# INDEPENDENT AUDITOR'S REPORT

Participants and the Employee Benefit Plans
Administrative Committee
NextEra Energy, Inc. Employee Health and Welfare Plan
Juno Beach, Florida

## *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of NextEra Energy, Inc. Employee Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

## *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of the Plan

General – The NextEra Energy, Inc. Employee Health and Welfare Plan (the Plan) is an employee welfare benefit plan covering eligible non bargaining and bargaining employees (Participants) of NextEra Energy, Inc. (NextEra Energy or Plan Sponsor), and affiliates (collectively the Company or the Employer). The Plan offers Participants a range of benefits and coverage options. The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description (as modified periodically through Summaries of Material Modifications) for a more complete description of the Plan.

The Plan provides for payment of qualifying medical, prescription drug, dental, vision, employee assistance, mental health and substance abuse, supplemental insurance, life insurance, short term and long-term disability benefits for Participants and their dependents (as applicable). The Plan is intended to qualify as a cafeteria plan under Internal Revenue Code (IRC) Section 125 and the regulations issued thereunder. The majority of the Plan's assets are maintained in a Voluntary Employees Beneficiary Association (VEBA) trust fund (Trust) and the VEBA Trust is administered by The Bank of New York Mellon/BNY Mellon, N.A. (referred to as BNY Mellon or Trustee). The Trustee acts as the custodian of such assets which provide for the payment of benefits and expenses. In addition, the Plan maintains a separate non-interest-bearing cash account with Citibank Inc. as required by a third-party claims administrator of the Plan.

Subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), the Company has the right to amend the Plan, and although it has not expressed any intent to do so, the Company has the right to terminate the Plan. In the event the Plan is terminated, the assets of the Plan will be used for the exclusive benefit of the Participants and for payment of expenses of the Trust. Such assets will in no event inure to the benefit of the Company.

Eligibility – In general, all benefits-eligible full time and part-time employees of the Company may participate in the Plan on the first day of employment except for certain bargaining employees who are eligible to participate on the first of the month following one full month of employment. Employees not electing to participate at the earliest eligible date may not participate until January 1 of the following year unless they experience a qualifying life event. Employees who cease working and begin receiving long term disability benefits remain eligible to participate in some, but not all, benefits under the Plan.

Medical Benefit – In general, Participants may elect medical coverage options providing in-network and for some employees out-of-network services, however, not all Participants are eligible for all medical coverage options. Most participants who fail to enroll in coverage are automatically defaulted to no medical coverage. The various coverage options utilize the same network of medical providers and contain varying deductible, co-payment and co-insurance amounts which generally apply to an out-of-pocket maximum. A high-deductible health plan (HDHP) is an option. All non-preventive health care services and costs, including prescription drugs and mental health and substance abuse benefits, are subject to the combined deductible. Prescription drug coverage is included in the Plan's medical coverage options and utilizes a four-tier pricing structure. The HDHP provides for 80% coinsurance on in-network prescription drug coverage for tiers one and two, 70% coinsurance for tier three and free after deductible has been met for tier four. In addition, Participants electing the HDHP option may elect to contribute to a Health Savings Account (HSA) and may be eligible for Company contributions to an HSA. Participants electing the non-HDHP medical coverage options under the Plan may be eligible for notional Company contributions to a Health Reimbursement Arrangement (HRA). The Plan also provides an employee assistance program to all employees.

Dental Benefit – In general, Participants may elect dental coverage under a network only option or options providing both in-network and out-of-network services; however, not all Participants are eligible for all dental coverage options due to geographic locations. The dental coverage options providing both in-network and out-of-network services have varying deductibles and co-insurance amounts. The Dental Care (DHMO) network only option is fully insured, and services are provided under structured fee for service schedules. Each option utilizes a respective network of dental care providers.

Vision Benefit – Eligible Participants may elect vision coverage. There are two vision plans to choose from. The vision benefit is fully insured with Participants who elect coverage paying 100% of the premium. The vision coverage pays network provider fees based on the plan design while out-of-network provider fees are reimbursed based on a schedule of allowances.

Supplemental Insurance –There are three available plan options: hospital indemnity insurance, accident insurance and critical illness insurance. Eligible participants may elect any combination of the supplemental insurance plans. Hospital indemnity insurance pays a daily cash benefit for a covered stay in a hospital, critical care unit or rehabilitation facility.

Accident insurance pays a cash payment for specific injuries resulting from a covered accident. Critical illness pays a lump sum cash payment for certain covered diseases and conditions.

Life Insurance and Accidental Death and Dismemberment Benefits – Basic life insurance coverage and accidental death and dismemberment (AD&D) for Participants under the Plan is provided by the Company at no cost. Additional optional life insurance, AD&D coverage, and spousal and dependent life insurance options are also available for purchase by Participants.

Short Term Disability Benefit – In general, full-time employees of the Company are eligible to receive short term disability (STD) benefits. The STD benefit provides a maximum of 24 weeks of benefits based on a Participant's base bi-weekly pay following a two-week waiting period. For the majority of employees, the benefit is 100% of base pay for up to the first five weeks and then 60% of base pay for up to the remaining 19 weeks.

Long Term Disability Benefit – Long term disability (LTD) benefits for Participants under the Plan are provided by the Company at no cost to the employee. The Company provided LTD benefit covers monthly income at a fixed percentage of the Participant's base pay. Participants may also purchase additional optional buy-up in coverage providing future cost-of-living adjustments should the Participant become disabled. LTD benefits generally begin after the greater of a 180-day waiting period or the expiration of STD benefits. The Plan provides that, in most circumstances, this monthly income will continue until the Participant recovers, dies, reaches retirement age, or commences retirement benefits under the NextEra Energy, Inc. Employee Pension Plan, whichever comes first. Payments may be reduced by income and other disability-related benefits the Participant may be entitled to receive. For most employees, with effective dates of disability on or after April 1, 2017, medical benefits for Participants approved for LTD are limited to a maximum of 29 months. Part-time employees are not eligible for LTD benefits.

Flexible Spending Accounts – Eligible Participants may elect to contribute to healthcare and dependent care Flexible Spending Accounts (FSAs) offered through the Plan. FSAs provide for the reimbursement of eligible expenses with pre-tax contributions from Participants. Part-time employees are not eligible to participate in the FSAs.

Benefit Funding – The total cost of the benefits offered under the Plan is generally shared by the Company and the Participant, with the Company paying a substantial portion. In general, Participant contributions to the Plan are made through payroll deductions and are dependent on the Participants base pay, the coverage option selected and any eligible dependent coverage elections. The Company contributes to the Plan, at a minimum, the amount that is required to fund any differences between the total claims and premiums paid by the Plan and the amount of any Participant contributions. The Company may contribute to an HSA or may contribute notional amounts to an HRA for eligible Participants.

The Plan's HRA feature allows eligible participants to be reimbursed tax free for qualified healthcare expenses. Notional amounts remaining at the end of the year can generally be carried over to the next year. The Company is not permitted to refund any part of the balance to the employee, the account cannot be used for anything other than reimbursements for qualified healthcare expenses, and in general, remaining amounts are not portable upon termination once the employee leaves the Company. The HRA contributions are funded by the Company as claims are paid. The accumulated notional HRA balances were approximately $5.2 million and $5.7 million, as of December 31, 2025 and 2024, respectively.

In general, claims of the Participants, their dependents and spouses are administered and processed by various third-party administrators of the Plan. However, the responsibility for funding the payment of eligible expenses to Participants and providers is retained by the Plan.

## 2. Summary of Significant Accounting Policies

Basis of Presentation – The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Benefit payments to or for the benefit of participants are recorded upon distribution. Premium and claim payments are recorded when paid. The financial statements do not reflect any liability for estimated future benefits to Participants (see Note 4). Interest income is recognized when earned. Purchases and sales are recorded on the trade date basis.

Use of Estimates – The preparation of financial statements requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan, in general, is exposed to various risks, many of which are beyond the control of the Plan Sponsor. Some such risks include risks around investment securities such as interest rate risk, credit risk, liquidity, concentration risk, global events, and overall market volatility, which could result in changes in the value of such securities. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements. The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, disability rates, recovery rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Investment Concentrations – The Plan holds all of its assets in the Dreyfus Government Cash Management Institutional Shares Fund (Dreyfus Fund), a registered investment company, at December 31, 2025 and 2024, respectively.

Valuation of Investments – Fair value measurement guidance emphasizes that fair value is a market-based measurement, not an entity-specific measurement, and sets out a fair value hierarchy intended to disclose information about the relative reliability of fair value measurements, with the highest priority being quoted prices in active markets for identical assets and liabilities.

The underlying investments of the Trust are reported at fair value. In some cases, a valuation approach used to measure fair value may include inputs from multiple levels of fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following reflects the valuation methodologies and inputs used to determine the fair value of the investment held by the Trust. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Interests in registered investment companies are valued at quoted market prices in active markets (Level 1). Unrealized gains and losses of the Plan represent the difference between current value at the end of the year and the prior year's closing market price and/or the actual cost for securities purchased during the year. Realized gains and losses have been determined using the average cost method.

Other Receivables – Reflects receipts in transit and accrued interest.

Cash Overdraft – Reflects cash overdraft positions related to timing of payments from the Trust and non-interest bearing cash with Citibank Inc. as of December 31, 2025 and 2024 related to the Plan's third-party dental administrator.

Administrative Expenses – Reflected in the financial statements and paid from the Trust are certain expenses reasonably incurred in the administration of the Plan and Trust, including the service fees of the Trustee, to the extent not paid by the Company.

Income Taxes – The Trust established under the Plan to hold the Plan's net assets is intended to qualify pursuant to Section 501(c)(9) of the IRC, and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust obtained a favorable tax determination letter from the Internal Revenue Service (IRS) dated February 5, 1988, and the Plan Sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan administrators to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, respectively, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations by the IRS for years prior to 2022.

**3. Related Party and Party-In-Interest Transactions**

Parties-in-interest are defined under ERISA as any fiduciary of the Plan, any party rendering service to the Plan (including related parties), the Company, and certain others. The Plan paid fees to parties-in-interest for services provided to the Plan. Other administrative fees were also paid by the Company on behalf of the Plan. Plan investments include $27,903,710 and $18,383,982, as of December 31, 2025 and 2024, respectively, in the Dreyfus Fund (see Note 2), which is managed by a subsidiary of BNY Mellon, and therefore, qualifies as a party-in-interest-investment as do

the related transactions within the Fund. The Plan has a receivable for interest due from the Dreyfus Fund in the amount of $62,184 and $89,649 as of December 31, 2025 and 2024, respectively.

## 4. Benefit Obligations

Plan obligations at December 31 for claims incurred by active Participants but not reported at that date are estimated and reported in amounts currently payable in the Plan's benefit obligation. As of December 31, 2025, and 2024, the Plan's postemployment benefit obligation primarily covers health benefits for Participants receiving LTD benefits and their dependents with a small component for STD benefits accrued. This obligation represents the actuarial present value of the estimated future benefits attributable to Participants receiving LTD benefits at that date and excludes the estimated portion of those costs expected to be borne by Medicare, the Participants, and other providers.

A weighted average discount rate of 4.53% and 5.08% in 2025 and 2024, respectively, were applied to postemployment benefits. The 2025 and 2024 postemployment benefit obligation was determined using the recovery and mortality rates contained in the 2012 Group Long-Term Disability Table.

For the December 31, 2025 valuation, the healthcare and prescription drug trend rate was 8.42%, and the trend rates were assumed to reach an ultimate trend rate of 4.50% by 2036. For the December 31, 2024 valuation, the healthcare and prescription drug trend rate was 8.30%, and the trend rates were assumed to reach an ultimate trend rate of 4.5% by 2035. The obligation associated with the STD benefits was calculated using the projected unit credit valuation method and the recovery rates were based on the Society of Actuaries 1987 study (adjusted to reflect actual NextEra Energy experience).

The Plan's deficiency of net assets in relation to the benefit obligation at December 31, 2025 and 2024, relates to the postemployment benefit obligation and it is expected that the deficiency will be funded through future Company contributions. The claims incurred but not reported obligation is estimated using a standard actuarial method based on a monthly completion factor approach that uses historical data to estimate future payment patterns.

The Plan's benefit obligation which is measured as of December 31st is as follows:

| | December 31, | |
|---|---|---|
| | 2025 | 2024 |
| | ($ in millions) | |
| Amounts currently payable | | |
| Claims and benefits payable, claims incurred but not reported, and premiums due to insurers | $ 28 | $ 29 |
| Postemployment benefit obligations, net of amounts currently payable | | |
| Income replacement and health benefits to disabled participants | 23 | 22 |
| Total plan benefit obligations | $ 51 | $ 51 |

The following represents the change in the actuarial present value of the benefit obligation that occurred between December 31, 2025 and December 31, 2024:

| Amounts currently payable | ($ in millions) |
|---|---|
| Balance at December 31, 2024 | $ 29 |
| Claims reported and approved for payment, net change in claims incurred but not reported, benefit payments and premiums due to insurers | 279 |
| Claims and benefits paid | (245) |
| Insurance premiums paid | (35) |
| Balance at December 31, 2025 | $ 28 |

| Postemployment benefit obligations, net of amounts currently payable | |
|---|---|
| Balance at December 31, 2024 | $ 22 |
