INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Mexcor Texas, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mexcor Texas, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Mexcor Texas, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mexcor Texas, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

6002 Rogerdale, Ste. 200 Houston, Texas 77072 Tel 281-759-1120 Fax 281-759-5500

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mexcor Texas, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mexcor Texas, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mexcor Texas, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025 and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MEXCOR TEXAS, LLC 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Mexcor Texas, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Mexcor Texas, LLC (the "Plan Sponsor") and participating employers (collectively, the "Company"), except for those covered by a collective bargaining agreement or nonresident aliens. Benefit Trust Company is the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective October 14, 2025, the Plan was amended and restated to add Globalalternative Solutions, LLC; Mexcor Distributors of Louisiana, LLC, dba MBG Louisiana; and Mexcor Distributors of South Carolina, LLC, dba MBG South Carolina, as participating employers.

In December 2022, SECURE 2.0 Act (SECURE 2.0) was enacted. SECURE 2.0 has many provisions, both mandatory and elective with various effective dates. The Plan has adopted certain provisions and will amend the Plan document by the applicable deadline (December 31, 2026).

Eligibility

All full-time employees are eligible to participate upon the later of being hired or attaining age 18. Part-time employees are eligible to participate upon the attainment of age 18 and completion of a year of service (1,000 hours per year). Participants may enter the Plan coinciding with or on the first payroll period upon satisfying the eligibility requirements.

Contributions

Participants may elect to make salary deferral contributions to the Plan up to the maximum amount allowed by law. Salary deferral contributions can be made as pre-tax contributions, Roth contributions or a combination of both. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2025, the Plan implemented the SECURE 2.0 provision increasing the catch-up contribution limit for eligible participants who attain ages 60 through 63 during the taxable year. A conforming amendment to the Plan document has not yet been adopted; however, management intends to adopt the amendment by the applicable SECURE 2.0 deadline. The Plan also allows rollover contributions, subject to certain provisions of the Plan.

The Company may, at its discretion, contribute for each participant a matching contribution equal to a percentage of the participant's elective contributions. The Company did not make any discretionary matching contribution to the Plan for the year ended December 31, 2025. The Company may also make a discretionary contribution each year. Discretionary contributions are allocated using the permitted disparity allocation method as defined in the Plan. Participants must be employed on the last day of the plan year and complete 1,000 hours of service during the plan year to receive discretionary contributions, except for participants who become disabled, die, or retire in the plan year. The Company did not make any discretionary contributions for the year ended December 31, 2025.

The Plan is participant directed, and participants may change their contribution rates at the beginning of each payroll period and investment options at any time.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contribution, as well as allocations of Plan earnings and any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their participant and rollover contribution accounts and the appreciation or depreciation thereon. For vesting purposes, a participant must be credited with at least 1,000 hours during the plan year to qualify as one year of service and count towards vesting. Vesting in the Company contributions of their account plus appreciation or depreciation thereon is based on years of continuous service. Participants vest 20% per year after one year of service and are 100% vested after five years of service. A participant shall be immediately vested upon death, retirement, or termination of employment due to total and permanent disability.

Forfeitures

Forfeitures of nonvested Company contributions shall be used to reduce the Company's contribution or pay Plan administrative expenses. The forfeiture balance at December 31, 2025 and 2024 was $17,726 and $10,220, respectively. During 2025, $525 in forfeitures were used to pay Plan administrative expenses.

Benefit Payments

Normal retirement age under the Plan is 65. Upon termination or retirement, a participant may receive the value of the vested funds in their account in a lump sum payment. Participants who terminate and have an account balance of $7,000 or less will be cashed out of the Plan as soon as administratively feasible. The Plan also allows for in-service distributions upon reaching the age of 59½ and hardship withdrawals from a participant's salary deferral account.

Notes Receivable from Participants

Plan participants may borrow from their vested accounts a minimum of $1,000 up to a maximum of the lesser of 50% of their vested account balances in the Plan or $50,000. Interest rates on loans are stated at the prime interest rate plus 1% at the date of the loan. Loans are repaid in level installments through payroll deductions for periods ranging up to five years, or ten years for the purchase of a primary residence. Loans are secured by the participant's vested account balance to the extent of the principal amount of the loan plus accrued interest. Participants may only have one loan outstanding at any time.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan. Upon termination, participants would receive benefits based on their account balances accumulated to the date of termination of the Plan, becoming 100% vested in all amounts credited to their accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes gains and losses on investments bought and sold, as well as held during the year.

Contributions

Contributions from Plan participants are recorded in the plan year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to recordkeeping, advisory services, and participant related services are allocated to participants' accounts and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Nondiscriminatory Refunds

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code (IRC) are recorded as a liability. At December 31, 2025 and 2024, liabilities of $19,739 and $53,743, respectively, are recorded for amounts refundable by the Plan. The Plan distributed the nondiscriminatory refunds to the applicable participants in 2026 and 2025, respectively.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Pooled Separate Accounts: Valued at fair value based on account unit value (AUV) pricing as calculated by the annuity provider according to formulas described in the annuity contract. The pooled separate accounts own and hold the underlying mutual fund or collective trust shares, which are reported at their net asset value. The pooled separate accounts held by the Plan provide for daily redemptions by the Plan at reported AUV with no advance notice requirement. The Plan has no unfunded commitments and no contractual obligations to further invest in the accounts.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2025 or 2024.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	2025			
Description	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts		$2,673,097		$2,673,097
Total investments at fair value		$2,673,097		$2,673,097

	2024			
Description	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts		$2,180,016		$2,180,016
Total investments at fair value		$2,180,016		$2,180,016

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Equitable Life Insurance Company ("Equitable"), an insurance company, certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025, and the related net appreciation in fair value of investments and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

NOTE 5 - TAX STATUS

The Plan has adopted a Volume Submitter Profit Sharing Plan, which obtained its latest opinion letter dated June 30, 2020 in which the Internal Revenue Service (IRS) stated that the prototype document, as then designed, satisfied the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PARTIES IN INTEREST

Plan investments are in accounts managed by Equitable. Equitable investments qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - LATE REMITTANCES

During 2022, 2021 and 2020, there were unintentional delays by the Company in submitting participant contributions to the Plan totaling $20,277, $27,159 and $72,629, respectively. In August 2025, the Company determined the amount of corrective lost earnings payments to the Plan for the late remittances and compensated those affected participants for potential lost income due to the delays for the plan years 2020-2022.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$2,715,799	$2,178,058
Add: Nondiscriminatory refunds payable	19,739	53,743
Net assets available for benefits per the Form 5500	$2,735,538	$2,231,801

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2025:

Change in net assets available for benefits per the financial statements	$537,741
Add: Nondiscriminatory refunds at December 31, 2025	19,739
Less: Nondiscriminatory refunds at December 31, 2024	(53,743)
Change in net assets available for benefits per the Form 5500	$503,737

NOTE 10 - SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan began administering catch-up contributions for participants whose prior-year FICA wages from the employer sponsoring the Plan exceed $150,000, as indexed, as Roth contributions in accordance with SECURE 2.0 Act requirements. The Plan is being administered in accordance with the provider's SECURE 2.0 good-faith interim amendment, and management intends to adopt any additional conforming plan amendments by the applicable SECURE 2.0 remedial amendment deadline.

Management has evaluated subsequent events through September 16, 2026, the date the financial statements were available to be issued.
