INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of **Brown Automotive Group 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV 4(i) – Schedule of Assets, as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Brown Automotive Group 401(k) Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the most current Plan document.

General
The Plan is a defined contribution retirement plan, which provides for the participation of substantially all employees of Brown Automotive Group and related participating employers (the Company), who have completed 6 months of service and attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions, employer matching contributions and for a separate annual employer discretionary contribution.

ADP Retirement Services serves as the Plan's recordkeeper and is responsible for executing all investment transactions.

Contributions
Participants may make salary deferral contributions through payroll deductions of not less than 1% up to 90% of their compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, the Company may make a discretionary match contribution once a year which is applied to active participants who made salary deferral contributions to the Plan. The employer discretionary match is subject to change each year at the Company's discretion. Participant and Company contributions are subject to the provisions of the IRC and related regulations.

Participant Accounts
Each participant's account is credited with the participant's contributions and allocations of (a) the employer discretionary contributions, if any, and (b) Plan earnings. Allocations are based on account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Loans to Participants
The Plan allows participants to obtain loans from their vested accounts, which may not exceed the lesser of one half of the participant's vested interest in their account balances or $50,000. The Plan allows two loans outstanding at one time and no loan issued in an amount less than $1,000 will be made. Participant loans are maintained and serviced by the Plan's custodian as assets of the Plan. Participants should refer to the separate loan policy of the Plan for further information. Principal and interest is paid ratably through payroll deductions. Interest rates are based on prime rate plus 1.00%. Interest rates on outstanding participant loans at December 31, 2025 ranged from 4.25% to 9.50%.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Forfeited Accounts
Forfeited balances of terminated participants' non-vested accounts are used as a reduction of the employer discretionary contributions in the year subsequent to the year in which the forfeitures occur or to reduce pay administrative expenses. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $17,465 and $13,802, respectively. During 2025, no forfeitures were used to pay administrative expenses or reduce the employer matching contribution.

Vesting
Participants are immediately vested in their salary deferral contributions. Participants vest in the annual discretionary match contributions gradually between their 2nd year (25%) and 5th year (100%) of service.

Payment of Benefits
Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum distribution, periodic installments or a combination of these two options. If a participant's vested balance is $5,000 or less (excluding amounts rolled over from another qualified plan), the participant will receive a single lump sum distribution of their entire vested account balance. Also, the Plan will provide for automatic rollover distributions of terminated participant's vested accounts between $1,000 and $5,000 to a qualified individual retirement account.

Investment Options
Upon enrollment in the Plan, a participant may direct his/her contributions in any of the investment options currently offered by the Plan's investment custodian. The Plan currently offers various mutual funds as investment options for participants. Participants may change their investments daily.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Subsequent Events
The Plan Administrator has evaluated subsequent events through October 8, 2026, the date the financial statements were available to be issued.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment custodians. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Administrative Expenses
The Plan sponsor has elected to absorb most of the administrative costs of the Plan. Such amounts paid by the Plan sponsor are not reflected in the Plan's financial statements.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Payment of Benefits
Benefit payments are recorded when paid.

Contributions
Participant contributions and employer matching contributions are recognized during the period in which the respective payroll deductions are made.

NOTE 3 - INFORMATION CERTIFIED BY ADP RETIREMENT TRUST SERVICES, LLC AND RELIANCE TRUST COMPANY

The following is a summary of the asset information as of December 31, 2025 and 2024, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the Plan's custodians ADP Retirement Trust Services, LLC and Reliance Trust Company, respectively, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodians, that the information provided to the Plan Administrator related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following assets:

	2025	2024
Investments at Fair Value:		
Mutual funds	$ 7,572,320	$ 7,296,816
Notes receivable from participants	$ 248,623	$ 280,527

The custodian also certified to the completeness and accuracy of $801,336 of net appreciation in fair value of investments, $363,913 of interest and dividends and $25,000 of participant loan interest related to the aforementioned assets for the year ended December 31, 2025.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

NOTE 5 - INCOME TAX

The Plan has not received a determination letter on their adoption of the Pre-approved plan. The pre-approved plan received an opinion letter from the IRS dated October 6, 2020 stating that it is qualified under section 401 of the Internal Revenue Code (IRC), and that any employer adopting this form of the plan will be considered to have a qualified plan under section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2022.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2025 and 2024, the Plan held participant loans totaling $248,623 and $280,527, respectively, which qualify as party-in-interest transactions. Administrative fees incurred and paid by the Plan to the recordkeeper were approximately $10,000 in 2025 and qualify as party-in-interest transactions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 8 – FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31:

	Assets at Fair Value 2025			
	Level 1	**Level 2**	**Level 3**	**Totals**
Mutual Funds	$ 7,572,320	$ -	$ -	$ 7,572,320
Total Investments, at Fair Value	$ 7,572,320	$ -	$ -	$ 7,572,320

	Assets at Fair Value 2024			
	Level 1	**Level 2**	**Level 3**	**Totals**
Mutual Funds	$ 7,296,816	$ -	$ -	$ 7,296,816
Total Investments, at Fair Value	$ 7,296,816	$ -	$ -	$ 7,296,816

Changes in Fair Value and Related Gains and Losses
During 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $801,336. During 2025, interest and dividends earned totaled $363,913.

NOTE 9 - SUBSEQUENT EVENTS

Effective October 31, 2025, Brown Automotive Group sold its ownership interest in Brown Honda of San Angelo (the "Employer"), a participating employer in the Plan, to Kris Little, who previously held the remaining 25% ownership interest in the Employer. As a result of the sale, Kris Little became the 100% owner of the Employer. Employees of the Employer continued to participate in the Plan through March 31, 2026.

Effective March 31, 2026, the Employer ceased to be a participating employer in the Plan, and the account balances of the Employer's employees who were participants in the Plan were transferred out of the Plan. Account balances totaling approximately $249,000 as of March 31, 2026, were transferred to the Little Honda 401(k) Plan, a plan sponsored by the Employer, in a plan-to-plan transfer.

Because the transfer occurred after the Plan's financial statement date, the Plan's net assets available for benefits as of December 31, 2025, and the changes therein for the year then ended, have not been adjusted for this event. Management does not expect the transfer to adversely affect the Plan's tax-qualified status.
