# INDEPENDENT AUDITOR'S REPORT

To the Plan Trustee and Participants of the
Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements**

We have performed the audit of the accompanying financial statements of the Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2025 audit of the Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2025 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITOR'S REPORT (Continued)

**Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2025 Financial Statements.

**Responsibilities of Management for the 2025 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2025 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**INDEPENDENT AUDITOR'S REPORT** (Continued)

**Auditor's Responsibilities for the Audit of the 2025 Financial Statements** (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**INDEPENDENT AUDITOR'S REPORT** (Continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# MONSMA MARKETING CORPORATION EMPLOYEES' PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2025

## NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Monsma Marketing Corporation Employees' Profit Sharing Plan and Trust ("the Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan was originally established effective November 30, 1983, and was amended and restated effective January 1, 2022. The Plan is a defined contribution plan covering eligible employees of Monsma Marketing Corporation and participating employers that have adopted the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Monsma Marketing Corporation serves as Plan Administrator. Doeren Mayhew Advisors, LLC serves as the Plan's third-party administrator and performs administrative and compliance services for the Plan. Charles Schwab Trust Bank serves as custodian of Plan assets, and The Sentinel Group serves as recordkeeper.

### *Eligibility*

The Plan covers eligible employees of Monsma Marketing Corporation and participating employers. Employees are immediately eligible to make elective deferral contributions upon employment. Eligibility requirements for employer matching contributions and employer nonelective profit-sharing contributions generally require employees to attain age 18 and complete one year of service. Eligible employees meeting the requirements for employer matching and nonelective contributions become participants in those components of the Plan on the first day of the month coinciding with or next following satisfaction of the eligibility requirements. Certain employee classifications, as defined by the Plan, may be excluded from participation in specific contribution components.

### *Funding*

Participants may contribute up to 100% of eligible compensation, subject to Internal Revenue Service ("IRS") limitations. Elective deferrals may not exceed $23,500 in 2025 and $23,000 in 2024. Participants who attain age 50 before the end of the Plan year may make additional catch-up contributions of up to $7,500 in both 2025 and 2024. In accordance with SECURE 2.0 Act provisions, participants who attain ages 60 through 63 during 2025 are eligible to make enhanced catch-up contributions of up to $11,250. Participants may also contribute amounts representing eligible rollover distributions from other qualified retirement plans.

The Plan provides for employer matching contributions equal to 100% of the first $1,000 of eligible employee deferrals and 50% of the next $3,000 of eligible employee deferrals, subject to a maximum annual matching contribution of $2,500 per participant. The Plan may also provide discretionary employer nonelective profit-sharing contributions, which are allocated to eligible participants in accordance with the provisions of the Plan.

**NOTE 1. DESCRIPTION OF THE PLAN** (Continued)

***Participant Accounts***

Individual accounts are maintained for each Plan participant and may be credited with participant contributions, employer matching contributions, employer nonelective contributions, rollover contributions, and investment gains or losses. Participant-specific Plan expenses may be charged to the applicable account. Each participant's account is charged with any distributions made to that participant.

***Notes Receivable from Participants***

Participants may borrow from their accounts from $1,000 minimum to a maximum of 50% of their vested account balance or $50,000 minus any outstanding loan balance from the Plan as of the date of the new loan; whichever is less. Loan terms would not exceed 5 years unless the loan was for the purchase of a primary residence. Roth contributions are not permitted to secure the loan balance. The maximum number of Plan loans that a participant may have outstanding at any one time is two. The loans would be secured by the balance in the participant's account. The loan interest rate is set in a nondiscriminatory manner established by the Plan Administrator, as defined in the Plan document. Outstanding participant loans as of December 31, 2025, bore interest rates ranging from 5.25% to 10.50%. Loans are only available to Plan participants who are active employees of the Plan sponsor or participating employers, therefore, they become payable in full upon termination of employment. Participant loans had an outstanding balance as of December 31, 2025 and 2024 of $72,116 and $56,362, respectively.

Notes receivable from participants are measured at unpaid principal plus accrued but unpaid interest. Interest income is recognized as earned. Participant loans are subject to the terms of the Plan and applicable requirements, including reasonable interest, adequate security, and periodic repayment. Delinquent participant loans may be treated as distributions when permitted under the Plan and applicable tax rules.

***Vesting***

A participant's vested benefit under the Plan is the portion of the participant's account balance that the participant owns, including 100% of the participant's own contributions and rollover contributions. Vesting of the employer's matching and nonelective contributions is based on the following:

| Years of Vesting Service | Vested Percentage |
|---|---|
| 0–1 year | 0% |
| 2 years | 20% |
| 3 years | 40% |
| 4 years | 60% |
| 5 years | 80% |
| 6 years or more | 100% |

**NOTE 1. DESCRIPTION OF THE PLAN** (Continued)

***Vesting*** (Continued)

Regardless of the vesting schedule above, a participant is automatically fully vested in their share of profit-sharing contributions upon death, total and permanent disability, or attainment of Normal Retirement Age, which is age 65.

***Investment Options***

Upon enrollment in the Plan, participants may direct contributions and account balances among a selection of securities and investment portfolios offered under the Plan. Participants may direct the investment of all Plan accounts.

***Payment of Benefits***

Upon termination of employment, death, total and permanent disability, or attainment of age 59½, a participant may elect to receive a distribution equal to the value of the participant's vested account balance in the form of a lump-sum payment, partial withdrawals, which are generally subject to a minimum distribution amount of $10,000, or a direct rollover to an individual retirement account or another qualified retirement plan, subject to applicable withholding requirements.

Participants with vested account balances not exceeding $5,000 may be subject to mandatory distribution provisions in accordance with the Plan. Amounts for which no election is made may be automatically rolled into an individual retirement account pursuant to the Plan's provisions.

Participants may also request hardship distributions, subject to the Plan's requirements. Participants become fully vested upon death, total and permanent disability, or attainment of Normal Retirement Age, which is age 65.

***Forfeitures***

Forfeitures of nonvested accounts may be used toward Plan expenses or to reduce future employer contributions. As of December 31, 2025 and 2024, there was a forfeiture balance of $719 and $8,772, respectively, and during the year ended December 31, 2025, $8,772 was used to pay Plan expenses.

***Termination of the Plan***

Although it has not expressed any intent to do so, the Employer has the authority under the Plan to amend, restate, or terminate the Plan, in whole or in part, subject to applicable law. In the event of a complete Plan termination or complete discontinuance of contributions, participants will become 100% vested in their accrued benefits to the extent funded as of the applicable date. Benefits may be paid upon termination of the Plan in accordance with the Plan's distribution provisions.

## NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Basis of Accounting and Use of Estimates*

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value (see Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Concentrations of Credit Risk*

Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of investments, employer contribution receivables, and notes receivable from participants. The Plan's investments are participant-directed and are invested primarily in mutual funds and money market funds. Such investments are exposed to various risks, including market, interest rate, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

### *Payment of Benefits*

Benefits are recorded when paid.

### *Administrative Expenses*

Expenses are recorded when incurred in accordance with the accrual basis of accounting. Certain expenses of maintaining the Plan may be paid by the Plan or directly by the Plan Sponsor. Expenses paid directly by the Plan Sponsor are excluded from the accompanying financial statements. Certain participant-specific expenses, including participant loan fees, may be charged directly to the accounts of the applicable participants. Investment-related expenses are reflected as a reduction of investment income and are included in net appreciation in fair value of investments.

## NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Charles Schwab Trust Bank ("Charles Schwab"), the custodian, held the Plan's investments as of December 31, 2025 and 2024. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025, and the total investments at fair value reflected on the supplementary schedule Form 5500 - Schedule H, Line 4i –Schedule of Assets (Held at End of Year) as of December 31, 2025.

Allocations among the investment options are participant-directed. Participant accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and applicable administrative expenses.

During the year ended December 31, 2025, the Plan's underlying investments, including gains and losses on investments bought and sold and investments held during the year, appreciated in value by $2,756,965. This amount is reported as net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

## NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual term), the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of the unobservable inputs.

**NOTE 4. FAIR VALUE MEASUREMENTS** (Continued)

The following is a description of the valuation methods used for assets measured at fair value.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at the floating net asset value of shares held by the Plan at year-end.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Money market funds | $ 46,423 | $ - | $ - | $ 46,423 |
| Mutual funds | 25,804,830 | - | - | 25,804,830 |
| Total investments at fair value | $ 25,851,253 | $ - | $ - | $ 25,851,253 |

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Money market funds | $ 111,107 | $ - | $ - | $ 111,107 |
| Mutual funds | 21,144,855 | - | - | 21,144,855 |
| Total investments at fair value | $ 21,255,962 | $ - | $ - | $ 21,255,962 |

**NOTE 5. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS**

Monsma Marketing Corporation is the Plan's employer and sponsor. Certain administrative expenses of the Plan may be paid by the Plan or by the Plan sponsor in accordance with the terms of the Plan. Doeren Mayhew Advisors, LLC serves as the Plan's third-party administrator and provides administrative and compliance services to the Plan.

The Plan's investments are held through Charles Schwab, the Plan's custodian, and The Sentinel Group serves as the Plan's recordkeeper. To the extent these service providers are parties-in-interest under ERISA, transactions between the Plan and such parties are party-in-interest transactions; however, such transactions are permitted to the extent they qualify for applicable exemptions under ERISA.

Fees paid during the year for accounting and other services rendered by the parties-in-interest were based on customary and reasonable rates for such services.

## NOTE 6. RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

## NOTE 7. TAX STATUS

The Plan was amended and restated effective January 1, 2022, utilizing a pre-approved defined contribution plan document. The pre-approved plan document received a favorable IRS Opinion Letter dated July 3, 2025, indicating that the form of the prototype plan document satisfies the applicable qualification requirements of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and that the Plan continues to qualify under IRC Section 401(a). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 30, 2026, the date the financial statements were available to be issued, and has determined that other than disclosed below, no such events have occurred that would require adjustment to, or disclosure in, these financial statements.

Effective September 1, 2026, the Plan transferred all Plan assets from Charles Schwab to John Hancock Trust Company LLC, which became the Plan's custodian. Concurrently, recordkeeping services were transitioned from The Sentinel Group to John Hancock Retirement Plan Services LLC.
