INDEPENDENT AUDITORS' REPORT

To the Trustees of
Neurological Surgery, P.C. Retirement Trust
Rockville Center, NY 11570

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Neurological Surgery, P.C. Retirement (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

www.lauferllp.com :: tel: (631) 226-9600 :: fax: (631) 226-5151

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current instrument, including all amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matter – Supplementary Information Required by ERISA

Supplementary Information Required by ERISA

The supplementary schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions, (referred to as the "supplementary information"), are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

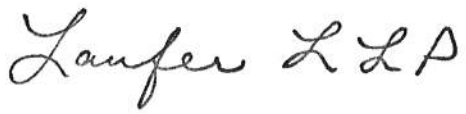

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplementary information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2025 indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplementary schedule, other than the information in the 2024 supplementary schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

1. Plan Information

The following brief description of the Neurological Surgery, P.C. Retirement Trust (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan was established as a 401(k) plan that provides for employee participants to elect salary reduction contributions, originally established January 1, 2000, with an amendment and restatement on October 1, 2024. Through December 31, 2025, the Plan covered all eligible employees of Neurological Surgery P.C. (the "Employer") who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Employer acts as the Sponsor and as Plan Administrator and is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator. The recordkeeper of the Plan is Sentinel Benefits Group, LLC ("Sentinel"), and the custodian of the Plan's investments is Charles Schwab Trust Bank. The Trustee of the Plan is an executive at the Sponsor.

Contributions – Eligible participants may elect to defer a percentage of their compensation or a fixed dollar amount by contributing to their accounts in the Plan on a pre-tax basis, or post-tax basis in the form of Roth contributions, subject to the maximum allowable under the Internal Revenue Code (the "Code"). Highly compensated employees are subject to additional limits set forth in the Code. Participants who have attained age 50 before the end of the Plan year are permitted to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified retirement plans and/or Individual Retirement Accounts ("IRAs"). Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year the Employer has the right to make a discretionary employer profit-sharing contribution. In addition, the Employer makes a Safe Harbor Contribution nonelective contribution which the Employer contributes 3% of each eligible participant's compensation, regardless of whether the participant makes elective contributions to the Plan.

For the year ended December 31, 2025, the Plan incurred a profit-sharing and safe harbor contribution of $816,704. As of December 31, 2025 and 2024, the Plan recorded a receivable for the employer contributions of $816,704 and $909,923, respectively.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution, Plan earnings and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting of Participants' Accounts – Participants are immediately vested in their contributions, safe harbor matching contributions plus actual earnings, thereon. Vesting in the Employer's discretionary profit-sharing contributions and related earnings is based on vested levels over six years of continuous service.

Payment of Benefits – On termination of service due to death, or disability, participants become 100% vested in their employer contribution accounts. For termination of service prior to retirement, participants will receive the value of their vested account in a lump-sum payment.

Notes Receivable from Participants – Participants may borrow from their vested account balances amounts that do not exceed the lesser of $50,000 or 50% of their vested balances reduced by the excess of the participants' highest outstanding balance of their loans during the twelve-month period ending on the day before a new loan is made. Only one loan may be outstanding at any one time. Loans must be repaid within 60 months unless used to purchase a principal residence, in which case the loan must then be repaid within 30 years. The loans bear a fixed interest based upon reviewing the interest rates charged for similar types of loans by other lenders as of the date of the loan. Principal and interest is paid ratably through payroll deductions. All loans are secured by the balance of the participant's account. The interest rate on the notes as of December 31, 2025 ranged between 5.00 – 9.50% per annum.

Forfeitures – Forfeitures of unvested Plan matching or profit-sharing contributions from terminated participant accounts are used to offset future Employer matching contributions and Employer profit-sharing contributions, to restore forfeitures, or to pay Plan expenses. There were $2,052 of forfeitures utilized during the year ended December 31, 2025. Forfeitures available at December 31, 2025 and 2024 were $24 and $39, respectively.

2. Summary of Significant Accounting Policies

Basis of Presentation – The Plan prepares its financial statements on the accrual basis of accounting in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC").

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless paid directly by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 excess contributions to the applicable participants prior to March 15, 2026.

3. Information Prepared and Certified by Custodian (Unaudited)

The following information included in the accompanying financial statements and supplementary information as of December 31, 2025 and 2024 and for the year ended December 31, 2025 was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Trust Bank, the custodian of the Plan:

	2025	2024
Investments:		
At Fair Value	$30,117,783	$ 25,889,974
Other Assets:		
Cash	$ 33,521	$ 7,500
Investment Income:		
Net Investment Income	$ 4,434,167	

4. Fair Value Measurements

ASC Topic 820, Fair Value Measurements, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are summarized as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at net asset value used as a practical expedient. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value (NAV) and transact at that price and are considered to be actively traded.

Collective Investment Trusts - Valued at the net asset values ("NAV") as reported by the trust, which is determined by subtracting total liabilities from the total value of the assets, including accrued income, and dividing the amount remaining by the number of units outstanding on the valuation date. The NAV is quoted on Nasdaq but is not active, and therefore is classified within Level 2 of the valuation hierarchy.

Self-directed brokerage accounts - Valued at the NAV of units based on observable net asset values of the underlying investments.

The following tables set forth by level, within the fair value hierarchy, are the Plan's investments at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
Investments, at Fair Value	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 25,362,093	$ -	$ -	$ 25,362,093
Collective Investment Trusts	-	822,632	-	822,632
Self-directed brokerage accounts	-	3,933,058	-	3,933,058
Total Investments, at Fair Value	$ 25,362,093	$ 4,755,690	$ -	$ 30,117,783

	Assets at Fair Value as of December 31, 2024			
Investments, at Fair Value	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 21,693,189	$ -	$ -	$ 21,693,189
Collective Investment Trusts	-	847,598	-	847,598
Self-directed brokerage accounts	-	3,349,187	-	3,349,187
Total Investments, at Fair Value	$ 21,693,189	$ 4,196,785	$ -	$ 25,889,974

(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Transfers between Levels – For year ended December 31, 2025, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

5. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

6. Tax Status

The underlying prototype non-standardized plan, on which the Plan is based, has received an opinion letter from the IRS dated November 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code ("Code"). The Plan's sponsor has determined that it is eligible to, and has chosen to rely on, the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan's Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is subject to income tax examinations for the years 2024, 2023, and 2022.

7. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by an affiliate of the Custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management and custodial services were $95,886 for the year ended December 31, 2025

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Delinquent Contributions

During 2025, the Recordkeeper and Third-Party Administrator failed to process timely contributions of approximately $58,756 and failed to process proper deferrals of $5,661 to the Plan for certain employees, both paid in 2026. Due to these late contributions, the Employer is required by DOL regulations to pay the Plan lost income of $1,682 on the late contributions, which was paid in September of 2026.

10. Reconciliation of Financial Statement to Form 5500

The following is a reconciliation of Net Assets Available for Benefits per the financial statements at December 31, 2025 and 2024 to Net Assets Available for Benefits per Form 5500:

	2025	2024
