**Accountant's Opinion Letter Regarding a 401(k) Plan**

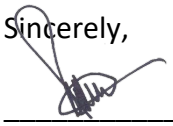

To Whom It May Concern:

After reviewing the benefits and requirements of a 401(k) retirement plan, it is my professional opinion that a 401(k) plan provides significant advantages to both employees and employers. The plan encourages employee retirement savings through payroll deductions while offering valuable tax benefits and potential employer matching contributions.

From an employer's perspective, a 401(k) plan can serve as an effective tool for attracting and retaining qualified employees, while employer contributions are generally tax-deductible. Although the plan requires administrative oversight and compliance with applicable regulations, the long-term benefits typically outweigh the associated costs.

Based on these factors, I believe that a properly administered 401(k) plan is a sound financial and employee-benefit strategy that can contribute positively to the organization's overall compensation and retirement planning objectives.

Sincerely,

_____
