Independent Auditor's Report

To the Plan Administrator of
Health Benefits Plan for the Employees of Stockman Financial Corp.

Opinion

We have audited the financial statements of Health Benefits Plan for the Employees of Stockman Financial Corp. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of Health Benefits Plan for the Employees of Stockman Financial Corp. as of December 31, 2025, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Health Benefits Plan for the Employees of Stockman Financial Corp. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Health Benefits Plan for the Employees of Stockman Financial Corp.'s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Health Benefits Plan for the Employees of Stockman Financial Corp.'s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Health Benefits Plan for the Employees of Stockman Financial Corp.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, line 4(i) - Schedule of Assets (Held at End of Year), and Schedule H, line 4(j) - Schedule of Reportable Transactions, as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules are fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - 2024 Financial Statement

The financial statements of Health Benefits Plan for the Employees of Stockman Financial Corp. as of December 31, 2024, were audited by other auditors whose report dated October 9, 2025, expressed an unmodified opinion on those statements.

Note 1. Description of the Plan

General

The following description of the Health Benefits Plan for the Employees of Stockman Financial Corp. (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the plan administrator.

Generally, the Plan provides health and welfare benefits to employees who work on a continuing and regular basis of at least 17.5 hours per week. Coverage begins on the first day of the month following the completion of 59 days of work.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Benefits

The Plan provides medical, dental, vision, prescription, and short-term disability benefits to eligible employees of Stockman Financial Corp. (the Sponsor) and their eligible dependents as defined by plan documents. The Plan also provides certain fully insured benefits, including life insurance (basic, supplemental, and dependent), accidental death and dismemberment, and long-term disability coverage. The Plan provides continuation of certain benefits upon termination of employment through the *Consolidated Omnibus Budget Reconciliation Act* (COBRA).

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement to limit its exposure for self-insured benefits. The Plan is responsible for individual claims up to $210,000 per year, not to exceed an overall aggregate limit that varies with the number of active participants. The insurance carrier may increase the Plan's responsibility for individual claims for specified individuals on an annual basis during policy renewal.

Insured Benefits

The Plan provides life insurance (basic, supplemental, and dependent), accidental death and dismemberment, and long-term disability benefits through fully insured arrangements. Premiums related to these insured benefits are paid from Plan assets and are included in the premiums paid to insurance companies in the accompanying statements of changes in net assets available for benefits. These premiums are funded through Sponsor and participant contributions to the Plan.

Self-Insured Benefits

The Plan is self-insured for medical, dental, vision, prescription, and short-term disability benefits up to individual and aggregate stop-loss limits. Claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. For medical, dental, vision, and prescription benefits, the claims processor pays claims directly to, or on behalf of participants, and is subsequently reimbursed from Plan assets. Basic short-term disability benefits are paid directly to participants from Plan assets. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on actual utilization pattern of specific drugs.

The Plan has flexible spending account (FSA) arrangements for health care and dependent care reimbursements that are funded solely by active employee contributions. The FSAs allow eligible participants to be reimbursed tax free for qualified health care and dependent care expenses subject to annual limitations established under the Plan. The employer is not permitted to refund any part of the FSA balances to the employee; the accounts cannot be used for anything other than qualified health care and dependent care expenses; remaining amounts are not portable upon termination once the employee leaves the employer; any unused amount is forfeited to the Plan Sponsor. Participants may carry forward up to $660 of unused FSA amounts to the next Plan year to pay for qualifying expenses in addition to the amount elected for that year.

Note 1. Description of the Plan (Continued)

Contributions

In addition to deductibles and copayments, participants may contribute specified amounts, based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of supplemental and dependent life insurance, supplemental accidental death and dismemberment insurance, and supplemental long-term disability insurance based on the current group rate premium cost. The Sponsor pays the full cost of basic life insurance, basic accidental death and dismemberment insurance, basic long-term disability insurance, and basic short-term disability insurance.

The Sponsor makes contributions to the Plan as needed to fund stop-loss insurance and claims in excess of participants' contributions. Any deficiency in the Plan's net assets available for benefits compared to benefit obligations is funded by the Sponsor on a pay-as-you-go basis.

Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may be reverted to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, claims payable, incurred but not reported claims (IBNR), eligibility credits, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by the 419(a) trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when submitted to the Plan by the third-party claims processor for reimbursement. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as due to claims processor in the accompanying statements of plan's benefit obligations. Amounts funded by the Plan that have yet to be paid by the claims processor are recorded as a prepaid asset in the statements of plan's benefit obligations.

Short-term disability payments are processed by the Sponsor and paid from the general assets of the Sponsor. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Stop-Loss Insurance

Premiums for stop-loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. Stop-loss refunds totaling approximately $736,000 and $144,000 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively.

Note 2. Summary of Significant Accounting Policies (Continued)

Interest-Bearing Cash

The Plan Sponsor maintains the Plan's medical, dental, and vision reserves in separate interest-bearing trust accounts at Stockman Bank. Participant contributions withheld from payroll and employer contributions are deposited into the trust accounts. Amounts held in the trust accounts are restricted for the payment of benefits, claims, administrative expenses, and insurance premiums. Interest-bearing cash is stated at carrying value, which represents the amount on deposit plus accrued interest.

Interest income is recorded on an accrual basis as earned.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling approximately $68,000 and $284,000 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively.

Flexible Spending Accounts

Included in the accompanying statements of net assets available for benefits are amounts available to reimburse participants for qualifying medical expenses as of December 31, 2025 and 2024, totaling approximately $88,000 and $84,000, respectively. Claims incurred before plan year-end that were submitted after year-end (but before the date defined by the Plan agreement) totaled approximately $74,000 and $70,000 relating to 2025 and 2024, respectively. Forfeited amounts are used by the Sponsor to offset Sponsor contributions in the year forfeited.

Administrative Expenses

Administrative expenses incurred in the administration of the Plan that are paid by the Plan include managed care fees and medical administrative fees. These expenses are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Expenses that are paid by the Sponsor, such as professional fees, are excluded from these financial statements.

Benefits Obligations

Plan obligations on December 31, 2025 and 2024 for health claims incurred by participants, but not reported at that date, are estimated based on an analysis of claims paid subsequent to the Plan year-end. Such estimated amounts are included in the accompanying statements of Plan's benefit obligations.

Note 3. Tax Status

The trust established to hold the Plan's assets is intended to qualify pursuant to Section 419(a) of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The Sponsor believes that the trust, as amended, continues to qualify and operate in accordance with applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that is more likely than not to be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations in progress.

Note 4. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan maintains money market deposit accounts at Stockman Bank. Stockman Bank is affiliated with Stockman Financial Corp. and, therefore, transactions involving these accounts qualify as exempt party-in-interest transactions. As described in Note 2, the Plan has several arrangements with service providers. Such providers are parties-in-interest under ERISA. The Plan paid approximately $205,000 and $189,000 of recordkeeping and Plan management fees during 2025 and 2024, respectively. The Sponsor provides certain administrative services at no cost to the Plan.

Note 5. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2025 and 2024:

	2025	2024

Benefits paid to participants per the financial statements	$ 10,227,282	$ 8,180,227
Add: Benefit obligations at current year end	1,179,000	1,203,000
Deduct: Benefit obligations at prior year end	(1,203,000)	(1,259,000)
Benefits paid to participants per Form 5500	$ 10,203,282	$ 8,124,227

Claims that have been processed and approved for payment at year-end but not paid and claims incurred but not reported are not presented as liabilities or claims paid in the accompanying financial statements, but they are recorded on Form 5500 as liabilities.

Note 6. Risks and Uncertainties

The estimated liability for claims incurred but not reported is based on historical trend information, which is subject to change. Due to uncertainties inherent in the estimation process, it is at least reasonably possible that changes in this estimate in the near-term would be material to the financial statements.

Note 7. Concentration of Credit Risk

The Plan maintains its cash accounts at one financial institution, Stockman Bank. The Plan's balances at Stockman Bank were in excess of federal insurance limits by approximately $6,539,000 and $7,073,000 as of December 31, 2025 and 2024, respectively.

Note 8. Plan Amendments

Effective January 1, 2025, the Plan adopted Amendment No. 1, which revised certain preventive care and short-term disability provisions of the Plan.

Effective April 1, 2024, in Plan I and II - HDHP, the Waiting Period to become eligible did not apply to an employee who became eligible as a result of the acquisition of the Montana Central Insurance Agency.

Note 9. Subsequent Events

Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were available to be issued.
