INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Broadhead Enterprises, Inc. Employee Stock Ownership Plan

Opinion
We have audited the financial statements of Broadhead Enterprises, Inc. Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits (in liquidation) as of December 31, 2025, the statement of net assets available for benefits (ongoing) as of December 31, 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Broadhead Enterprises, Inc. Employee Stock Ownership Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Broadhead Enterprises, Inc. Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting
As further discussed in Note 1 to the financial statements, the Board of Trustees of Broadhead Enterprises, Inc. Employee Stock Ownership Plan voted April 18, 2025 to terminate the plan and management determined liquidation is imminent. In accordance with accounting principles generally accepted in the United States of America, the Plan changed its basis of accounting used to determine the amounts at which assets are stated, from the ongoing plan basis (accrual basis) used in presenting the 2024 statement of net assets available for benefits, to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Broadhead Enterprises, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

(Continued)

JOHN A. KNUTSON & CO., PLLP

INDEPENDENT AUDITOR'S REPORT (Continued)

Responsibilities of Management for the Financial Statements *(Continued)*
Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Broadhead Enterprises, Inc. Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Broadhead Enterprises, Inc. Employee Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2025 and 2024

1. PLAN DESCRIPTION

The following description of the Broadhead Enterprises, Inc. Employee Stock Ownership Plan (Plan) provides only general information regarding the Plan. Participants should refer to the Plan documents for a more complete description of Plan provisions.

General
Broadhead Enterprises, Inc., (Company) established the Plan effective as of January 1, 2018. The Plan operates in relevant part, as a non-leveraged employee stock ownership plan (ESOP) and is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986 as amended (IRC), and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility
Employees of the Company are generally eligible to participate in the Plan after one year of service, providing they worked at least 1,000 hours and have reached the age of 21 during such plan year. Participants who do not have at least 1,000 hours of service or have not reached the age of 21 during such plan year or are not employed on the last working day of a plan year are generally not eligible for an allocation of Company contributions for such year.

Contributions
The Company makes contributions of cash or stock to the Plan which are determined annually by the trustees of the ESOP. Employee contributions are not permitted.

Participant Accounts
The Plan is a defined contribution plan under which a separate individual account is established for each participant. The Plan allocates contributions and forfeitures to eligible participants proportionally based on eligible compensation. Administrative expenses and investment activity are allocated proportionally based on the participant's account balance. Only those participants who are eligible employees of the Company as of the last day of the Plan year will receive an allocation.

Vesting
Participants are vested based on years of service. A participant is 100 percent vested after 6 years of credited service. The account of a participant which is not vested shall be forfeited upon completion of a break-in-service of five or more consecutive years or, if earlier, distribution of the participant's entire vested account balance.

Payment of Benefits
Upon death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested account balance by the end of the following plan year.

(Continued)

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2025 and 2024

1. PLAN DESCRIPTION (Continued)

Payment of Benefits (Continued)

Upon termination of service, a participant with a non-forfeitable accrued benefit less than $1,000 shall receive a lump-sum amount equal to the participant's vested account balance by the end of the following year. Participants with a non-forfeitable accrued benefit less than $7,000 but exceeding $1,000 can elect to receive a lump-sum amount equal to the participant's vested account balance by the end of the following year or a rollover distribution to an individual retirement account. Participants with a non-forfeitable accrued benefit greater than $7,000 will begin to receive the vested account balance by the close of the sixth plan year following the plan year of termination or, if earlier, the year following the date of normal retirement age. Prior to separation from service, a participant reaching age 70 ½ can elect to receive all or a portion of their vested account balance or defer payment until retirement.

Forfeited Amounts

Forfeited non-vested amounts are allocated to participants in the year of forfeiture. Total forfeitures allocated to participants was $-0- and $2,842 for the years ended December 31, 2025 and 2024, respectively. There were no forfeitures available to reduce administrative expenses as of December 31, 2025.

Put Option

Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current appraised value of the stock. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Diversification

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25 percent of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changes to 50 percent. Participants who elect to diversify receive a cash distribution.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares allocated to his or her account and is notified by the Trustee prior to the time that such rights are to be exercised. The Trustee is permitted to vote for any allocated share for which instructions have not been given by a participant.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2025 and 2024

1. PLAN DESCRIPTION (Continued)

Plan Termination

On April 18, 2025, the Board of Trustees of the Company adopted a resolution to terminate the Plan, effective August 1, 2025. In connection with the termination, all participants became 100% vested in their account balances as of the termination date. The Plan was amended, as required, to cease benefit accruals and to provide for distribution of all Plan assets in accordance with the Plan document and applicable regulations.

The Plan's assets will be distributed to participants and beneficiaries as soon as administratively feasible. As of December 31, 2025, the Plan had not completed all final distributions.

For the year ended December 31, 2025, the Plan continued to maintain its qualified status under Internal Revenue Code Section 401(a) and remained subject to the reporting, disclosure, and other requirements of ERISA and applicable regulations until Plan assets are fully distributed and the Plan is terminated in fact.

On June 23, 2026, the Plan received a determination letter form the IRS allowing the termination effective as of August 1, 2025.

Subsequent Events

Subsequent events have been evaluated through October 9, 2026, which is the date the financial statements were available to be issued.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the liquidation basis of accounting as of and for the year ended December 31, 2025 and the accrual basis as of and for the year ended December 31, 2024.

Estimates

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The common shares of the Company are valued annually by independent appraisals. See Note 4 for further discussion of investment valuation inputs.

Purchases and sales of common shares are recorded based on the most recent appraisal value.

Gains and losses (realized and unrealized) are included in the statement of changes in net assets available for benefits as net appreciation (depreciation) in company stock.

(Continued)

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2025 and 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of redemptions are charged to the participant's account and are included in investment and administrative expenses.

Risks and Uncertainties

The Plan invested in the Company's stock. The Company's stock was exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with the investment portfolio, it was at least reasonably possible that changes in the values of the investment portfolio would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.

As of December 31, 2024, the Plan had an investment totaling $2,489,025 that was concentrated in company stock.

3. INVESTMENTS

The Plan's investment in Company stock as of December 31, 2025 and 2024 are as follows:

	2025	2024
Company common stock		
Number of shares	-0-	17,500
Cost	$ -0-	$ 2,794,825
Fair value	-0-	2,489,025

4. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles established a framework for measuring fair value based on a hierarchy that prioritizes valuation inputs as referenced below:

Level 1	Inputs using quoted prices in active markets for identical assets or liabilities
Level 2	Significant other observable inputs including quoted prices for similar assets in active or inactive markets, inputs that are derived from or corroborated by observable market data by correlation or other means, or inputs other than quoted prices that are observable for the asset
Level 3	Significant unobservable inputs

(Continued)

4. FAIR VALUE MEASUREMENTS (Continued)

Valuation levels are not necessarily an indication of associated risk.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of the Company common stock held in the Plan is valued at estimated fair value based upon independent appraisal. The appraisal was based upon a combination of the market and income valuation techniques consistent with prior years. The appraiser took into account projected cash flow and net income, discount rates, market comparable sales, public company sales, and discounts for lack of control and lack of marketability. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the Plan's investments that are accounted for at fair value on a recurring basis:

December 31, 2024	Level 1	Level 2	Level 3	Total
Company common stock	$ -0-	$ -0-	$ 2,489,025	$ 2,489,025
Total investments at fair value	$ -0-	$ -0-	$ 2,489,025	$ 2,489,025

The following table summarizes the Plan's changes in the fair value of the Plan's level 3 assets for the years ended December 31:

	2025	2024
Transfers in	$ -0-	$ -0-
Transfers out	-0-	-0-
Stock sales	2,600,000	-0-
Stock contributed	-0-	355,575

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Principal and Ventura Trust Company are the trustees as defined by the Plan, and therefore, the transactions qualify as party-in-interest transactions. Fees paid by the Plan to Ventura Trust Company for investment management services totaled $30,000 and $-0- for the years ended December 31, 2025 and 2024, respectively. All other fees were paid by the Company. The Plan accrued an estimated $6,000 of fees expected to be incurred in 2026 related to Plan termination under the liquidation basis of accounting for the year ended December 31, 2025.

The Plan invested in Company common stock, and received dividends and contributions from the Company, as applicable. These were related party and party-in-interest transactions.

6. INCOME TAX STATUS

The Plan obtained its latest determination letter on August 27, 2018, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

The Plan was terminated as of August 1, 2025. The Company redeemed all shares of Company stock for $2,600,000.

8. ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.
