**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**
We have performed audits of the financial statements of Hall Hospitality Group LLC 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Hall Hospitality Group LLC 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

**Opinion**
In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hall Hospitality Group LLC 401K Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hall Hospitality Group LLC 401K Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hall Hospitality Group LLC 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hall Hospitality Group LLC 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**
The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. DESCRIPTION OF PLAN

The following description of the Hall Hospitality Group LLC (the "Company") 401K Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** The Plan is a defined contribution plan established effective January 1, 2013, and most recently amended and restated effective December 1, 2024. It covers all employees of the Company who have attained age 18 and completed six months of service, except nonresident aliens with no U.S.-source earned income and residents of Puerto Rico. Employees enter the Plan on the first day of the month coinciding with or following the date they meet the eligibility requirements. The Plan is administered by a Committee appointed by the Company. ADP Retirement Trust Services, LLC serves as trustee, and ADP Retirement Services serves as recordkeeper.

Effective January 1, 2025, ADP Retirement Trust Services, LLC replaced Reliance Trust Company as trustee and custodian of the Plan's assets. ADP Retirement Services serves as recordkeeper.

**Contributions** Each year, participants may contribute up to 86% but not less than 1% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Eligible employees may elect to defer eligible compensation on a pre-tax, an after-tax (Roth) basis, or a combination of both up to a designated percentage, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan is referred to as a safe harbor plan. A "safe harbor" plan is a plan design where the Employer commits to making certain contributions. This commitment to make contributions enables the Employer to simplify the administration of the Plan by ensuring that nondiscrimination regulations are met, which is why it is called a "safe harbor" plan. In order to maintain "safe harbor" status, the Employer will make a safe harbor matching contribution equal to 100% of an eligible participant's salary deferrals that do not exceed 4% of compensation. The Plan, by law, cannot recognize annual compensation in excess of a certain dollar limit, $350,000 for 2025 and $345,000 for 2024. For purposes of calculating the safe harbor matching contribution, participant compensation and deferrals will be computed for each payroll period.

The Company may decide to make a non-elective contribution to the plan, although the Company is not required to do so. The non-elective contributions, if made, will be allocated as of the end of each plan year based upon integrated formula within the computation period. There were no non-elective contributions made for 2025 or 2024.

**Participant Accounts** Each participant's account is credited with the participant's contributions and Company matching contributions, as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are charged with an allocation of administrative expenses paid by the Plan, as described in Note 2

**Forfeitures** Forfeitures arise from the nonvested portion of profit sharing contributions of terminated participants. Under the Plan, forfeitures may be used to pay plan administrative expenses or to reduce future employer contributions. For the years ended December 31, 2025 and 2024, employer contributions were offset by $251 and $432, respectively, by forfeited nonvested accounts. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $2,571 and $2,646, respectively.

## 1. DESCRIPTION OF PLAN – (CONTINUED)

**Vesting** Participants are immediately vested in their salary deferrals, safe harbor matching contributions and rollover contributions, plus actual earnings thereon. Vesting in discretionary profit sharing contributions follows the six-year graded schedule based on Periods of Service, and participants become 100% vested on reaching Normal Retirement Age (65), death or disability. The vesting schedule in effect for the years ending 2025 and 2024 is as follows:

**Vesting Schedule:**

| | |
|---|---|
| Less than 2 Years of Service | 0% Vested |
| At least 2 years, but less than 3 | 20% Vested |
| At least 3 years, but less than 4 | 40% Vested |
| At least 4 years, but less than 5 | 60% Vested |
| At least 5 years, but less than 6 | 80% Vested |
| 6 or more Years of Service | 100% Vested |

**Payment of Benefits** On termination of service, death, disability or retirement, a participant whose vested account balance exceeds $7,000 may elect a lump-sum payment, installments over a period not exceeding the participant's life expectancy (or the joint life expectancies of the participant and beneficiary), or partial withdrawals of at least $500. Vested balances of $7,000 or less are distributed as a lump sum. Mandatory distributions over $1,000 are automatically rolled over to an IRA unless the participant elects otherwise. The Plan also permits in-service withdrawals after age 59½, hardship withdrawals and qualified birth or adoption distributions.

**Notes receivable from Participants** Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to 50% of their vested account balance, and a maximum amount of $50,000. Loan terms range from one to five years or up to 30 years if the loan is for the purchase of the participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus two. Loan repayments are made through payroll deductions. A new loan may not be taken out until any previous loan has been paid off.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** The accompanying financial statements have been prepared on the accrual basis of accounting.

**Investment Valuation and Income Recognition** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits** Benefits are recorded when paid.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

**Use of Estimates** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Notes Receivable from Participants** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

**Delinquent Participant Loans** Delinquent notes receivable from participants are reclassified as distributions based on the terms of the plan document. A loan is in default if a scheduled repayment is not made by the end of the calendar quarter following the calendar quarter in which the payment was due. Deemed distributions of participant loans totaled $11,865 and $5,636 for the years ended December 31, 2025 and 2024, respectively.

**Administrative Expenses** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Plan consist of recordkeeping fees and investment advisory, and investment management fees. They are charged to participant accounts in proportion to account balances and are included in administrative expenses on the statements of changes in net assets available for benefits. Investment-related expenses embedded in the underlying funds, such as fund management fees, are reflected in net appreciation in fair value of investments. Expenses paid by the Company, including audit fees, are excluded from these financial statements.

## 3. PLAN TERMINATION

Although they have not expressed any intention to do so, the Company has its right under the Plan to discontinue their contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

## 4. TAX STATUS

The Plan uses a pre-approved plan document sponsored by ADP, Inc. The Internal Revenue Service issued an opinion letter dated [date] stating that the pre-approved plan document is acceptable under Section 401 of the Internal Revenue Code (IRC). The Plan itself has not obtained or requested a determination letter. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and that the Plan and related trust therefore remain tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. A tax liability (or asset) must be recognized if the Plan has taken an uncertain position that more likely than not would not be sustained on examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 5. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. ADP Retirement Services serves as recordkeeper for the Plan. ADP Retirement Trust Services, LLC served as trustee for 2025, and Reliance Trust Company served as trustee for 2024. Edwards Jones provides investment advisory services to the Plan. Recordkeeping fees paid to ADP totaled $30,966 and $32,478 and investment advisory and investment management fees totaled $37,659 and $26,400 for the years ended December 31, 2025 and 2024, respectively. Notes receivable from participants also qualify as party-in-interest transactions. All of these transactions are exempt from the prohibited transaction rules of ERISA.

Certain expenses of maintaining the Plan, as well as, fees related to the audit, are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account and are presented on the financial statements. Investment related expenses are included in net appreciation of fair value of investments.

## 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets
b. Quoted prices for identical or similar assets or liabilities in inactive markets
c. Inputs other than quoted prices that are observable for the asset or liability
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

**Mutual funds** – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

## 6. FAIR VALUE MEASUREMENTS – (CONTINUED)

**Common/Collective Trusts** - Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The following are the major categories of assets and liabilities measured at fair value on a recurring basis during the years ended December 31, using quoted prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); and significant unobservable inputs (Level 3).

| | At December 31, 2025 | | | |
|---|---|---|---|---|
| Description | Level 1: Quoted Prices in Active Markets for Identical Assets | Level 2: Significant Other Observable Inputs | Level 3: Significant Unobservable Inputs | Total: |
| Mutual funds | $ 11,389,036 | $ - | $ - | $ 11,389,036 |
| Total assets in the fair value hierarchy | $ 11,389,036 | $ - | $ - | 11,389,036 |
| Investments measured at net asset value (a) | | | | 233,515 |
| Investments at fair value | | | | $ 11,622,551 |

| | At December 31, 2024 | | | |
|---|---|---|---|---|
| Description | Level 1: Quoted Prices in Active Markets for Identical Assets | Level 2: Significant Other Observable Inputs | Level 3: Significant Unobservable Inputs | Total: |
| Mutual funds | $ 9,031,479 | $ - | $ - | $ 9,031,479 |
| Total assets in the fair value hierarchy | $ 9,031,479 | $ - | $ - | 9,031,479 |
| Investments measured at net asset value (a) | | | | 158,673 |
| Investments at fair value | | | | $ 9,190,152 |

## 6. FAIR VALUE MEASUREMENTS – (CONTINUED)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024:

| Instrument | Fair Value 12/31/2025 | Fair Value 12/31/2024 | Unfunded Commitments | Redemption Frequency | Redemption Notice Period |
|---|---|---|---|---|---|
| Invesco Stable Asset Fund (a) | $ 233,515 | $ 158,673 | None | Daily | 12 months |

(a) The fund invests mainly in fully benefit-responsive investment contracts issued by insurance companies and other financial institutions. Its objective is to preserve principal while earning a stable rate of return. Participant-directed withdrawals and transfers are allowed daily at NAV. Withdrawals initiated by the plan sponsor, including a full withdrawal of the Plan's investment, require 12 months' advance written notice. The fund's trustee may waive that notice period at its discretion. Management is not aware of any event that is probable of occurring and would limit the Plan's ability to transact at NAV with the fund.

## 7. INFORMATION CERTIFIED BY QUALIFIED INSTITUTIONS

The Plan Administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Under that election, ADP Retirement Trust Services, LLC, the trustee for 2025, has certified that the 2025 information below is complete and accurate. Reliance Trust Company, the trustee for 2024, has certified that the 2024 information below is complete and accurate.

| | December 31, 2025 | December 31, 2024 |
|---|---|---|
| Mutual funds | $ 11,389,036 | $ 9,031,479 |
| Common/Collective trusts | $ 233,515 | $ 158,673 |

## 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 – (CONTINUED)

| Recognition of contributions receivable - current year | (93,669) | (87,303) |
| Recognition of contributions receivable - prior year | 87,303 | 96,021 |
| Net increase per the Form 5500 | $ 2,435,144 | $ 2,214,280 |

## 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

## 10. SUBSEQUENT EVENTS

In accordance with ASC 855, management evaluated subsequent events to December 31, 2025 through October 7, 2026, the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
