INDEPENDENT AUDITORS' REPORT

Flexware Innovation, Inc. 401(k) Plan
Fishers, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the financial statements of Flexware Innovation, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Flexware Innovation, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Flexware Innovation, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Flexware Innovation, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Flexware Innovation, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Flexware Innovation, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

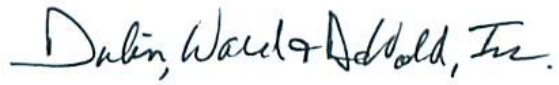

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

1. DESCRIPTION OF THE PLAN

The following description of the Flexware Innovation, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) Salary Deferred plan covering substantially all employees of Flexware Innovation, Inc. (Company) who have completed at least one month of service. New participants may enter the Plan monthly upon satisfying the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee oversees governance of the Plan, determines appropriateness of the Plan's offerings, and monitors investment performance.

Contributions

Each year participants may contribute up to 80 percent of pretax annual compensation. Participants may also make Roth contributions as defined in the Plan. Employee rollover contributions and "catch up" contributions for those participants who are age 50 by the end of the Plan year are also permitted. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their initial deferral rate set at 4% and will automatically increase by 1% each year on participant's automatic enrollment anniversary date up to a maximum of 10%. Contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified plans. The employer may contribute to the Plan a discretionary contribution. For 2025 and 2024, the employer made contributions to the Plan of 100% of elective deferrals up to 4% of compensation. Forfeitures will be used to pay fees and reduce any employer contribution.

Participant's Accounts

Each participant's account is (a) credited with the participant's contribution, an allocation of the Company's contribution and plan earnings and, (b) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(continued)

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. A participant is 100 percent vested in employer contributions upon entering the plan.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, monthly installments, or partial withdrawals.

Notes Receivable – Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions in one percent increments into various investment options offered by the Plan. The plan assets are invested in various accounts offered by Reliance Trust Company.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan's management to make estimates and assumptions that affect the reported amounts of plan assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

(continued)

2. SUMMARY OF ACCOUNTING POLICIES (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Minimum Funding Requirements

Contributions to the Plan have been funded in accordance with the minimum funding standards of ERISA.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan's management has evaluated subsequent events through September 22, 2026, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the custodian of the Plan).

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the years presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

(continued)

4. FAIR VALUE MEASUREMENTS (continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on the net asset value (NAV) provided by the transfer agents for the funds.

Level 2 Fair Value Measurements

The fair value of common/collective trusts is based on the underlying securities within the fund as determined by the trust sponsor. Unit values are determined by dividing the fund's net assets at fair value by the fund's outstanding shares.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025.

	Level 1	*Level 2*	*Total*
Mutual funds	$ 24,401,236	$ -	$ 24,401,236
Common/collective trusts	-	338,232	338,232
Total assets at fair value	$ 24,401,236	$ 338,232	$ 24,739,468

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024.

	Level 1	*Level 2*	*Total*
Mutual funds	$ 18,966,269	$ -	$ 18,966,269
Common/collective trusts	-	580,860	580,860
Total assets at fair value	$ 18,966,269	$ 580,860	$ 19,547,129

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers of investments into or out of Level 3.

5. DEFERRED VESTED BENEFITS AND FORFEITED ACCOUNTS

Assets allocated to participants who have withdrawn from the Plan amounted to $-0- at December 31, 2025 and 2024. There were forfeitures of $2,718 at December 31, 2025 and $2,628 at December 31, 2024. Forfeitures will be used to pay fees and reduce any employer contribution.

6. PLAN TERMINATIONS

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan terminations, participants will become 100 percent vested in their accounts.

7. TAX STATUS

The Plan has obtained a favorable tax determination letter from the Internal Revenue Service. The Plan has been amended since receiving the determination letter. However, the plan sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date.

8. REPORTABLE TRANSACTIONS

There were no single transactions or series of transactions within the plan year in excess of five percent of the current value of the plan assets that are required to be reported on the Form 5500.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of investment funds managed by Reliance Trust Company. Reliance Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping services totaled $45,911 in 2025 and in $37,584 in 2024. Additionally, the Plan paid for investment advisor services totaling $50,081 in 2025 and $43,062 in 2024.
