Independent Auditors' Report

To the Administrative Committee of the
Today's HR 401(k) Plan
Burbank, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Today's HR 401(k) Plan, formerly CPE HR Corporate 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Today's HR 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

21031 Ventura Blvd, Suite 401, Woodland Hills, California 91364 Tel: 818-975-2040 Fax: 818-975-2045 www.wscpas.net

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Today's HR 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Today's HR 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Today's HR 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Today's HR 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of

the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TODAY'S HR 401(k) PLAN
(FORMERLY CPE HR CORPORATE 401(K) PLAN)

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Today's HR 401(k) Plan (the Plan), formerly CPE HR Corporate 401(k) Plan, provides only general information. Participants should refer to the Plan's adoption agreement (the Adoption Agreement) for more complete information on the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 2008. The Plan covered substantially all corporate employees of CPE HR, Inc. Effective January 1, 2016, CPE HR, Inc. was restructured, and all corporate employees became employees of Today's HR, Inc. Consequently, the Plan was amended and restated effective January 1, 2016 to cover substantially all employees of Today's HR, Inc. (the Company), with the Company becoming the new Plan sponsor. Effective April 5, 2022, the Plan's employer status was changed from Single Employer to Controlled Group by adding Modern HiRes, Inc., a related party through common ownership, as a participating employer.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and the Internal Revenue Code (IRC), and has been amended at various dates through December 31, 2025 to comply with applicable laws and regulations.

Plan Administration

The Company is the plan administrator and is responsible for managing the day-to-day operations of the Plan. Transamerica Life Insurance Company is responsible for the custody and management of the Transamerica Stable Value Fund (Stable Value Fund). Effective July 1, 2024, Transamerica Trust Company (TTC) replaced Reliance Trust Company (Reliance Trust) as custodian responsible for the custody and management of the Plan's remaining assets. Transamerica Retirement Solutions, LLC is the recordkeeper of the Plan and is responsible for administering investment transactions directed by Plan participants.

Contributions

Employees who are at least 18 years old are eligible to participate. All eligible employees are automatically enrolled to defer 3% of their eligible compensation as pre- and/or post-tax contributions. Employees may elect not to defer or choose a different percentage of deferral, subject to the IRC limitations, by submitting a new enrollment form. Plan participants over age 50 may defer catch-up contributions, subject to the IRC limitations. Participants may also contribute rollovers representing distributions from other qualified plans into the Plan.

NOTE 1 - DESCRIPTION OF PLAN – CONTINUED

Contributions – Continued

As defined in the Plan, the Company makes a safe harbor match of the participant's pre-tax and/or Roth elective contributions, dollar for dollar, up to 3% of eligible compensation, and 50 cents for each additional dollar between 3% and 5% of eligible compensation. Total matching contributions amounted to $620,885 for the year ended December 31, 2025. The Company also may elect to make other matching and profit-sharing contributions to the Plan. During the year ended December 31, 2025, the Company did not make other matching and profit-sharing contributions to the Plan.

Participants direct the investment of their contributions and their share of the Company's contributions into various investment options offered by the Plan, which consist primarily of mutual funds and a stable value fund.

Vesting

Participants are 100% vested in their salary deferral contributions and in the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's other matching and profit-sharing contributions and earnings thereon is based on years of continuous service as follows:

Years of Service	Percentage
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participant Accounts

Separate accounts are maintained for each participant, which are adjusted to reflect the participant's and Company's contributions, as well as the participant's share of the Plan's income and any related administrative expenses.

Notes Receivable from Participants

The Plan permits loans to participants, secured by the borrowing participant's interest in the Plan, on such nondiscriminatory terms and conditions as determined by the plan administrator. Notes receivable are required to comply with applicable provisions of ERISA and the IRC, including such restrictions as are necessary to prevent the notes from being treated as distributions under Section 72(p) of the IRC. Each note receivable bears a reasonable rate of interest determined by the plan administrator. At December 31, 2025, participant loans bore interest at rates ranging from 4.25% to 9.50% and had maturities through April 2052. Principal and interest are repaid on an installment basis through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN – CONTINUED

Payment of Benefits

Upon termination of service due to death, disability or retirement, the participant or beneficiary will receive a lump-sum payment. The Plan's normal retirement age is defined by the Plan document.

If the vested account balance of a terminated participant is $7,000 or less, the entire balance will be paid out. For mandatory distributions in excess of $1,000, the participant may elect to either directly transfer the vested account balance to an Individual Retirement Account (IRA) or another qualified plan or receive the vested benefits in a lump-sum payment. If no election is made, vested benefits are transferred to a separate IRA established by the Plan.

Forfeitures

Forfeitures of the unvested balance of terminated participants' accounts are used to reduce the Company's future contributions and offset any expenses associated with the administration of the Plan. During the year ended December 31, 2025, forfeitures used to reduce the Company's contributions and offset expenses associated with the administration of the Plan amounted to $248 and $63, respectively. At December 31, 2025 and 2024, the balance of available forfeiture was $1,925 and $261, respectively.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded as administrative expenses in the accompanying statement of changes in net assets available for benefits. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of additions and deductions during the reporting period. The most important of these estimates and assumptions relate to fair value measurements of the Plan's investments. These and other estimates and assumptions are based on the best available information but actual results could be materially different from those estimates.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Valuation of Investments

Plan assets invested in mutual funds are stated at aggregate fair value based upon quoted market prices.

The Plan's investment in stable value fund, which is considered to be fully benefit-responsive, is required to be reported at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less plan withdrawals and administrative expenses.

Stable Value Fund

The Plan has entered into a traditional group annuity contract with Transamerica through the Stable Value Fund. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balances at contract value. Thus, the investment contract is considered fully benefit-responsive, as defined by GAAP.

Transamerica maintains the contributions and invests them in Transamerica's general account. This investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and with no set maturity. The effective credited interest rate is set monthly and effective on the first day of the month. Contract charges may reduce this return. There are no reserves against contract value for credit risk of Transamerica or otherwise.

During the years ended December 31, 2025 and 2024, crediting interest rates for the Stable Value Fund were as follows:

	2025	2024
Minimum Rate	1.60%	1.50%
Average Rate	1.65%	1.58%
Closing Rate	1.60%	1.65%

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Stable Value Fund – Continued

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect Transamerica's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract requirements, (5) failure to provide information, (6) the sum of the contract account values at any time equals $20,000 or less, and (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned.

Recognition of Income

Sales and purchases are accounted for on a trade date basis, and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Change in Fair Value of Investments

Net change in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Recent Accounting Pronouncements

In the normal course of business, the Plan evaluates all new accounting pronouncements to determine the potential impact they may have on its financial statements. Based upon this review, the Plan does not expect any of the recently issued accounting pronouncements, which have not already been adopted by the Plan, to have a material impact on its financial statements.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Subsequent Events

The Plan has evaluated subsequent events through October 10, 2026, the date the financial statements were available to be issued, and determined that there were no subsequent events requiring recognition or disclosure in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Company has adopted a volume submitter plan with cash or deferral arrangement that received a favorable opinion letter from the Internal Revenue Service (IRS), stating that the form of the underlying volume submitter document is qualified under Section 401 of the IRC, and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The plan administrator believes that, except for the corrective distributions described in Note 8, the Plan operates in accordance with applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In accordance with GAAP, Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there were no uncertain positions taken or expected to be taken. As a result, the Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to amend or terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested for any portion of their accounts not fully vested previously.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Transamerica Life Insurance Company and Transamerica Trust Company, the custodians of the Plan, have supplied the Plan administrator with certifications as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the statement of changes in net assets available for benefits for the year ended December 31, 2025, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025.

Completeness and accuracy of information certified by the custodians of the Plan is as follows at December 31:

	2025	2024
Investments:		
Stable value fund	$ 2,307,441	$ 1,903,518
Interest-bearing cash	$ 94,958	$ 90,370
Mutual funds	$ 25,377,198	$ 21,643,954
Notes receivable from participants:	$ 604,457	$ 549,947

	2025
Investment income:	
Net change in fair value of investments	$ 3,052,696
Dividends	$ 578,419
Interest	$ 46,463
Interest income on notes receivable from participants	$ 40,363

NOTE 6 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date (an exit price). The fair value hierarchy prioritized the inputs to valuation techniques used to measure fair value into three levels, with the highest priority given to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority given to unobservable inputs (Level 3). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 6 - FAIR VALUE MEASUREMENTS – CONTINUED

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one level to another. In such instances, the transfer is reported at the end of the reporting period. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024 to value the Plan's assets at fair value, and there were no significant transfers in or out of Levels 1, 2, or 3.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	Fair Value Measurement at December 31, 2025 Using Input Type			
	Fair Value	Level 1	Level 2	Level 3
Interest-bearing cash	$ 94,958	$ -	$ 94,958	$ -
Mutual funds	25,377,198	25,377,198	-	-
Total investments at fair value	$ 25,472,156	$ 25,377,198	$ 94,958	$ -

	Fair Value Measurement at December 31, 2024 Using Input Type			
	Fair Value	Level 1	Level 2	Level 3
Interest-bearing cash	$ 90,370	$ -	$ 90,370	$ -
Mutual funds	21,643,954	21,643,954	-	-
Total investments at fair value	$ 21,734,324	$ 21,643,954	$ 90,370	$ -

During the year ended December 31, 2025, the Plan's investments measured at fair value appreciated in value by $3,052,696. Net appreciation includes realized and unrealized gains and losses on investments bought and sold, as well as investments held during the year.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Transamerica and TTC, the custodians, as defined by the Plan document. Therefore, these transactions qualify as party-in-interest and are denoted as such on the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025. However, these party-in-interest transactions are exempt pursuant to ERISA regulations.

NOTE 8 - CORRECTIVE DISTRIBUTIONS

The Plan failed to pass certain required nondiscrimination tests for the 2025 Plan year. In order to correct these testing failures, federal law generally requires that corrective action be completed no later than the end of the following year to avoid Plan disqualification. The corrective distributions payable of $4,735 as of December 31, 2025 were paid subsequent to the year end.

Considering the remedial actions taken pursuant to the provisions of the Plan document, management believes that the failed nondiscrimination testing will not affect the tax-exempt status of the Plan.
