Independent Auditor's Report

Plan Trustees, Board of Directors, and Administrator
Conner & Winters Welfare Benefits Plan
Tulsa, Oklahoma

Opinion

We have audited the financial statements of Conner & Winters Welfare Benefits Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of December 31, 2025 and 2024, and the changes in net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of the Plan

General

The following description of Conner & Winters Welfare Benefits Plan (Plan) provides only general information about the Plan's provisions. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, which are available from the plan administrator.

The Plan is administered by Conner & Winters, LLP (Firm). The Plan provides a variety of health and welfare benefits through the Conner & Winters Health & Dental Plan, Health Care Spending Account benefit of the Conner & Winters Employee Cafeteria Plan, applicable life insurance plans, and applicable long-term disability insurance plans, which are combined for tax filing purposes.

Benefits

The Plan provides medical, dental, prescription drug, group term life, individual life, cafeteria, and accidental death and disability income benefits covering all participating full-time employees and partners of the Firm, as defined in the plan documents. It is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan also provides continuation of certain benefits upon termination of employment through the *Consolidated Omnibus Budget Reconciliation Act* (COBRA).

Full-time employees are eligible to obtain benefits on the first day of the calendar month following employment.

Cash and Cash Equivalents

The Plan considers all liquid investments with original maturities of three months or less to be cash equivalents. At December 31, 2025 and 2024, cash consisted of an interest-bearing account with a carrying amount that approximates fair value. Total deposits maintained in this account at times exceed the amount insured by federal agencies and, therefore, bear a risk of loss. At December 31, 2025 and 2024, the Plan had no cash equivalents.

Insured Benefits

The Plan provides medical, dental, prescription drug, group term life, individual life, cafeteria, and accidental death and disability income benefits for participants and their qualified dependents. The Plan provides benefits for covered expenses, as defined in the Plan, subject to certain limitations and deductibles. For group term life and accidental death and disability income benefits, the Plan is fully insured through insurance contracts.

All other plan benefits are self-insured. Medical, dental, and prescription drug claims of active participants, dependents, and beneficiaries are processed by the Plan's third-party administrator, Blue Cross Blue Shield of Oklahoma, Inc., and then are reimbursed by the general assets of the Firm. Despite the Plan's utilization of a third-party claims processor, the ultimate responsibility for payments to participants and providers is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM), which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop-Loss Coverage

The Firm has entered into a stop-loss insurance arrangement, for its benefit, in an effort to limit its exposure for self-insured benefits. The policy limits plan exposure to $60,000 and $70,000 per covered individual per year and an aggregate of $1,560,404 and $1,448,242 for the years ended December 31, 2025 and 2024, respectively.

Contributions

Contributions to the Plan are made on a current basis through participant salary deductions and firm contributions to fund claims incurred. Participant salary reduction contributions are recognized by the Plan when remitted by the Firm and received by the Plan. The Firm also contributes funds to pay insurance premiums which are recognized upon receipt. Salary deductions are made pursuant to Internal Revenue Code (IRC) Section 125. For the medical and dental benefits portion of the Plan, the Firm pays a portion of the cost of coverage for participants and covered dependents. Periodically, the Firm will determine the amount of participant contributions required. The Firm makes contributions to the Plan as needed to fund claims in excess of participants' contributions.

Plan Termination

The Firm has the right under the Plan to modify benefits and contributions and to terminate the Plan, subject to the provisions of ERISA. As discussed in Note 5, subsequent to year-end the Firm amended the Plan document to terminate the Plan effective June 30, 2026. Upon completion of the claims settlement process and satisfaction of all Plan obligations, any remaining assets will be administered in accordance with the terms of the Plan and applicable provisions of ERISA. No Plan assets may revert to the Firm or be used for purposes other than the exclusive benefit of Plan participants except as permitted by applicable law and the terms of the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan maintains its accounts on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. On this basis, certain revenue and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Various transactions, such as the payment of insurance premiums and plan administrative expenses, are paid by the Firm and reflected as contributions and benefits paid in the statements of changes in net assets available for benefits (modified cash basis).

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, claims incurred but not reported, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by the Plan, and funded by the Firm, are recorded as insurance premium payments in the statements of changes in net assets available for benefits (modified cash basis).

Claim payments are recorded when paid by the Plan in accordance with the modified cash basis of accounting. The third-party claims processor processes medical and dental claims of all participants, dependents, and beneficiaries, but the responsibility for payments to participants and providers is retained by the Plan. These payments are recorded as welfare benefits paid in the statements of changes in net assets available for benefits (modified cash basis).

The third-party claims processor issues pharmacy and medical drug rebates to the Plan based on the Plan's pharmacy and medical drug purchases. The Plan received pharmacy and medical drug rebates of approximately $199,000 and $145,000 for the years ended December 31, 2025 and 2024, respectively. These rebates are recorded when received and are included net of welfare benefits paid to or on behalf of participants in the statements of changes in net assets (modified cash basis).

Stop-Loss Coverage

Premiums for stop-loss insurance are included in premium payments in the statements of changes in net assets available for benefits (modified cash basis). Stop-loss refunds totaling approximately $391,000 and $195,000 have been netted with welfare benefits paid in the statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2025 and 2024, respectively.

The Plan retains a significant portion of certain expected losses related to medical expenses. Plan obligations for health claims incurred but not reported are estimated based upon historic claims experience and actual claims reported subsequent to the Plan year-end. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year-end and the Plan is obligated to pay for the care regardless of continued participation in the Plan. Provisions for losses expected under the Plan are disclosed based upon the Plan's estimates of the aggregate liability for claims incurred but not reported and totaled $29,000 and $112,000 as of December 31, 2025 and 2024, respectively. The amount of actual losses incurred could differ materially from the estimates and is reflected in the Plan's financial statements when paid (modified cash basis).

Healthcare Spending Accounts

The Plan provides benefits available to reimburse participants for qualifying medical expenses. Participants can make annual elections to contribute amounts each plan year up to IRS stated maximums. These contributions are deposited in a separate healthcare spending account until disbursed in reimbursement of qualifying medical expenses presented by participants.

Administrative Expenses

Administrative expenses may be paid by the Plan or, if not paid by the Plan, by the Firm.

Note 3. Related-Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Funds of approximately $646,000 and $550,000 for the years ended December 31, 2025 and 2024, respectively, were paid by the Firm to Blue Cross Blue Shield of Oklahoma, Inc. for stop-loss insurance coverage premiums and administrative expenses.

The Firm provides certain administrative services at no cost to the Plan.

Note 4. Tax Status

The Plan, in part, is funded through a simple trust. The IRS does not issue exemption letters under Section 501(a) of the IRC for such trusts. As an employee welfare benefit plan, the Plan and the grantor trust are required to operate in conformity with the IRC and ERISA. Management of the Plan believes the Plan and the grantor trust are operating in conformity with the IRC and ERISA.

Note 5. Subsequent Events

Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were available to be issued.

Termination of Plan

In connection with an asset purchase transaction, the Plan sponsor's employees became employees of Spencer Fane LLP effective July 1, 2026. Pursuant to resolutions adopted by the Plan sponsor's board of directors on June 29, 2026, and contingent upon consummation of the transaction, the Welfare Benefits Plan was terminated effective at 11:59 p.m. on June 30, 2026, except for its Health Benefits Component. The Health Benefits Component was frozen to new participation as of that date and continues solely for the processing and payment of covered claims incurred before the termination date. No new participants may enter the Health Benefits Component during the wind-down period. The related trust will terminate after all eligible pre-termination claims have been processed and paid and the remaining trust funds have been distributed. Until completion of that process, the Plan will retain assets necessary to settle eligible claims and complete the wind-down of the Health Benefits Component. The board also approved the complete and irrevocable termination of the Conner & Winters Employee Cafeteria Plan and the Conner & Winters Qualified Parking Expenses Plan effective at 11:59 p.m. on June 30, 2026. Amendments adopted in connection with those terminations permit participants to submit qualifying reimbursement claims during specified post-termination claim-submission periods, subject to the applicable plan provisions, coverage periods, account balances, and eligibility requirements.
