INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Parts Authority LLC Profit Share/401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Parts Authority LLC Profit Share/401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Parts Authority LLC Profit Share/401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements, referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Phone: (516) 333-6100 – Fax: (516) 333-6846

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Parts Authority LLC Profit Share/401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Parts Authority LLC Profit Share/401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Parts Authority LLC Profit Share/401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Parts Authority LLC Profit Share/401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PARTS AUTHORITY LLC PROFIT SHARE/401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Description of the Plan

The following description of Parts Authority LLC Profit Share/401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, established on January 1, 1993, and restated on September 1, 2016, is a defined contribution plan covering substantially all employees of Parts Authority LLC (the "Sponsor" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All eligible employees become a participant of the Plan on or after reaching the age of 21 upon completing the participation requirements of the Plan and completing three months of service, excluding hourly employees and those covered by a collective bargaining agreement. Participants in the Plan are immediately 100% vested in their contributions and are vested over six years for employer contributions (see Vesting).

Contributions

Each year, participants may contribute up to 75% of their annual salary, up to the maximum amount permitted by the Internal Revenue Code ("IRC"). Participants' tax-free contributions per Section 402(g) of the IRC for the year ended December 31, 2025 were limited to $23,500. The annual base salary for the purposes of the Plan is limited by the IRC to $350,000. Employees who attain age 50 and up to 59 or are 64 plus by the end of the year are eligible to make catch-up contributions of up to $7,500. and ages 60-63 are eligible to make catch-up contributions of $11,250. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor, at their discretion, may make a matching contribution equal to a discretionary percentage, to be determined by the Sponsor, on a uniform basis for all participants each pay period. Such contributions are allocated to all participants regardless of service completed or employment status at the end of the Plan year. The matching contribution is capped annually at $2,500 per employee. The employer matching contributions for the year ended December 31, 2025 were $1,095,121.

The Sponsor may also make a discretionary profit sharing contribution. Profit sharing contributions are invested in participant-directed investments or, if the participant does not make an investment election, the profit sharing contribution is defaulted to the appropriate target retirement date fund based on the participant's date of birth and an assumed retirement age of 65. The profit sharing contribution for the year ended December 31, 2025 was $150,000.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (i) employer's discretionary matching contribution and profit sharing contribution, if any, and (ii) plan earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Amounts contributed to the Plan are held in a trust created under the Plan. Contributions allocated to participant accounts are invested according to each participant's direction. Different investment funds are offered with each having a different investment objective. Participants may make changes to their investment funds in the time and manner determined by the Employer. As of December 31, 2025, there were various investment funds available to the participants.

Vesting

Participants are immediately 100% vested in their own contributions plus actual earnings thereon. Participants become fully vested in the Employer's matching contributions plus related earnings according to the following schedule.

Years of Service	Vesting %
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

Upon the date a participant becomes disabled, deceased, attains the age of 65, or the Plan's normal retirement age, and has completed at least 6 years of service for vesting purposes, the participant shall be 100% vested in their account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus two percentage points. The interest rates charged on the participant loans range from 3.25% to 10.50%. Principal and interest is paid ratably through weekly payroll deductions.

PARTS AUTHORITY LLC PROFIT SHARE/401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - Description of the Plan (continued)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, participants may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments not exceeding the life expectancy of the participant or his or her designated beneficiary. Participants must receive benefits by April 1st following the year in which they reach the age of 73, even if still employed by the Sponsor.

Forfeitures

In accordance with the Plan documents, forfeitures by participants may be used to pay Plan expenses or to reduce Plan Sponsor contributions. For the year ended December 31, 2025, there were $164,115 of forfeitures that were used to reduce Plan Sponsor contributions.

Administration of the Plan

The Plan's trustee, ADP Retirement Trust Services, LLC ("ADP Trust") ("Trustee"), maintains the Plan's assets and makes investments according to participant's directions. Officers or employees of the Sponsor perform certain administrative functions. No such officers or employees received compensation from the Plan. Administrative expenses, such as professional fees, are paid directly by the Sponsor. During the year ended December 31, 2025, administrative expenses charged to the Plan were $389,185.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair Value is the price that would be received upon the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
All expenses relating to the Plan's investment administration are borne on a pro-rata basis by each Plan participant and are paid by the Plan.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan to make estimates and assumptions that effect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates.

NOTE 3 – Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by ADP Trust and Reliance Trust Company, the Trustees of the Plan, as of December 31, 2025 and 2024, respectively, and for the year ended December 31, 2025:

	2025	2024

Mutual funds	$ 82,337,896	$ 69,169,793
Investments at contract value:		
Common collective trusts	$ 6,027,009	$ 5,812,838
Participant notes receivable	$ 2,438,919	$ 2,535,193

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – Information Prepared and Certified by Trustee (continued)

Investment income:		
Net appreciation in fair value of investments	$	7,595,015
Net appreciation in contract value of investments		142,506
Interest and dividend income		4,161,460
Other income		344,096
	$	12,243,077
Interest income on participant notes receivable	$	243,259

NOTE 4 - Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820, "Fair Value Measurements and Disclosures" ("ASC 820") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are considered Level 1 investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 82,337,896	$ -	$ -	$ 82,337,896

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 69,169,793	$ -	$ -	$ 69,169,793

PARTS AUTHORITY LLC PROFIT SHARE/401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5 – Common Collective Trusts

The Plan offers the MetLife Wilmington Stable Value Fund (the Trust), as an investment option, which is a common collective trust fund. The Trust is a guaranteed investment contract. The value is presented at contract value. The contract is fully benefit-responsive. The fair value of the Trust is determined by MetLife based on quoted market prices of the underlying investments owned by MetLife.

Shares of a Common Collective Trust: The following tables summarize investments measured at contract value based on NAV per share (a):

	Assets at Contract Value as of December 31, 2025			
	Contract Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
MetLife Stable Value J	$ 6,027,009	n/a	Daily	12 Months

	Assets at Contract Value as of December 31, 2024			
	Contract Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
MetLife Stable Value J	$ 5,812,838	n/a	Daily	12 Months

In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy.

NOTE 6 – Party-In-Interest Transactions

Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. Additionally, certain administrative expenses are paid by the Plan.

Certain Plan investments are managed by the Trustee of the Plan; accordingly, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in administrative fees. The total administrative fees considered to be party-in-interest transactions amounted to $389,185 for the year ended December 31, 2025.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their accounts.

NOTE 8 - Tax Status

The Plan uses a prototype plan document sponsored by the plan administrator. The plan administrator received an opinion letter from the Internal Revenue Service ("IRS") dated July 8, 2014, which states that the prototype document satisfied the applicable provision sections of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the prototype plan document, sponsored by Parts Authority LLC and used by the Plan, received its opinion letter from the IRS, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that at December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. If the Plan were to incur an income tax liability from an uncertain tax position in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax liability would be reported as income tax expense. Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analysis of tax law regulations, and interpretations thereof as well as other factors.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2022.

NOTES TO FINANCIAL STATEMENTS

NOTE 9 - Risks and Uncertainties

The Plan provides for investment options in various mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10 - Reconciliation of Financial Statements to Form 5500

The Plan files its Form 5500 on a cash basis and maintains its financial statements on an accrual basis in accordance with generally accepted accounting principles and the rules and regulations of the DOL.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

NOTE 11 – SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions became effective in 2024 and thereafter. There is no material impact to the Plan's 2025 financial statements.

NOTE 12 - Subsequent Events

The Plan evaluated subsequent events through September 8, 2026 the date which the financial statements were available to be issued, for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment or disclosure in the financial statements.
