# Independent Auditors' Report

To the Plan Administrator and Participants of
Citrin Cooperman Retirement Savings Plan
New York, New York

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Citrin Cooperman Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Citrin Cooperman Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Citrin Cooperman Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Citrin Cooperman Retirement Savings Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with

respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citrin Cooperman Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citrin Cooperman Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting

principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of Plan

The following description of the Citrin Cooperman Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan established effective January 1, 1990, and restated January 1, 2022. The Plan covers all employees of Citrin Cooperman Advisors LLC (the Company), and employees of Citrin Cooperman & Company, LLP, New CP Holdings, LLC and Citrus Partners Holdings, LP, affiliates of the Company (collectively the "Employer"). Employees are eligible to become participants on the first of each month after the first day of employment, provided that they are not (i) covered by a collective bargaining agreement, (ii) nonresident alien who received no earned income from within the United States of America, or (iii) leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan's Board of Trustees oversee governance of the Plan, determine the appropriateness of the Plan's investment offerings, monitor investment performance.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act of 2022 was signed into law as part of the Consolidated Appropriations Act of 2023. The SECURE 2.0 Act of 2022 builds on the SECURE Act of 2019 which revised existing rules around retirement saving. The SECURE 2.0 Act of 2022 contains dozens of new retirement-related provisions with effective dates beginning January 1, 2023 and beyond. SECURE 2.0 is intended to expand and increase retirement savings and to simplify and clarify many complex existing retirement plan rules.

Effective January 1, 2025, the Plan adopted the increased catch-up contribution limits for participants age 60 through age 63 pursuant to Section 109 of the SECURE 2.0 Act. Under this provision, for eligible participants, the catch-up limit increases to $11,250 which is 150 percent of the age 50 catch-up amount.

*Contributions*

Each year, participants may contribute up to 60 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants may designate all or a portion of their deferral contributions as pre-tax or Roth contributions. Additionally, the Plan permits participants to make separate after-tax contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing

distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Employer contributes a discretionary match of 25 percent of the first 6 percent of base compensation that a participant contributes to the Plan. Additional discretionary amounts may be contributed by the Employer at the option of the Board of Directors. For the year ended December 31, 2025, the Employer made discretionary contributions totaling $6,649,773 to the Plan, allocated to employees who been credited with at least 1,000 hours of service during the Plan year. The allocation condition does not apply if the employee dies or terminates employment due to becoming disabled during the Plan year.

The Plan requires a participant to be employed as of year end to be eligible to receive employer contributions. Employer contributions are invested in a portfolio of investments as directed by participants. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

*Participant Accounts*

Each participant's account is credited with the participant's contributions, Employer matching contributions, allocations of the Employer's discretionary contributions, if any, and an allocation of the Plan’s earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

*Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1 percent above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range up to 5 years or greater for the purchase of a primary residence.

*Payment of Benefits*

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, installment payments or partial lump sum as provided in the plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a terminated participant's vested balance is less than or equal to $5,000, the amount may be automatically distributed in the form of lump-sum amount equal to the value of the participant's vested interest in his or her account. In addition, the Plan allows for hardship distributions if certain criteria are met.

*Forfeited Accounts*

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $182,470 and $91,682, respectively. These accounts will be used to reduce future employer contributions or pay Plan expenses. During 2025, employer contributions were reduced by $92,695 from forfeited nonvested accounts, in accordance with plan provisions.

## 2. Summary of Accounting Policies

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by investment advisers, custodian/trustee and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant contributions are recorded as they are withheld from participants' compensation. Employer contributions are recorded in the year the related compensation is earned, as required by the Plan or otherwise committed to by the Company.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred.

*Payment of Benefits*

Benefits are recorded when paid.

*Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

*Subsequent Events*

Subsequent events were evaluated through October 13, 2026, the date the financial statements were available to be issued. See Note 11 for subsequent events disclosure.

**3. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

*Money market funds:* Valued at the quoted net asset value (NAV) of shares held by the Plan at year end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| Assets at Fair Value as of December 31, 2025 | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Money market funds | $ 12,134,990 | $ - | $ - | $ 12,134,990 |
| Mutual funds | 436,136,552 | - | - | 436,136,552 |
| **Total assets in the fair value hierarchy** | 448,271,542 | - | - | 448,271,542 |
| **Total investments at fair value** | $ 448,271,542 | $ - | $ - | $ 448,271,542 |

| Assets at Fair Value as of December 31, 2024 | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Money market funds | $ 9,743,102 | $ - | $ - | $ 9,743,102 |
| Mutual funds | 351,770,081 | - | - | 351,770,081 |
| **Total assets in the fair value hierarchy** | 361,513,183 | - | - | 361,513,183 |
| **Total investments at fair value** | $ 361,513,183 | $ - | $ - | $ 361,513,183 |

## 4. Transfers Into or Out of the Plan

In conjunction with the Company's acquisitions during 2025, the plans of acquired companies were terminated (for those acquirees that had a plan in place), and participants of those plans were given the option to rollover their account balances into the Plan. A transfer of assets into the Plan from acquired companies' plans totaling $222,234 was completed related to outstanding notes receivable from participants.

## 5. Information Certified by Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, The Vanguard Group, Inc., the Custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity and interest income on notes receivable from participants reported in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

## 6. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by Vanguard Funds, a related party of the Custodian, and therefore, these transactions qualify as exempt party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. During 2025, direct payments made by the Plan for service provider fees total $18,693, and are included in administrative expenses. The Plan sponsor pays directly any other fees related to the Plan's operations.

Additionally, the Plan issues loans to participants, which are secured by the participant’s account balances. These transactions qualify as exempt party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

## 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

## 8. Tax Status

The Plan adopted a pre-approved plan offered by Danziger & Markoff LLP. The pre-approved plan received an IRS Opinion Letter dated November 23, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**10. Delinquent Participant Contributions**

For the years ended December 31, 2025 and 2024, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. These untimely remittances, which constitute non-exempt prohibited transactions, were identified on the Schedule of Delinquent Participant Contributions, and totaled $5,540 for 2025 and $235 for 2024. The 2025 untimely remittances were uncorrected as of December 31, 2025 (see Note 11). The 2024 untimely remittances were identified on the Schedule of Delinquent Participant Contributions in a prior year and were corrected outside of the Department of Labor Voluntary Fiduciary Correction Program in 2025. Additionally, the Company has compensated / will be compensating participants for lost earnings resulting from the delay in contributions for the 2024 and 2025 late remittances, respectively.

**11. Subsequent Events**

In conjunction with the Company's acquisitions during 2026, the acquired companies' plans were terminated (for those acquirees that had a plan in place), and those participants were given the option to rollover their accounts into the Plan. During 2026, through the date these financials were available to be issued, the Company added approximately 265 employees as a result of acquisitions.

During 2026, the Company changed recordkeepers and transferred assets between service providers totaling approximately $460,153,000. In addition, untimely remittances totaling $4,787 identified on the Schedule of Delinquent Participant Contributions in the current year were corrected outside of the Department of Labor Voluntary Compliance Program in 2026. The remaining $753 of delinquent participant contributions reported on the Schedule of Delinquent Contributions remained uncorrected as of the date of the auditors' report. The Company is continuing to investigate and reconcile this difference to identify the affected participant(s) and determine the appropriate corrective action.
