Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Star Manufacturing, LLC Profit Sharing/401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Star Manufacturing, LLC Profit Sharing/401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in NOTE D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SCHROEDEL, SCULLIN & BESTIC, LLC

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statement*s section of our report. We are required to be independent of Star Manufacturing, LLC Profit Sharing/401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Star Manufacturing, LLC Profit Sharing/401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Star Manufacturing, LLC Profit Sharing/401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Star Manufacturing, LLC Profit Sharing/401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

SCHROEDEL, SCULLIN & BESTIC, LLC

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of Star Manufacturing, LLC Profit Sharing/401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined-contribution plan with a 401(k) provision covering employees of Star Manufacturing, LLC (dba Commercial Metal Forming, Inc.) (The Company), former employees of Metal Technology Solutions, Inc. and former employees of Eclipse Manufacturing Co. who are covered by a collective bargaining unit that has bargained for participation in the Plan. Nonunion eligible employees may make salary deferrals into the Plan immediately upon the hire date. Union employees are eligible to make salary deferrals into the Plan after one year of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Under the Plan's provisions, each participant may contribute an amount up to the elective deferral dollar limit and the Section 415 limitation of the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled unless they elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% or 2%, as defined by the Plan, of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant to any of the available investment options. The Company makes a nondiscretionary employer contribution for nonbargained employees equal to a percentage of an eligible employee's base compensation. The Plan document provides for a nondiscretionary employer contribution of 3.5% of base compensation, which was the rate contributed for 2024. Effective January 17, 2025, the Company increased the nondiscretionary employer contribution for nonbargained employees to 5% of base compensation. As of December 31, 2025, and through the date these financial statements were available to be issued, the Plan document had not been amended to reflect the increased contribution rate. Plan management is in the process of adopting a Plan amendment, effective retroactively to January 17, 2025, conforming the Plan's terms to its operation (see NOTE G). The Company may elect to contribute additional discretionary profit-sharing contributions at the discretion of the Board of Directors. The Company may also make a safe harbor nonelective contribution to the eligible employee classifications, as determined by the Board of Directors for the related Plan year. The Board of Directors agreed to contribute a rate per hour for two groups of collectively bargained employees, in accordance with collective bargaining agreements for the years ended December 31, 2025 and 2024. There were no other contributions authorized or paid in 2025 or 2024. Participants may change their investment options at their discretion. All of the balances in the Plan represent participant-directed investments.

Participant accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the appropriate employer contribution and (b) Plan earnings (losses), as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant earnings, account balance or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Vesting - Participants are immediately vested in all contributions and earnings thereon.

Notes receivable from participants - Participants may borrow from their account balances a minimum of $1,000 up to a maximum of $50,000 or 50% of their account balance, whichever is less. In addition, each participant is limited to two loans outstanding at any point in time. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate at the time of the loans plus 1%, as defined in accordance with the Plan's loan policy.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of benefits - On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments or a single or joint life annuity.

Forfeited accounts - At December 31, 2025 and 2024, forfeited accounts totaled $24,895 and $23,698, respectively. Forfeitures are a result of the Plan Administrator being unable to locate a participant when it is time to distribute the benefit payment. Forfeitures can be utilized to reduce future employer contributions or pay Plan expenses. If the affected participant later requests payment, the account will be reinstated. However, the participant will not receive investment returns from the forfeiture date to the reinstatement date. During the years ended December 31, 2025 and 2024, no forfeiture accounts were used to reduce employer contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates and subsequent events - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. In preparing the financial statements, including estimates and disclosures, management has considered the effects of subsequent events through October 12, 2026—the date the financial statements were available to be issued.

Investment valuation and income recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Common collective trusts are valued at the net asset value as a practical expedient of the units held by the Plan at year end. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See NOTE C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms set forth in the Plan document.

Payment of benefits - Benefits are recorded when paid.

NOTE C - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures,* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of significant observable inputs other than quoted prices for identical assets.
- Level 3 inputs consist of significant unobservable inputs that are not corroborated by market data and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used or available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset values and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Investments Measured at Net Asset Value (NAV) as a Practical Expedient

Common/collective trust - Great Gray Trust American Funds Series

The investment is valued at the net asset value of the units held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value. There were no unfunded commitments at December 31, 2025. The redemption of the units is not restricted. Participants may withdraw or redirect from the fund daily, as permitted by the Plan.

NOTE C - FAIR VALUE MEASUREMENTS (CONTINUED)

The following schedules present the Plan's investments that are reported at fair value on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024:

		FAIR VALUE MEASUREMENTS USING:		
	DECEMBER 31, 2025 FAIR VALUE	LEVEL 1	LEVEL 2	LEVEL 3
Mutual funds	**$ 5,814,042**	**$ 5,814,042**	**$ 0**	**$ 0**
TOTAL ASSETS IN THE FAIR VALUE HIERARCHY		**$ 5,814,042**	**$ 0**	**$ 0**
Investments measured at net asset value	**4,609,717**			
INVESTMENTS AT FAIR VALUE	**$ 10,423,759**			

		FAIR VALUE MEASUREMENTS USING:		
	DECEMBER 31, 2024 FAIR VALUE	LEVEL 1	LEVEL 2	LEVEL 3
Mutual funds	$ 8,526,254	$ 8,526,254	$ 0	$ 0

NOTE D - INVESTMENTS

Unaudited information certified by the Plan trustee - Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan, has certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, the related investment activity reflected on the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the information reflected on the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2025.

NOTE E - GUARANTEED INVESTMENT CONTRACT

The Plan has a fully benefit-responsive contract with Empower, managed by Empower Annuity Insurance Company of America (EAIC), formerly known as Great-West Life & Annuity Insurance Company. EAIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value. Such events include (1) the complete or partial termination of the Plan, (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs.

In addition, certain events allow the Company and Empower to terminate the contract and settle at an amount different from contract value. Such events include (1) proper notification provided by the Company or Empower that the contract will terminate as of a specified date, (2) a breach of contract provisions, (3) termination or partial termination of the Plan, or (4) the Plan no longer meets the applicable requirements of the Internal Revenue Code.

NOTE F - ADMINISTRATION OF PLAN ASSETS, EXPENSES AND RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. Other administrative expenses are paid directly by the Company, but may be paid directly from Plan assets. Loan, distribution and certain other fees are paid by the respective participants. Fees paid by the Plan for investment management services are included in net appreciation in fair value of assets on the accompanying statements of changes in net assets available for benefits.

Empower provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Empower. Empower receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan.

Certain Plan investments are managed by Empower Annuity Insurance Company of America, the recordkeeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. Empower Trust Company, LLC is the trustee for the Plan.

NOTE G - TAX STATUS

The Internal Revenue Service had determined and informed the Company by letter dated July 30, 2014, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). As described in NOTE A, during 2025, the Plan was not operated in accordance with its terms with respect to the employer contribution rate. Plan management is correcting this matter under the IRS Employee Plans Compliance Resolution System by adopting a retroactive plan amendment. The Plan Administrator believes the Plan is qualified and the related trust is tax exempt.

Plan management evaluates tax positions taken by the Plan and recognizes a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. Plan management has analyzed the tax positions taken by the Plan, including the matter above, and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions that would require recognition of a liability (asset) in the financial statements. There are currently no audits for any tax periods in progress.

NOTE H - PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the accompanying statements of net assets available for benefits.
