the Plan, and to satisfy all liabilities of the Plan.

7. UNAUDITED INFORMATION PREPARED BY TRUSTEES

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, U.S. Bank, N.A. and Russell Investments Trust Company, qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments as shown in the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024.
- Investment income as shown in the statements of changes in benefit obligations and net assets available for benefits for the years ended December 31, 2025 and 2024.
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2025, and investment information in the accompanying schedule of reportable transactions for the year ended December 31, 2025.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

8. RECONCILIATION OF STATEMENTS OF BENEFIT OBLIGATIONS AND NET ASSETS AVAILABLE FOR BENEFITS TO FORM 5500

Because the Department of Labor does not require reporting of the accumulated benefit obligations on the Form 5500 and because the Plan has adopted ASC Topic 965, the following is provided to reconcile the Statements of Benefit Obligations and Net Assets Available for Benefits reported on page 5 with the Form 5500, Schedule H (Part I), line 1(l), column (b):

	December 31,	
	2025	**2024**
Excess of Net Assets Available for Benefits Over Benefit Obligations, per Statements of Benefit Obligations and Net Assets Available for Benefits, pg. 5	$ 234,783,582	$ 201,214,552
Benefit Obligations:		
Estimated Liability for Incurred but Unreported Claims	5,246,000	4,140,000
Reimbursements Payable	3,143,929	4,818,876
Postretirement Benefit Obligation	128,949,540	132,831,666
	137,339,469	141,790,542
Net Assets, Form 5500, Schedule H (Part I), Line 1(I), column (b)	$ 372,123,051	$ 343,005,094

9. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or relatives of such persons. The Plan incurs expenses related to general administration and record keeping. The Company pays a portion of these expenses and certain accounting and auditing fees related to the Plan.
