INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Do Life Better 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Do Life Better 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Do Life Better 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Do Life Better 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing our audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Do Life Better 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing our audits in accordance with generally accepted auditing standards, we:

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Do Life Better 401(k) Plan's ability to continue as a going concern for a reasonable amount of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental Schedule of Assets (Held at End of Year) relates to assets held by Capital Bank & Trust Company and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DO LIFE BETTER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following description of the Do Life Better 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement and Summary Plan Description (SPD) for a more complete description of the Plan's provisions.

General

Health & Rehab Solutions, Inc., (the "Company" or "Plan Sponsor") established the Plan effective January 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a qualified defined contribution plan covering substantially all employees except employees covered by a collective bargaining agreement, non-resident aliens who do not receive U.S. source income or leased employees.

The Plan was restated effective August 1, 2021, pursuant to the cycle three restatement period and current SECURE and CARES Acts legislation. As of August 1, 2021, employees not otherwise excluded become eligible to participate in the Plan after reaching age 21 and completion of 160 hours within 60 days of continuous service. Employees may enter the Plan on the first day of the calendar month subsequent to meeting the eligibility requirements.

Effective August 1, 2021, a joinder agreement was signed by all employers of the affiliated service group at that time to be recognized as adopting employers of the Plan. Any new employers joining the affiliated service group will sign a joinder agreement and be recognized as an adopting employer of the Plan.

Plan Administration

The administration of the Plan is the responsibility of the Plan Sponsor. All money that is contributed to the Plan is held for the benefit of the participants.

Contributions

Participants can make pre-tax elective deferrals and post-tax Roth deferrals into the Plan. Participants may contribute up to 100% of defined earnings, as limited by §402(g) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective for Plan years beginning in 2025, participants who are ages 60 through 63 as of the last day of the calendar year may make increased catch-up contributions up to $11,250. Participants can also contribute amounts representing rollover distributions from certain other tax-qualified retirement plans. Rollover contributions were $8,769 and $69,934 for the years ended December 31, 2025 and 2024, respectively. Participants direct the investment of their contributions into various investment options offered by the Plan.

A safe harbor matching contribution will be made to eligible participants equal to 100% of elective deferrals that do not exceed 3% of compensation, plus 50% of the deferrals that exceed 3% but do not exceed 5% of compensation. The Company made safe harbor matching contributions of $419,747 and $365,754 for the years ended December 31, 2025 and 2024, respectively. Additionally, the Plan allows for discretionary matching contributions or profit sharing contributions that would be determined by the Company each year, if made.

1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balances. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. The loan is secured by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Participant Accounts

Each participant account is credited with the participant's contributions, employer contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary deferral contributions and safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions or profit sharing contributions and earnings thereon is based on covered years of service. A participant is 20% vested after two years of covered service and vesting is increased 20% for each year of covered service thereafter. A participant is 100% vested after six years of covered service.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions into any of a variety of funds made available through the Plan. The Plan Sponsor may change the investment options offered at any time, as deemed appropriate. Participants have access to their account information through the Internet and may make allocation changes at any time, subject to the Securities & Exchange Commission restrictions on excess trading.

The fund offerings are intended to provide participants with a variety of investment options over the usual range of asset classes with varying risk categories from conservative to aggressive. The prospectuses of the various funds offer detailed information on the characteristics, operations, management and expenses of the investments offered.

Payment of Benefits

On termination of service due to death, total and permanent disability, separation of service or attainment of normal retirement age, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. A mandatory distribution may be made if the account balance is less than $7,000.

The Plan allows for hardship distributions from all account sources.

Forfeitures

Forfeitures are retained in the Plan and are to be used to reduce employer contributions or pay Plan expenses. Forfeitures used to reduce employer contributions totaled $1,465 and $0 for the years ended December 31, 2025 and 2024, respectively. The forfeitures available were $2,894 and $1,622 for the years ended December 31, 2025 and 2024, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis.

Investment, Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the loan is reclassified as a distribution based upon the terms of the Plan document.

Contributions

Contributions from Plan participants and the safe harbor matching contributions from the Company are recorded in the year in which the employee contributions are withheld from eligible compensation.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Certain other investment related administrative fees are paid by the Plan and are included in net appreciation in fair value of investments. Participants may be charged distribution fees upon withdrawal of their accounts.

Benefit Payments

Deductions for benefits are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and changes therein. Actual results could differ from those estimates.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investment information disclosed in the accompanying financial statements and schedule for the years ended December 31, 2025 and 2024, and net appreciation (depreciation) in fair value of investments, interest, dividends, gains (losses) on sales of assets, investment expenses and administrative fees were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Capital Bank & Trust Company, the custodian.

3. INFORMATION CERTIFIED BY THE CUSTODIAN (Continued)

Accordingly, as permitted under such election, the following information was not subjected to any auditing procedures performed by the independent accountants, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplement schedule:

	2025	2024
Investments	$ 8,321,080	$ 7,032,420
Net appreciation of investments	897,205	691,915
Dividends and interest	459,642	276,106

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the “Fair Value Measurements” under FASB ASC 820 are described as follows:

Level 1 - observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets that the Plan has the ability to access.

Level 2 - observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

Level 3 - inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies: Valued at the daily closing price as reported by the Fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Level 1	Level 2	Level 3	Total
December 31, 2025				
Registered investment companies	$ 8,321,080	$ -	$ -	$ 8,321,080
Total investments at fair value	$ 8,321,080	$ -	$ -	$ 8,321,080
December 31, 2024				
Registered investment companies	$ 7,032,420	$ -	$ -	$ 7,032,420
Total investments at fair value	$ 7,032,420	$ -	$ -	$ 7,032,420

5. TAX STATUS

The Plan is operating under a Non-Standardized Pre-Approved Profit Sharing Plan that obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan Sponsor believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service or Department of Labor. The Plan administrator has analyzed the tax positions taken or expected to be taken by the Plan, and has concluded that as of December 31, 2025, there are no such tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts and the assets will be distributed to participants in proportion to their respective account balances.

8. PARTY IN INTEREST TRANSACTIONS

The Plan may assess fees against an individual participant's account for certain Plan expenses that are incurred by, or attributable to, a particular participant based on the use of a Plan feature. The Plan paid recordkeeper fees of $14,596 and $16,058 to Capital Group Retirement Plan Services, for the years ended December 31, 2025 and 2024, respectively. The Plan paid investment advisor fees of $29,092 and $24,418 to D. A. Davidson & CO for the years ended December 31, 2025 and 2024, respectively. The Plan paid contract administration fees of $8,177 and $2,550 to Randall & Hurley, Inc. for the years ended December 31, 2025 and 2024, respectively.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company identified certain participant contributions that were not remitted to the Plan timely under DOL Regulation 2510.3-102. Late contributions identified totaled $4,967 and $345 for the years ended December 31, 2025 and 2024, respectively. During the Plan year ended December 31, 2025, the Plan processed corrections for certain late contributions outside of the Voluntary Fiduciary Correction Program (VFCP) totaling $260,361.

10. SUBSEQUENT EVENTS

Effective March 1, 2026 and August 1, 2026, Voyage Talent Solutions and Clearwater Health & Rehab LLC, respectively, became adopting employers of the Plan.

Management has evaluated subsequent events through October 13, 2026, the date on which the financial statements were available to be issued. Management determined there were no other subsequent events that required reporting in the financial statements.
