# Independent Auditors' Report

Plan Administrator
North Florida Sales 401(k) Profit Sharing Plan
Jacksonville, Florida

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of North Florida Sales 401(k) Profit-sharing Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits, as of December 31, 2025 and 2024, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution, or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- The information in the financial statements referred to above related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

3317 Frederica Street, Suite 10
P.O. Box 1824
Owensboro, KY 42302-1824
Fax 270.684.0178

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

## Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025, is presented for purposes of additional analysis, and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management, and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# North Florida Sales 401(k) Profit Sharing Plan

## Notes to Financial Statements

## December 31, 2025 and 2024

## Note 1: Description of the North Florida Sales 401(k) Profit Sharing Plan

The following description of the North Florida Sales 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document and *Summary Plan Description,* which are available from the Plan administrator, for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan sponsored by North Florida Sales (Company) for the benefit of its employees who have at least one year of service and are age 21 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). V. G. Pelham, III and Greg Holzmeyer are the trustees of the Plan. Reliance Trust Company (RTC) served as Plan custodian through June 30, 2024. Effective July 1, 2024, Transamerica Trust Company (TTC) became Plan custodian. Transamerica Retirement Solutions, LLC (Transamerica) provides recordkeeping services.

### *Contributions*

The Plan permits eligible employees, through a salary deferral election, to have the Company make annual contributions of eligible compensation. Contributions are subject to certain limitations. Employee rollover and Roth contributions are also permitted. For participants employed as of the end of the Plan year, the Company contributes to the Plan a discretionary matching contribution based on the participant's salary deferral. Additional amounts may be contributed at the discretion of the Company's board of directors. Forfeitures are used as employer contributions.

The Plan has automatic enrollment for eligible participants. The Company will automatically withhold 2% of employees' eligible salary each pay period. Employees may enter a salary reduction agreement to select an alternative deferral amount or elect not to defer in the Plan.

### *Participant Investment Account Options*

Investment account options available include various funds. Each participant has the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

# North Florida Sales 401(k) Profit Sharing Plan

## Notes to Financial Statements

## December 31, 2025 and 2024

### *Participant Accounts*

Each participant's account is credited with the participant's contribution, the Company's contribution, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### *Vesting*

Participants are immediately vested in their voluntary contributions, plus earnings thereon. Vesting in the Company's contribution portion of their accounts, plus earnings thereon, is based on years of continuous service. A participant is fully vested after six years of continuous service. The nonvested balance is forfeited upon termination of service. The administrator may elect to use forfeitures to pay administration costs of the Plan, restore previously forfeited account balances, or reduce employer contributions.

### *Payment of Benefits*

Upon termination of service, an employee will receive a lump-sum amount equal to the value of his or her account or a partial withdrawal. The Plan allows for hardship distributions and in-service distributions for participants who have attained age 59 ½.

### *Forfeited Accounts*

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $5,265 and $27,638, respectively. These amounts are used as employer contributions.

### *Participant Loans*

The Plan document includes provisions authorizing loans from the Plan to active, eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be $1,000. The maximum amount of a participant's loan is determined by the available loan balance, restricted to the lesser of $50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings, unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates, as determined by the Plan administrator. Loans bear interest at 2% over prime.

### *Plan Termination*

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## Note 2: Summary of Significant Accounting Policies

### *Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value.

### *Use of Estimates*

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

### *Valuation of Investments and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines valuation policies utilizing information provided by the investment advisers, custodians, and the insurance company. See Note 5 for discussion of fair value measurements.

The Plan holds units of a common/collective trust (CCT) in Putnam Stable Value Fund (Putnam) that has investments in fully benefit-responsive investment contracts. The fair value of the Plan's interest in the fund is based on audited financial information reported by the issuers. The issuers determine fair value based on the underlying investments. The value of the CCT represents contributions, plus earnings, less participant withdrawals and administrative expenses. The fund is valued at the net asset value (NAV) as permitted by practical expedient and reported by the respective fund at each valuation date. The use of NAV is deemed appropriate, as these types of investments do not have finite lives or significant restrictions on redemptions. Subject to certain restrictions, withdrawals from the Putnam fund are generally permitted daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as those held during the year.

### *Plan Tax Status*

The Plan operates under a volume submitter plan document sponsored by FIS Business Systems, LLC. The volume submitter plan document has been filed with the appropriate agency. The volume submitter plan received its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. With a few exceptions, the Plan is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2022.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

### *Payment of Benefits*

Benefit payments to participants are recorded upon distribution.

### *Administrative Expenses*

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

### Note 3: Investments

The Plan's investment information included throughout the Plan's financial statements and supplemental schedule was prepared by, or derived from, information provided by RTC, the Plan's custodian through June 30, 2024, and TTC became the Plan's custodian effective July 1, 2024. The Employer Plan Statement was prepared by Transamerica and furnished to the Plan administrator. The custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the custodians, as of and for the years ended December 31, 2025 and 2024, that the information provided to the Plan administrator by the custodians and Transamerica is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information which appears throughout the financial statements and the supplemental schedule.

### Note 4: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons. The Plan has a number of service providers. Such providers are parties-in-interest under ERISA.

The Company provides certain administrative services at no cost to the Plan.

### Note 5: Fair Value of Plan Assets and Liabilities

ASC Topic 820, *Fair Value Measurements*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Topic 820 also specifies a fair value hierarchy, which requires a plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

**Level 1** Quoted prices in active markets for identical assets or liabilities;

**Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; and

**Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies and inputs used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying Statements of Net Assets Available for Benefits, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy.

### *Investments*

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds. If quoted market prices are not available, fair values are estimated by using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. There are no investments classified in Levels 2 or 3 of the valuation hierarchy.

The following tables present the fair value measurements of assets and liabilities recognized in the accompanying Statements of Net Assets Available for Benefits measured at fair value on a recurring basis and the level within the fair value hierarchy, in which the fair value measurements fall at December 31:

## Note 6: Expense Budget Account

Transamerica rebates certain amounts to the Plan based on a fee concession. This rebate is calculated and credited to the expense budget account, a suspense account used by Transamerica.

The expense budget account may be used for Plan expenses or allocated to participants as additional income. During 2025, the account received $56,757 in rebates, which were utilized to offset $51,581 of Plan expenses. During 2024, the account received $58,565 in rebates, which were utilized to offset $49,088 of Plan expenses.

The expense budget account balance, as of December 31, 2025 and 2024, was $96,411 and $88,610, respectively, and is included in other assets in the Statements of Net Assets Available for Benefits.

## Note 8: Risks and Uncertainties

### *Investment Securities*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

Given the volatility of current economic conditions, the values of assets recorded in the financial statements could change rapidly, resulting in material future adjustments in investment values that could negatively impact the Plan.

### *Significant Concentrations*

At December 31, Plan assets are concentrated in the following investments:

| | 2025 | 2024 |
|---|---|---|
| AB Large Cap Growth | 13% | 14% |
| Nationwide Bond Index | 14% | * |
| iShares S&P 500 Index | 12% | 12% |
| Putnam Stable Value Fund | 12% | 13% |

## Note 9: Subsequent Events
