Independent Auditors' Report

Board of Trustees and Plan Management
IBEW Local 683 Profit Sharing Annuity Plan
Columbus, Ohio

Opinion

We have audited the accompanying financial statements of IBEW Local 683 Profit Sharing Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of IBEW Local 683 Profit Sharing Annuity Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW Local 683 Profit Sharing Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local 683 Profit Sharing Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBEW Local 683 Profit Sharing Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local 683 Profit Sharing Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IBEW Local 683
Profit Sharing Annuity Plan

Notes to Financial Statements
For the Years Ended December 31, 2025 and 2024

Note A – Description of Plan

The following brief description of the IBEW Local 683 Profit Sharing Annuity Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan (and related trust) was established with an effective date of June 4, 1984. The Plan is a multi-employer defined contribution plan established pursuant to a collective bargaining agreement ("CBA") between the International Brotherhood of Electrical Workers Locals 683 and 1105 ("Locals") representing the employees, and the Columbus Division of the Central Ohio Chapter, National Electrical Contractors Association ("Association") to provide retirement, death, and disability benefits for eligible participants and beneficiaries. To be eligible, an employee must be working for a participating employer who is subject to the CBA or for a participating employer subject to a trustee approved participant agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Administration of the Plan is the responsibility of the Board of Trustees ("Trustees") and is governed by a board consisting of equal representation from the participating employers and the Local.

Participant Accounts

Each participant's account is credited with the contributions received on behalf of the participant from the Association employers. As of the last day of each plan year, the Administrative Manager shall revalue the total accumulated assets of the Fund and shall, after providing for payment of all reasonable and necessary expenses in the application of the Trust Fund, allocate earnings and losses on the investments generated from such assets on a pro rata basis determined by the value of the individual participant's credit account.

Individuals participating in the participant-directed portion of the Plan (accounts with segregated investments) shall receive only the income or loss on such segregated investments and shall be responsible for the payment of, on a pro rata basis, all reasonable and necessary investment expenses, administration expenses, and amounts for reserves or such other purposes as the Trustees shall decide. The valuation of a participant's participant-directed investments shall be the total amount of the participant's participant-directed account as of the date of the payment of the lump sum or other benefit, less the charge for expenses and/or other deductions against the participant-directed account.

Contributions

Association employers make contributions to the Plan for each hour worked by participants. Eligible participants, as defined by the Plan agreement, shall be permitted to make elective deferrals as a member of Group A or Group B. An employer which is required to contribute to the Trust Fund on behalf of a participant shall contribute the hourly contribution as elected for Group A or Group B, per the collective bargaining agreement.

The Plan is a safe harbor plan under Code Section 401(k)(12)(C). In order to qualify, each employer is required to contribute at least 3% of each employee's compensation for every participating non-highly compensated employee. The current hourly employer contribution rate under the applicable collective bargaining agreements meets or exceeds the 3% hourly wage requirement, therefore the Plan is currently operating as a safe harbor plan.

The Plan allows for rollover contributions from all tax-qualified defined contribution plans.

Note A – Description of Plan (continued)

Payments of Benefits
Upon termination of service due to death, disability, retirement or a break in service with no employer contributions for a period of 24 consecutive months, a participant shall be entitled to the full value of the credit account. If the value of a participant's credit account derived from employer contributions exceeds $7,000, the participant and the participant's spouse (or if either the participant or the participant's spouse has died, the survivor) must consent to any distribution of such account balance.

A married, retired participant's account benefits will be distributed in the form of a joint and survivor annuity over the estimated life expectancy of the participant and their beneficiary. The participant may elect, with the consent of his or her spouse, to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution or substantially equal periodic installments, per the Plan guidelines.

Notes Receivable from Participants
Participants may borrow from their credit accounts after the participant's credit account accumulates $10,000. Such loans are limited to a minimum loan of $5,000 and further limited that total loans will not exceed 50% of the participant's credit account with maximum outstanding loans of $50,000. The loans are secured by the balance in the participant's credit account, in no event except the purchase of a principal residence should exceed a period of 5 years, and, if approved prior to January 1, 2019, bear an interest rate of 2% above the prime rate charged by JPMorgan Chase bank of Columbus at the time the loan was granted and, if approved on January 1, 2019 or later, a fixed interest rate set by the Board of Trustees of 7%.

Vesting
Participants are immediately vested in any contribution to their account plus the earnings thereon.

Note B – Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates
The financial statements of the Plan are prepared under the accrual method of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
The Plan consists of participant-directed and nonparticipant-directed investments. Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation includes the Plan's net gains and losses on investments bought, sold, and held during the year.

Cash
Cash consists of amounts held in bank accounts at a financial institution. Such balances may be held in non-interest-bearing or interest-bearing accounts, including accounts with automatic sweep features, and are available for use by the Plan on demand.

Note B – Summary of Significant Accounting Policies (continued)

Employer Contributions Receivable
Employer contributions receivable are based on actual collections subsequent to year end. Delinquent employer contributions are not included in employer contributions receivable as management does not consider delinquent amounts to be collectible. Based on a review of historical losses, current economic conditions and supportable and reasonable forecast assumptions, management has concluded that any expected credit losses on balances outstanding at year end will be immaterial. See the "Contributions" section of Note A for additional information regarding employer contributions.

Participant Contributions Receivable
Participant contributions receivable represent contributions of participants invested in participant-directed investments. Participant contributions receivable are based on actual collections subsequent to year end. Delinquent participant contributions are not included in participant contributions receivable as management does not consider delinquent amounts to be collectible. Based on a review of historical losses, current economic conditions and supportable and reasonable forecast assumptions, management has concluded that any expected credit losses on balances outstanding at year end will be immaterial. See the "Contributions" section of Note A for additional information regarding participant contributions.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are recorded in participant benefits paid on the statements of changes in net assets available for benefits based upon terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Reciprocity Agreements
The Plan has signed reciprocity agreements with other IBEW Locals, allowing members of Local 683 to work under the jurisdiction of other IBEW Locals and for members of other IBEW Locals to work in the jurisdiction of Local 683. Contributions received by other IBEW Locals for members of Local 683 are reciprocated back to the Local 683 Plan, which is recorded as reciprocity received on the statements of changes in net assets available for benefits. Contributions received by Local 683 for members of other Locals are reciprocated out of the Local 683 Plan to the members' home Local, which is recorded as reciprocity paid on the statements of changes in net assets available for benefits. Amounts due from or due to other IBEW Locals are recorded as reciprocal contributions receivable or payable, respectively, on the statements of net assets available for benefits.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
The Plan's expenses are paid by the Plan, as provided by the Plan agreement. Certain expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Shared and Allocated Expenses
The Plan participates in certain administrative and professional service arrangements that also benefit other related plans and programs. Certain expenses may be invoiced to, or paid by, one of the related arrangements and are allocated among the benefiting plans based on reasonable methods reflecting the relative benefits received. The Plan is charged only for the portion of expenses properly attributed to it.

Note C - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money market fund: Valued at the closing price reported on an actively traded exchange and are reported as level 1.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are therefore reported as level 1.

The preceding method described may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Investments Valued at NAV				66,228,798
Total				$239,951,065

There were no level 2 or 3 investments as of December 31, 2024.

The following table summarizes investments measured at fair value based on net asset value (NAV) per unit as of December 31, 2025 and 2024.

	2025	2024	Redemption Frequency	Redemption Notice Period
Common collective trust (a)	$ 64,448,327	$ 55,353,140	Daily	See (a)
Common collective trust (b)	12,846,341	10,875,658	Monthly	See (b)
	$ 77,294,668	$ 66,228,798		

a) Common collective trust: the IBEW-NECA Stable Value Fund's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates consistent with seeking to maintain required liquidity. The trust holds primarily synthetic guaranteed investment contracts. The net unit values of the classes of the Trust are determined as of the close of each business day. Participant units are issued and redeemed only at the end of each day and at the net unit value at contract value, provided that the redeeming participant plans comply with the required two-year notice provision. When the market value of units is less than their contract value, participant plans may also elect to withdraw units at their market value upon 10 days' notice.

b) Common collective trust: this represents an investment that is a sub-fund of Arrowstreet Collective Investment Trust and is a hedge fund operated by Arrowstreet Capital, LP. The objective is to provide returns in excess of the equity market. Units may be issued upon a specified trade date and are valued monthly at net asset value. Units may be redeemed on any date on which net asset value is determined with notice given any day of the month preceding the month-end valuation.

Note D – Nonparticipant-Directed Investments

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	December 31,	
	2025	2024
Net Assets:		
Mutual funds	$ 93,171,800	$ 78,588,005
Common collective trusts	67,660,877	57,136,940
	$160,832,677	$135,724,945

	Year Ended December 31,	
	2025	2024
Changes in Net Assets:		
Contributions	$ 18,730,777	$ 14,706,549
Interest income	213,915	168,153
Net appreciation in fair value of investments	19,062,046	11,231,913
Participant benefits paid	(9,318,830)	(7,105,720)
Transfers to participant-directed investments	(2,308,840)	(2,785,029)
Change in participant loans	(1,260,100)	(1,042,863)
Administrative expenses	(11,236)	(153,847)
	$ 25,107,732	$ 15,019,156

Note E – Plan Termination

Although it has not expressed any intent to do so, the Plan may be terminated at any time upon the written agreement of the Local and the Association and subject to the provisions of the ERISA. Upon termination, contributions to the Plan would cease and the fund would be distributed in accordance with the terms and provisions of the Plan.

Note F - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan, by a letter dated December 4, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Note G – Risks and Uncertainties

Investments
The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Concentration of Cash
The Plan maintains its cash in a bank deposit account at one financial institution. The balance, at times, may exceed current federally insured limits through the Federal Deposit Insurance Corporation of $250,000, per institution.

Significant Participating Employers
During the years ended December 31, 2025 and 2024, three employers represented 41% and 53%, respectively, of total employer contributions to the Plan.

Note H – Related Party and Parties in Interest Transactions

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA. Such fees are included on the statements of changes in net assets available for benefits. Additionally, the Plan holds investments with certain service providers to which it pays such fees. To the best of management's knowledge, all transactions with these parties are in compliance with ERISA's prohibited-transaction exemptions. Detailed listings of such investments are presented in the accompanying Schedule H, Line 4i – Schedule of Assets (Held at End of Year).

The Plan pays fees for Trustees to attend conferences and meetings in order for them to continue their education regarding their duties and responsibilities. Reimbursements payable to the Trustees for such fees totaled $0 as of the years ended December 31, 2025 and 2024, which is included in accounts payable – administrative expenses on the statements of net assets available for benefits. Total expenses for these conferences and meetings are included on the statements of changes in net assets available for benefits.

The Plan shares common governance with related organizations including the International Brotherhood of Electrical Workers 683 Union, the Columbus Division of the Central Ohio Chapter National Electrical Contractors Association, IBEW 683 Pension Fund Pension Plan, IBEW 683 Health and Welfare Plan, and IBEW 683 Education Plan, all of which are tax-exempt.

Note I – Plan Amendments

During the plan year ended December 31, 2025, the Plan was amended as follows:

- Effective September 18, 2025 and executed December 18, 2025, the Plan was amended to permit IBEW Local 1105 members to participate in the Plan, subject to the provisions of the Local 1105 collective bargaining agreement.

Note J – Subsequent Events

Effective January 1, 2026 and executed June 24, 2024, the Plan was amended to disallow catch-up contributions.

Effective December 18, 2025 and executed March 3, 2026, the Plan was amended to allow participants to roll over eligible distributions from the IBEW Local 683 Profit Sharing Annuity Plan into the IBEW Local 683 Pension Fund Pension Plan to purchase additional monthly pension benefits.

Subsequent events have been evaluated through October 14, 2026, which is the date the financial statements were available to be issued.
