Independent Auditor's Report

To the Plan Administrator of
Anne Arundel County Mental Health Agency, Inc. 403(B) Thrift Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of Anne Arundel County Mental Health Agency, Inc. 403(B) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Anne Arundel County Mental Health Agency, Inc. 403(B) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

59 Franklin Street, 2nd Floor
Annapolis, MD 21401

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Anne Arundel County Mental Health Agency, Inc. 403(B) Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anne Arundel County Mental Health Agency, Inc. 403(B) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that audits conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anne Arundel County Mental Health Agency, Inc. 403(B) Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anne Arundel County Mental Health Agency, Inc. 403(B) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

2025 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2025 Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's informational return filings are subject to audit by the Internal Revenue Service, generally for three years after filing.

General: The Anne Arundel County Mental Health Agency, Inc. 403(b) Thrift Plan (the Plan), originally effective November 17, 1994 and amended and restated effective October 1, 2023, is a defined contribution plan covering employees of Anne Arundel County Mental Health Agency, Inc. (the Employer), other than certain nonresident aliens and employees who normally work fewer than 20 hours per week. Employees are eligible to make elective deferrals and after-tax contributions from their date of hire, and become eligible for employer nonelective contributions after attaining age 21 and completing six consecutive months of employment with at least 80 hours of service in each month. The Plan is a volume submitter plan sponsored by Mutual of America Financial Group and is subject to ERISA and the Internal Revenue Code (IRC).

Participant Contributions: Participants may make pre-tax and Roth elective deferrals and after-tax contributions, subject to IRC limits, including age 50 catch-up contributions. The Plan accepts rollover contributions from other 403(b), 401(a), and 457(b) plans and certain IRAs.

Employer Contributions: Each year the Employer may make a discretionary nonelective contribution. The contribution is allocated to eligible participants in proportion to compensation. To share in an allocation, a participant must be employed on the last day of the plan year and complete at least 1,000 hours of service during the plan year. There were employer contributions of $580,579 and $504,019 for the years ending December 31, 2025 and 2024, respectively.

Participant Accounts: Each participant's account is credited with participant contributions, employer contributions, rollover contributions, and plan earnings, and charged with applicable fees. Participants direct the investment of their accounts.

Vesting: Participants are always 100% vested in all of their accounts. Normal Retirement Age is 62.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures: Since participants are fully vested, there were no forfeitures during the years ended December 31, 2025 and 2024.

Payment of Benefits: Benefits are payable upon termination of employment, death, disability, attainment of age 59½, or financial hardship. After-tax and rollover accounts may be withdrawn at any time. Distribution methods include lump-sum, installment, and ad hoc payments, subject to required minimum distribution rules.

Administrative Expenses: Most plan-related administrative expenses may be paid from plan assets and allocated among participants either pro rata, equally, or based on individual participant usage. Certain expenses, known as settlor expenses (generally related to plan design, establishment, or termination), must be paid by the employer. The employer may change the allocation method, and accounts of terminated employees may be charged for their share of expenses. Participants will be notified if expenses are charged directly to their accounts.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statements

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. The basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual amounts could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Participant contributions are recorded in the period in which the Employer withholds them from participants' pay. Participant contributions withheld but not yet remitted to the Plan at year end are reported as contributions receivable. Employer nonelective contributions are discretionary. They are recorded in the plan year for which the Employer formally commits to make the contribution on or before year end, and are reported as contributions receivable until remitted. Employer contributions that the Employer has not formally committed to by year end are not recorded. Participants direct the investment of all contributions.

NOTE 3 - INVESTMENT DATA

All investment data contained in the statements of net assets available for benefits as of December 31, 2025 and 2024, the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2025 was summarized from information provided by the Mid Atlantic Trust Company, the custodian of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the custodian that the information provided to the plan administrator by the custodian is complete and accurate.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Registered Investment Companies: The fair value of shares of registered investment companies are valued at the daily closing price as reported by the fund. Shares of registered investment companies held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2025:

2025	Quoted Market Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Registered Investment Companies	$ 9,895,155	$ ---	$ ---	$ 9,895,155

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2024:

2024	Quoted Market Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Registered Investment Companies	$ 7,898,855	$ ---	$ ---	$ 7,898,855

NOTE 5 - CERTIFIED INVESTMENTS

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Mid Atlantic Trust Company as of December 31:

	2025	2024
Investments, at Fair Value		
Registered Investment Companies	$ 9,895,155	$ 7,898,855

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - REPORTABLE TRANSACTIONS

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the beginning of the year. During the Plan years ended December 31, 2025 and 2024, there were no reportable transactions.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Mid Atlantic Trust Company is the Trustee of the Plan and charges administrative fees for certain transactions initiated by participants. These transactions qualify as party-in-interest transactions. For the years ended December 31, 2025 and 2024, administrative fees paid by the Plan to the Trustee amounted to $3,374 and $3,493, respectively.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan's auditor who audits the Plan's financial statements and the third-party administrator who provides accounting and administrative services are paid directly by the Plan Sponsor. These fees are not reflected in these financial statements.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The financial statements are prepared on the accrual basis of accounting and include participant contributions withheld and employer contributions formally committed as of year-end that were not yet remitted to the Plan, and, for 2024, a loss recovery receivable. Form 5500 reports contributions when received by the Plan and does not include these receivables. As a result, net assets available for benefits and total income reported on Form 5500 differ from those reported in the financial statements by the amounts of these receivables and their change during the year.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of net assets available for benefits per the audited financial statement to net assets available for benefits per the Form 5500 as of December 31, 2025 and 2024:

Total Additions per Form 5500	$ 2,382,774	1,705,748

NOTE 11 - SUBSEQUENT EVENTS

Subsequent to December 31, 2025, the Plan's document provider, Mutual of America Financial Group, adopted an amendment on behalf of the Plan on September 24, 2026, to incorporate provisions of the SECURE 2.0 Act of 2022, the SECURE Act of 2019, the CARES Act, and the Bipartisan American Miners Act. Effective January 1, 2026, participants whose prior-year FICA wages from the employer exceeded the statutory threshold, as adjusted, may not make catch-up deferrals. The remaining provisions of the amendment were effective on or before December 31, 2025. The amendment did not require adjustment to the Plan's financial statements as of December 31, 2025. Management has determined that the amendment is not expected to have a material effect on the Plan's net assets available for benefits.
