## Independent Auditor's Report

The Plan Administrator
Developmental Disabilities Institute, Inc. 403(b) Plan
Smithtown, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We were engaged to perform audits of the financial statements of Developmental Disabilities Institute, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### *Disclaimer of Opinion*

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

### *Basis for Disclaimer of Opinion*

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, management has not maintained, and Voya Retirement Insurance and Annuity Company did not provide, sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

BDO USA P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (GAAS) and to issue an auditor's report. However, because of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

***Other Matter — Supplemental Schedule Required by ERISA***

The ERISA-required Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

## 1. Description of Plan

The following description of the Developmental Disabilities Institute, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan sponsored by Developmental Disabilities Institute, Inc. (Employer). The Plan was established and effective on January 1, 2001 and was restated to conform to the legislative requirements of the final regulations under Internal Revenue Code (IRC) Section 403(b). All employees are eligible to make deferrals upon date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Empower Trust Company, LLC is the primary custodian and recordkeeper of the Plan. Empower Life & Annuity Insurance Company of New York, an affiliate of Empower, issued the fully-benefit responsive investment contract. Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York are referred to as Empower, collectively. Voya Retirement Insurance and Annuity Company (VRIAC) is an additional custodian and recordkeeper of certain historical assets of the Plan.

***Contributions***

Each year, participants may contribute up to 100% of their eligible compensation, as defined by the Plan. For the years ended December 31, 2025 and 2024, employee deferrals were limited to $23,500 and $23,000, respectively, in accordance with Internal Revenue Service (IRS) limitations. Participants may contribute on a pre-tax or Roth basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to make special catch-up contributions prior to the age of 50 if 15 years of service has been rendered by the participant, subject to certain limitations. Effective January 1, 2025, participants aged 60-63 are eligible to make a super catch-up contribution at increased limits. Participants may also roll over amounts from other qualified defined benefit or defined contribution plans.

Effective January 1, 2025, the Plan includes an automatic enrollment provision whereby all new employees are automatically enrolled in the Plan unless they have affirmatively elected not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant.

Discretionary contributions may be made by the Employer, which are allocated to all eligible participants. The Employer is not required to make contributions and all contributions are subject to certain limitations. For Employer contributions, employees become eligible upon completion of one year of service and 1,000 hours of service. For the years ended December 31, 2025 and 2024, the Employer made discretionary contributions of $1,692,374 and $2,242,275, respectively.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's discretionary contributions, if any, and (b) Plan earnings, and charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings, specific

participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the vested portion of the participant's account.

***Vesting***

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in Employer's contributions after three years of credited service.

***Investment Options***

Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan offers various mutual funds, pooled separate accounts, and general investment accounts as investment options for participants.

***Notes Receivable from Participants***

Participants may borrow up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The minimum loan amount is $1,000. The loans are secured by the balance in the participant's account and bear interest at rates which are based on the Prime rate plus 2% on the first business day of the month in which the loan is originated. Principal and interest are paid ratably through payroll deductions. Each participant is allowed to have one outstanding loan at any given time that must be repaid over a period not in excess of five years, unless it is for the purchase of a principal residence, in which case the term will be determined by the Plan administrator. These loans are subject to certain restrictions as defined by the Plan document and applicable restrictions under the IRC.

***Payment of Benefits***

On termination of service due to separation, death, disability, or retirement, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant can roll over tax free all or any part of the distribution from the Plan into a traditional individual retirement account or another qualified plan. Withdrawals from the Plan may also be made upon attainment of age 59 ½ and upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

***Forfeited Accounts***

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $6,856 and $1,769, respectively. These accounts may be used to reduce future Employer contributions and pay administrative expenses. For the Plan years ended December 31, 2025 and 2024, Employer contributions were reduced by $3,204 and $743, from forfeited non-vested accounts.

## 2. Summary of Accounting Policies

***Basis of Presentation***

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

*Annual Reporting Requirements*

Prior to January 1, 2009, VRIAC maintained records at a contract level, not Plan level, and administratively decided not to provide accounting records and supporting documentation at the participant or Plan level relating to certain annuity and custodial accounts issued to current and former employees. As such, neither the Plan sponsor nor VRIAC have been able to produce sufficient records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. As a result, the completeness and the accuracy of the annuity and custodial accounts, related investment income, and distributions related to these accounts, if any, could not be determined.

*Financial Instruments and Fair Value*

GAAP establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable as follows:

*Level 1* – This level consists of inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - This level consists of inputs to the valuation methodology that include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - This level consists of inputs to the valuation methodology that are unobservable and significant to the overall fair value measurement.

There have been no changes in the methodologies used at December 31, 2025 and 2024. A description of the valuation techniques applied to the Plan's major categories of assets measured at fair value are as follows.

*Mutual Funds* - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are actively traded. These investments are classified as Level 1 in the fair value hierarchy.

*Pooled Separate Accounts* - Pooled separate accounts are valued at their accumulation unit value (AUV), which approximates fair value. The AUV is determined daily based on the NAV as a practical expedient of shares of the underlying fund and the separate account charges (i.e., the daily asset charge). This practical expedient is not used when it is determined to be probable that the pooled separate accounts will sell for an amount different than the reported NAV. The Plan's investments in the pooled separate accounts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments. The underlying funds of the investments in pooled separate accounts are various registered investment companies whose investment strategies are to seek capital appreciation through investment in common and preferred stocks and debt securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

***Notes Receivable from Participants***

Participant loans are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

***Investment Valuation and Income Recognition***

The investments of the Plan are reported at fair value (except for guaranteed investment contracts, which are reported at contract value as described in Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Administrative Expenses***

Certain administrative expenses of the Plan are paid directly by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Administrative expenses recorded by the Plan represent custodian fees and other recordkeeping fees paid directly from the Plan to Empower and VRIAC. Loan fees are deducted directly from the participant's account. Investment-related expenses are included in net appreciation in fair value of investments.

The Plan has a revenue-sharing agreement with Empower for the reimbursement of Plan expenses. Revenue earned from this agreement is recorded as other income in the statements of changes in net assets available for benefits and is used to pay Plan expenses. Any excess revenue over the Plan expenses during the year become part of the Plan assets and are used to pay future Plan expenses. For the years ended December 31, 2025 and 2024, revenue earned from this agreement amounted to $136,663 and $120,775, respectively. For the years ended December 31, 2025 and 2024, and Plan expenses paid out of this revenue amounted to $136,663 and $120,775, respectively.

***Use of Estimates***

The preparation of financial statements in conformity with GAAP requires management to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

***Payments of Benefits***

Benefits are recorded when paid.

***Contributions Receivable***

Contributions that are pending transfer to Empower as of December 31, 2025 and 2024 are recorded as contributions receivable to the Plan in the statements of net assets available for benefits. Employer discretionary contributions are recorded in the relevant period in accordance with the terms in the Plan Document.

## 3. Fair Value Measurements

The Plan's assets recorded at fair value have been categorized based upon a fair value hierarchy in accordance with GAAP. See Note 2 for a discussion of the Plan's policies. The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

***December 31, 2025***

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 47,492,881 | $ - | $ - | $ 47,492,881 |
| Pooled separate accounts, measured at NAV* | | | | 53,202 |
| **Total Investments,** at fair value | | | | $ 47,546,083 |

*December 31, 2024*

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 39,033,528 | $ - | $ - | $ 39,033,528 |
| Pooled separate accounts, measured at NAV* | | | | 47,440 |
| **Total Investments,** at fair value | | | | $ 39,080,968 |

* Certain investments that were measured at NAV per shares (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.

## 4. Investment Contract with Insurance Companies

The Plan has fully benefit-responsive guaranteed investment contracts with Empower and VRIAC, whereby Empower and VRIAC maintain the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Empower and VRIAC are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the insurance companies and the financial institution issuers. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (iii) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary), which cause a significant withdrawal from the Plan; or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contracts do not permit the insurance companies to terminate the agreements prior to the scheduled maturity date.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

## 5. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, dividend and interest income, interest income from investment contracts, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower and VRIAC, qualified institutions.

## 6. Party-in-Interest Transactions

Certain Plan investments are in funds and accounts managed by Empower and VRIAC. Empower and VRIAC are the custodians, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest.

As described in Note 2, the Plan has a revenue-sharing agreement with Empower. Revenue earned has been reflected as other income in the statements of changes in net assets available for benefits. Additionally, the investment contracts are managed by Empower and VRIAC (see Note 4). These transactions qualify as party-in-interest.

Notes receivable from participants also qualify as party-in-interest transactions. Such transactions are exempt from the prohibition of party-in-interest transactions under ERISA and applicable exemptions promulgated thereunder.

## 7. Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The Plan uses a volume submitter 403(b) plan document sponsored by Empower Retirement LLC. Empower Retirement LLC received an opinion letter from the IRS, dated November 14, 2022, which states that the volume submitter 403(b) plan document, as then-designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500:

| *Year ended December 31,* | **2025** | 2024 |
|---|---|---|
| **Net Increase in Net Assets Available for Benefits,** per financial statements | **$ 8,535,318** | $ 6,314,021 |
| Plus: 2023 employer contributions receivable | **-** | 1,419,851 |
| **Net Income,** per Form 5500 | **$ 8,535,318** | $ 7,733,872 |

## 9. Plan Termination

Although the Employer has not expressed any intent to do so, it has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant becomes 100% vested in their accounts.

## 10. Risk and Uncertainties

The Plan provides for various investment options in any combination of funds offered by the Plan. These funds are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 11. Subsequent Events

The Board of Directors of the Employer voted to add a Doing Business As (DBA) to the legal name of the Employer as part of a rebranding. The DBA went into effect on March 26, 2026. The Employer will be referred to as Developmental Disabilities Institute, Inc. DBA Brightway Living & Learning.

The Plan's management has performed subsequent event procedures through October 6, 2026, which is the date the financial statements were available to be issued. There were no subsequent events requiring adjustment to the financial statements or disclosures as stated herein, other than the above.
