INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit -

We have performed audits of the accompanying financial statements of **CSA Group Retirement & Savings Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **CSA Group Retirement & Savings Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (separate accounts and guaranteed insurance contract) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Mass Mutual Life Insurance Company (guaranteed insurance contract) and Empower Trust Company, LLC. (investments) as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion -

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion -

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **CSA Group Retirement & Savings Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements -

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **CSA Group Retirement & Savings Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued. Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements -

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **CSA Group Retirement & Savings Plan 's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **CSA Group Retirement & Savings Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA -

The Supplemental Schedule H, Part IV-Line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than which agrees to or is derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agrees to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

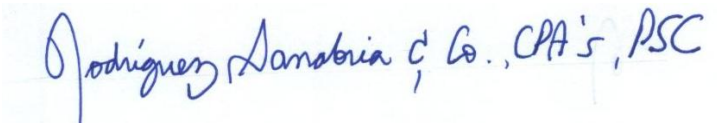

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The accompanying notes are an integral part of this financial statement.

1) Description of plan and summary of significant accounting policies -

A) Description of Plan: The following description of CSA Group Retirement & Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. During the month of December 2020, MassMutual Services sold its Plan operations to Empower Retirement, LLC. It did not have any material effect in the Plan.

General - The Plan is a defined contribution plan and a cash or deferred arrangement profit sharing plan covering all eligible employees of CSA Architects & Engineers LLP and CSA Group, Inc. (the Companies) who are residents of Puerto Rico and have completed three months of service (twelve months for field services employees) and are at least twenty-one years old. Also, the Plan's allows autoenrollment of at least 1% of employee's compensation, as defined. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute pre-tax annual compensation as defined (up to $15,000 for 2025). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. On August 1, 2023, the Companies matching contribution was changed to 25% up to 6% of participant's compensation, as defined. On August 1, 2024, the Companies' matching contribution was changed to 25% up to 7% of participant's compensation, as defined. Additional amounts may be contributed at the option of the Companies' discretion and are invested in a portfolio of investments as directed by it. Contributions are subject to certain limitations.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' contributions is twenty-percent after one year of service and twenty-percent for each subsequent year. A participant is one-hundred percent vested after five years of credited service.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of $1,000. For those participants with vested balance of $100,000 or less, the loan is limited to the lower 50% of the vested account balance or $50,000. If a participant's vested balance is over $100,000, the loan is reduced by the difference between the highest outstanding loan balance during the previous 12 months and the current outstanding balance. In no event may the maximum aggregate loan balance may exceed $50,000 and a five-year term. The loans are secured by the balance in the participant's account and bear interest at prevailing market rates at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures - As established by Plan document, forfeitures may be used to reduce Plan's administrative expenses or future Companies' contributions. During the year ended December 31, 2025 and 2024 forfeitures amounted to approximately $136,000 and $131,000 (certified by trustee), respectively.

Plan termination - Although it has not expressed any intent to do so, the Plan Sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Companies may determine.

Party-in-interest - During the years ended December 31, 2025 and 2024, investments were certified by Empower Trust Company, LLC. which provides advisory services to the Plan. Accordingly, this transactions qualifies as a party-in-interest under ERISA regulations.

B) Summary of significant accounting policies: The accounting and financial reporting policies followed by the Plan conform with accounting principles generally accepted in the United States of America and to prevailing practices within its industry. The following is a description of the most significant of these policies:

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of estimates - Preparing the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payments of benefits - Benefits are recorded when paid.

Operating expenses - The majority of expenses for maintaining the Plan are paid by the Companies.

Subsequent events - In accordance with ASC 855 - *Subsequent Events*, the Plan evaluated subsequent events through August 12, 2026, the date these financial statements were available to be issued.

2) Information certified by trustee -

The following information included in the accompanying financial statements as of December 31, 2025 and 2024 and in the supplemental schedule as of December 31, 2025, was obtained from data that has been prepared and certified as complete and accurate by Mass Mutual Life Insurance Company (guaranteed insurance contract) and Empower Trust Company, LLC. (investment) which is a party-in-interest under ERISA regulations.

3) Fair value measurements -

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

		Assets at Fair Value as of December 31, 2025		
Investment Description	**Fair Value**	**Quoted Prices in Active Markets for Identical Assets (Level 1)**	**Significant Other Observable Inputs (Level 2)**	**Significant Unobservable Inputs (Level 3)**
Mutual funds	**$ 18,205,963**	**$ 18,205,963**	**$ -**	**$ -**

		Assets at Fair Value as of December 31, 2024		
Investment Description	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 15,026,294	$ 15,026,294	$ -	$ -

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 fair value measurements - Separate accounts investing in mutual funds or equity securities are measured using quoted prices in active markets for identical assets.

Level 2 fair value measurements - Separate accounts directly investing in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluated the significance of the transfers between levels based upon the nature of the financial information and size of the transfer relative to total net assets available for benefits. During the years ended December 31, 2025 and 2024, there were no significant transfers into or out of levels 1, 2 or 3.

The Plan's fiduciary of the CSA Group Retirement & Savings Plan set investment policies and strategies for trust. Long-term strategic investment objectives include preserving the funded status of the trust and balancing risk and return. Plan's fiduciary oversees the investment allocation process, which includes selecting investment managers, commissioning periodic asset-liability studies, setting long-term strategic targets and monitoring asset allocations.

4) Investment contract with insurance company -

The Plan has a guaranteed insurance contract (certified by trustee) with Mass Mutual Life Insurance Company. During the years ended December 31, 2025 and 2024, the average yield earned and credited to participants amounted to 3.25% and 3%, respectively. The insurer maintained the contributions in a separate investment account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as certified to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 1B (Basis of accounting), because the guaranteed insurance contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The guaranteed insurance contracts are invested in the general account of the insurance companies issuing the contract. It has no maturity value. The effective credit interest rate is set monthly and effective on the first day of the month, during which a new interest rate is applied daily to the total outstanding balance of the investment.

5) Tax status -

The Puerto Rico Treasury Department (the Department) has determined and informed the Plan sponsors by letter dated March 31, 2015, that the Plan and the related trust, as designed, qualified for tax-exempt status under the provisions of the "Código de Rentas Internas para un Nuevo Puerto Rico", as amended, and the Circular Letter No. 11-10 of December 16, 2011 issued by the Department.

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department. The Plan administrator has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

6) Risk and uncertainties -

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7) Reconciliation of financial statement to Schedule H of Form 5500 -

The following is a reconciliation of contributions per financial statements for the year ended December 31, 2025 to cash basis of accounting:

Description	Amount
Revenues per audited financial statements	$ 1,378,102
