# INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Northern Sales Company 401(k) Plan
Anchorage, Oregon

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Northern Sales Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and December 31, 2024, and the related statements of changes in net assets available for benefits for the year ended December 31, 2025 and for the period from August 1, 2024 through December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Northern Sales Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2025 and for the period from August 1, 2024 through December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Northern Sales Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northern Sales Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northern Sales Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northern Sales Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules, as listed in the table of contents, as of December 31, 2025 and 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Plan Description

The following description of Northern Sales Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan Administrator oversees the governance of the Plan.

### General

The Plan was established August 1, 2024 subsequent to a spin-off from a previous employer plan (see Note 10), as a defined contribution plan covering all employees of Northern Sales Company, Inc. (the Employer), except for union employees and non-resident aliens, who are excluded as defined by the Plan. Employees who are at least 18 years of age and have completed six months of service are eligible to participate in the Plan. Entry dates for all contribution types are the first of each month after attaining eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Contributions

Each year, participants may contribute up to 100 percent of pre-tax or after-tax (Roth) annual compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to IRC limits. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Employer makes a Safe Harbor matching contribution to eligible participants in an amount equal to their deferral contributions up to four percent of their eligible compensation. The Employer may also make discretionary nonelective or matching contributions based on allocation groups that may be determined each year by the Employer. Participants must be employed on the last day of the Plan year and have earned at least 1,000 hour of service during the Plan year in order to share in the allocation of discretionary nonelective contributions. There were no discretionary nonelective or matching contributions made in 2025 or 2024.

The Plan offers a variety of investment options and provides for participant-directed investments. Participants may elect to use Fidelity’s BrokerageLink program to self-direct their accounts among a broader range of investments. Participant contributions are maintained in separate accounts, and participants direct the investment of their contributions among the investment options offered by the Plan through Fidelity Investments.

### Participant Accounts

Each participant account is credited with the participant’s contribution and allocations of the Employer’s contributions, Plan earnings (losses), and charged with an allocation of administrative expenses, when applicable. Allocations are based on participant earnings or account balances, as defined by the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**1. Plan Description,** continued

**Payment of Benefits**

On termination of service, death, disability, or attainment of retirement age, a participant or beneficiary may elect to receive an amount equal to the value of the participant's account as a lump-sum distribution or roll it over to another qualified plan. Partial distributions are also permitted. The Plan allows in-service distributions after a participant has reached age 59½. In-service distributions for hardships from participant deferral accounts are also available on account of an immediate and heavy financial need of the participant, subject to the Plan's rules governing hardship withdrawals.

**Vesting**

Participants are immediately vested in their deferral contributions and employer Safe Harbor matching contributions, along with actual earnings thereon. Participants shall become 100 percent vested upon attainment of normal retirement age, death, or permanent disability. Vesting in discretionary employer nonelective and matching contributions is based on the number of years of credited service. To earn a year of service, participants must have been active employees for a year using elapsed time method. Discretionary employer nonelective and matching contributions vest as follows:

| Years of Service | Vesting Percentage |
|---|---|
| Less than 2 | 0% |
| 2 | 20% |
| 3 | 40% |
| 4 | 60% |
| 5 | 80% |
| 6 or more | 100% |

**Forfeited Accounts**

Forfeitures of terminated participants' non-vested portions of Employer contributions may be used to pay Plan expenses or reduce future Employer contributions. During the year ended December 31, 2025, no amounts were forfeited from participant accounts. At December 31, 2025, forfeited non-vested accounts totaled $11,411. During the period from August 1, 2024 through December 31, 2024, amounts forfeited from participant accounts were $12,431. At December 31, 2024, forfeited non-vested accounts totaled $12,215. Unused forfeitures will be used to pay Plan expenses or offset future Employer contributions.

**Notes Receivable from Participants**

Participants are permitted to borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. A participant may not have more than one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at the "prime rate" plus one percent which remains in effect for the duration of the loan. Loans have fixed rates for the term of the loan, not to exceed five years or ten years if used for the purchase of a principal residence. Principal and interest may be paid through payroll deductions or by check.

## 2. Summary of Significant Accounting Policies

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

### Contributions

Participant and employer contributions are recorded in the year in which the participant contributions are withheld or the underlying compensation is paid.

### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or December 31, 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### Payment of Benefits

Benefits are recorded when paid.

### Administrative Expenses and Fees

Plan administrative fees are either paid by the Employer, deducted directly from investment returns or are passed through to the participants in the Plan as a recordkeeping fee. Plan expenses paid by the Employer are excluded from these financial statements. Transaction-based fees relating to optional services (i.e. loan setup, distribution request, etc.) are charged directly against the appropriate participant's account. Investment related expenses are included in net change in fair value of investments or as a reduction from investment income.

## 3. Information Certified by Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations of Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate as of December 31, 2025 and 2024 and for the year ended December 31, 2025 and for the period August 1, 2024 through December 31, 2024:

| | 2025 | 2024 |
|---|---|---|
| Investments, at fair value: | | |
| Registered investment companies | $ 8,357,231 | $ 7,753,947 |
| Common/collective trusts | 439,574 | 477,786 |
| Common stock | 302,357 | 334,532 |
| Cash equivalents | 368,818 | 337,573 |
| Notes receivable from participants | 159,358 | 144,997 |
| Investment income: | | |
| Net change in fair value of investments | $ 926,039 | $ 419,620 |
| Interest income | 11,087 | 1,208 |
| Dividend income | 408,350 | 271,267 |
| Interest income on notes receivable from participants | 13,572 | 3,912 |

## 4. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their employer contributions.

## 5. Tax Status

The Plan has adopted a non-standardized pre-approved profit-sharing plan with CODA sponsored by FMR LLC. The Internal Revenue Service (IRS) has informed the plan sponsor by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

## 6. Risks and Uncertainties

The Plan provides for various investment options that have different investment strategies. These investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## 7. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2025 and 2024.

*Registered investment companies (mutual funds)*: The Plan's investments are in units of mutual funds. These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and considered to have a readily determinable fair value.

**7. Fair Value Measurements,** continued

*Common/collective trust:* Units held in the common/collective trusts are valued using the NAV of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. Participant transactions (purchases and sales) may occur daily at NAV. All common/collective trust investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

*Common Stock:* Investments held in self-directed brokerage accounts, valued at the closing price reported on the active market on which the stocks are traded.

*Cash equivalents:* Valued at the contract value of shares held, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

| | Investments at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Investments in the fair value hierarchy: | | | | |
| Registered investment companies | $ 8,357,231 | $ - | $ - | $ 8,357,231 |
| Common stock | 302,357 | - | - | 302,357 |
| Cash equivalents | 368,818 | - | - | 368,818 |
| Total investments in the fair value hierarchy | $ 9,028,406 | $ - | $ - | |
| Investments measured at NAV: | | | | |
| Common/collective trusts | | | | 439,574 |
| Total investments, at fair value | | | | $ 9,467,980 |

**7. Fair Value Measurements,** continued

| | Investments at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Investments in the fair value hierarchy: | | | | |

| Investments measured at NAV | | | | |
| Common/collective trusts | | | | 477,786 |
| Total investments, at fair value | | | | $ 8,903,838 |

**8. Related Party and Party-in-Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Fidelity Investments, an affiliate of Fidelity Management Trust Company, the trustee of the Plan. Total administrative and recordkeeping fees paid to Fidelity Investments in 2025 and 2024 were $10,285 and $2,088, respectively. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules under ERISA.

**9. Reconciliation of Financial Statements to Form 5500**

As of December 31, the following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per financial statements | $ 9,629,438 | $ 9,051,605 |
| Employer contributions receivable | (2,100) | (2,770) |
| Net assets available for benefits per Schedule H of Form 5500 | $ 9,627,338 | $ 9,048,835 |

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the years ended December 31:

| | 2025 | 2024 |
|---|---|---|
| Total contributions per the financial statements | $ 832,712 | $ 257,228 |
| Change in employer contributions receivable | 670 | (2,770) |
| Total contributions per Schedule H of Form 5500 | $ 833,382 | $ 254,458 |

## 10. Transfer of Plan Assets

Effective August 1, 2024, the Plan was spun off from the Seer Group 401(k) Plan in accordance with the applicable provisions of ERISA and DOL regulations. In connection with the spin-off, participant account balances totaling $8,764,537 were transferred into the Plan for participants who transferred to the Plan.

## 11. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
