INDEPENDENT AUDITORS' REPORT

To the Trustees of
TAM International, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TAM International, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of TAM International, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

2950 North Loop West, Suite 1200 | Houston, TX 77092 | (p) 713.622.0016 | (f) 713.622.5527 | www.eepb.com
An Independent Member of DFK International

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TAM International, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TAM International, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered

material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TAM International, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TAM International, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

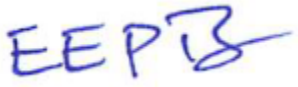

The supplemental schedules listed in the accompanying index, together referred to as "Supplemental Information", as of the year ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1: DESCRIPTION OF THE PLAN

General

TAM International, Inc. 401(k) Plan (the "Plan") was established on April 1, 2000, as a plan for the exclusive benefit of the employees of TAM International, Inc. and TAM Completion Systems, Inc. (collectively, the "Company" and "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Participants should refer to the plan document for a more complete description of the Plan's provisions.

Eligibility

Employees of the Company are eligible to participate in the Plan after reaching the age of 18 and having completed three consecutive months of service. Eligible employees can enter the Plan on the first day of the quarter following the date the eligibility requirements are met.

Contributions

Participants may elect to make contributions to the Plan under a 401(k)-salary deferral arrangement in an annual amount up to the maximum percentage (50%) of annual compensation, as defined by the Plan, and the dollar amount permitted under section 402(g) of the Internal Revenue Code The contribution limit applies to any calendar year and is adjusted annually by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the plan year may make additional pre-tax catch-up contributions. Participants are also allowed to contribute amounts representing distributions from other qualified defined benefit or contribution plans.

For the 2025 plan year, the Company made a matching contribution equal to 50% of each eligible employee's elective salary deferrals not to exceed 7% of compensation. Eligible employees were required to make a salary deferral contribution to receive the employer matching 401(k) contribution. For each Plan year, the Company may also make a discretionary profit-sharing contribution in an amount determined solely by the Directors of the Company. Such additional discretionary profit-sharing contributions, if any, are allocated to all participants pro rata based on compensation. Participants must work at least 1,000 hours of service and be employed on the last day of the Plan year to be eligible for the discretionary profit-sharing contribution. The Plan did not make a discretionary profit-sharing contribution in 2025.

Participant Accounts

Each participant's account is valued on a daily basis and credited with the participant's contribution, his or her portion of the Company's matching and discretionary profit-sharing contribution, allocation of forfeitures of terminated participants' non-vested accounts, a pro rata share of account earnings and is charged with applicable withdrawals and a location of certain administrative expenses as determined by the different investment options he or she directs the Plan asset custodian to make on his or her behalf. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1: DESCRIPTION OF THE PLAN (*Continued*)

Notes Receivable from Participants

Participants may borrow a minimum of $1,000 and up to 50% of the vested balance of their account, subject to a maximum of the participant's deferred contributions or $50,000. Notes receivable bear interest at reasonable interest rates and are secured by the participant's vested account balance.

Forfeitures

Forfeitures of account balances not fully vested will be reallocated to participants using a uniform percentage of compensation. During the year ended December 31, 2025, $110,459 forfeitures were reallocated to participants. The forfeitures balance at December 31, 2025 and 2024 was $265,611 and $329,293, respectively.

Vesting and Payment of Benefits

All participant contributions vest immediately. Company contributions vest according to the following schedule:

Years of Service	Percentage Vested
Less than 2	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years and over	100%

On termination of service, a participant who has a vested interest in their account which is less than or equal to $1,000 shall receive a lump sum equal to the vested interest of their account. Participants who have a vested interest in their account which exceeds $5,000 may elect to leave their account balance in the Plan or receive a lump sum payment, installment payments, or annuity payments equal to the vested interest of their account

Under the terms of the Plan, participants who attain retirement age or become totally disabled prior to their retirement date will receive all amounts credited to their accounts. Upon the death of the participant while actively employed, the distribution is made in accordance with the participant's previous direction. All participants will receive their account balance in either a lump sum or in installments equal to the vested interest of their account.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and expenses during the reporting period. Actual results could differ from those estimates.

Investments

The Plan's investments are stated at fair value, except for the collective investment trust which is stated at contract value (Note 9). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis.

Benefit Payments

Distributions to participants are recorded when paid.

Administrative fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses, net of reimbursements. Other investment-related expenses are included in net appreciation of investments.

NOTE 3: TAX STATUS

The Company adopted a Volume Submitter Plan (the "Volume Submitter Plan"). The Volume Submitter Plan received a favorable opinion letter from the Internal Revenue Service on April 28, 2005, which stated that the Volume Submitter Plan constitutes a qualified plan under Section 401(a) of the Internal Revenue Code (Code) and is therefore exempt from federal income taxes. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and ERISA. Accordingly, the Plan administrator believes the Plan was qualified and was tax exempt as of the financial statement dates.

NOTE 4: ADMINISTRATION AND INVESTMENTS

Administration

The Plan's investments were administered by Empower Annuity Insurance Company of America ("Empower"). Among other duties, Empower receives contributions, invests and reinvests Plan assets, collects income, and makes distributions from the Plan's assets as directed by the Board of Directors of the Plan Sponsor.

The Plan pays for Empower's commissions/distributions charges and third-party administrative costs. The Plan does not compensate the Plan Sponsor for its internal costs related to the administration of the Plan.

Investments

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, all investment information disclosed in the accompanying financial statements and supplementary schedules, including investments held and notes receivable from participants at December 31, 2025 and 2024, and income information for the year ended December 31, 2025 was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, each participant's account balance becomes 100% vested.

NOTE 6: RISKS AND UNCERTAINTIES

Plan participants make choices regarding their investment securities, and are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that reduction in value can occur in the near term and that such changes could materially affect participant account balances reported in the statement of net assets available for benefits

NOTE 7: PARTY-IN-INTEREST TRANSACTIONS

Certain investments of the Plan are managed by the Custodian of the Plan. Accordingly, these transactions qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions. Administrative fees paid out of the Plan to Empower during the year ended December 31, 2025 were $30,030.

NOTE 8: FAIR VALUE MEASUREMENTS

ASC 820-10 provides standards and disclosures for assets and liabilities that are measured and reported at fair value. As defined in ASC 820-10, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). ASC 820-10 requires disclosure that establishes a framework for measuring fair value and expands disclosure about fair value measurements. The statement requires fair value measurements be classified and disclosed in one of the following categories:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: Measured based upon inputs that are observable, either directly or indirectly, for the asset or liability other than quoted market prices included in Level 1. These inputs include: a) quoted prices for similar asset or liabilities in active markets b) quoted prices for identical or similar assets or liabilities in markets that are not active c) inputs other than quoted market prices that are observable and d) inputs that are derived primarily from or corroborated by observable market data by correlation or other means.

Level 3: Measured based on unobservable inputs for the asset or liability for which there is little, if any, market activity for the asset or liability at the measurement date. This input includes management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The inputs are developed based on the best information available in the circumstances, which might include management's own data.

Following is a description of the valuation methodologies used for assets measured at fair value for the year ended December 31, 2025:

Mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Account:

These accounts may include mutual funds, common stock and exchange-traded funds all of which are valued at the closing price reported on nationally recognized securities exchanges, which are generally classified within Level 1 of the fair value hierarchy.

Collective Investment Trust Funds:

Valued using NAV as a practical expedient to estimate fair value based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is determined by Principal Global Investors Trust Company.

NOTE 8: FAIR VALUE MEASUREMENTS (*Continued*)

These target date funds generally invest in mutual funds, insurance company separate accounts, and unaffiliated collective trust funds that are considered appropriate based on the remaining time horizon of the particular target date fund. The Plan has no unfunded commitments or contractual obligations to further invest in these funds and there are no restrictions on redemption of these funds.

As required by FASB ASC 820-10, financial assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement. The Company's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of the fair value of assets and liabilities and their placement within the fair value hierarchy levels.

The following table summarizes the valuation of the Company's financial instruments by ASC 820-10 pricing levels as of December 31, 2025 and 2024:

	Quoted prices in active markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Fair value as of December 31, 2025
Mutual Funds	$ 9,574,059	$ -	$ -	$ 9,574,059
Self-directed brokerage account	786,537	-	-	786,537
Collective Investment Trust Funds[1]	-	-	-	10,503,221
Total	$ 10,360,596	$ -	$ -	$ 20,863,817

	Quoted prices in active markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Fair value as of December 31, 2024
Mutual Fund	$ 10,408,800	$ -	$ -	$ 10,408,800
Self-directed brokerage account	633,965	-	-	633,965
Collective Investment Trust Funds[1]	-	-	-	9,817,094
Total	$ 11,042,765	$ -	$ -	$ 20,859,859

[1] Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been recognized in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the Statements of Net Assets Available for Benefits.

NOTE 9: INVESTMENTS AT CONTRACT VALUE

The Plan has investment holdings in a collective investment trust that invests primarily in benefit responsive contracts issued by Empower, the asset custodian of the Plan. The statements of net assets available for plan benefits present the fixed income option fund under the Empower general account at contract value within the total investments of the

Plan in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 962-325, Plan Accounting – Defined Contribution Plans, Investments – Other.

NOTE 9: INVESTMENTS AT CONTRACT VALUE

Contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan which are attributable to fully benefit-responsive investment contracts because contract value is the amount the participants would receive if they were to initiate permitted transactions under the terms of the Plan. However, if the book value of the Fund exceeds the market value of underlying securities, the stabilizing agreements provide that the payment of certain withdrawals may be delayed for up to 5 years unless the Plan or the participant requesting the withdrawal elects to accept such payment subject to a market value adjustment. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issues and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 10: UNCERTAIN TAX POSITIONS

The Plan did not have unrecognized tax benefits as of December 31, 2025 and 2024 and does not expect this to change significantly over the next 12 months. The Plan will recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2025, the Plan has not accrued interest or penalties related to uncertain tax positions.

NOTE 11: SUBSEQUENT EVENTS

Management evaluated the period from January 1, 2026 through October 13, 2026, which was the date the financial statements were available to be issued. The Plan noted no reportable subsequent events.
