Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the financial statements of the NetJets Aviation, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Plan Description

The following description of the NetJets Aviation, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

(a) General

The Plan, a defined contribution plan, as amended, was established in 1972 by NetJets Aviation, Inc., formerly Executive Jet Aviation, Inc. (the Company) for the purpose of providing a savings plan for all eligible full-time union employees of the Company. Participants must be 18 years or older, be regular union, salaried or hourly employees and have completed at least three months of service with the Company.

Effective May 1, 1989, the Company elected to amend and restate the Plan to become a 401(k) retirement plan. Each participant was given the option to transfer his or her account balance from the defined contribution plan to the 401(k) Plan. Subject to certain restrictions, the Plan allows for the withdrawal of vested funds during a participant's active career. The Company makes additional contributions to participants' accounts as participants contribute to the Plan and the Company's contributions are subject to forfeiture provisions as described in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Each year participants are allowed maximum contributions up to 80% of earned compensation as defined by the Plan. The Plan provides for automatic enrollment of eligible participants at a deferral rate of 6% of eligible compensation, unless the participant affirmatively elects otherwise. The participant's initial automatic contribution percentage will be increased by 1% on each anniversary of the participant's employment commencement date until the participant's deferral percentage reaches 80%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers). Rollover contributions are not eligible for the employer match. Contributions are subject to certain limitations.

The Company's matching contribution was equal to 66% and 61% of each participant's contribution up to 20% of earned compensation during 2025 and 2024, respectively. In addition, subsequent to the Plan's year-end, the Company matched 66% and 61%, of each participant's contribution in excess of 20% of earned compensation, ultimately giving participants in the Plan a full 66% and 61% match on all contributions made to the Plan up to the Internal Revenue Service (IRS) maximum for 2025 and 2024, respectively.

Effective January 1, 2019, the Plan was amended to provide certain eligible employees a non-safe harbor non-elective contribution calculated as 33% of the sum of tour-based flight pay, night flight pay, and non-flight assignment pay each pay period. Total non-safe harbor non-elective contributions made to the Plan were $54,652,690 and $47,360,805 for the years ended December 31, 2025 and 2024, respectively, and are included in employer contributions on the accompanying statements of changes in net assets available for benefits.

(1) Plan Description (continued)

(b) Contributions (continued)

Participants direct the investments of their contributions and employer contributions into various investment options offered by the Plan. The Plan offered various investment options in 2025 and 2024. There is an option to open a self-directed brokerage account, Personal Choice Retirement Account (PCRA), to invest in additional mutual funds. The PCRA has no establishment or annual maintenance fee.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's qualified nonelective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account

(d) Self-Directed Accounts

The Plan permits any participant to separately direct the investing activity of their assets in the Plan. As such, the funds are segregated and accounted for separately from the pooled accounts.

(e) Vesting

Participant contributions, plus actual earnings thereon, are 100% vested at all times. Employer contributions made to a participant's account become vested in accordance with the following vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Earlier vesting may occur upon: (1) participant attainment of age 65 (or early retirement age of 55, given five years of service), (2) death or (3) total disability. Under the plan document, forfeitures of employer contributions resulting from termination are used to reduce future employer matching contributions.

(1) Plan Description (continued)

(f) Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance or $50,000, whichever is less, subject to a minimum amount of $1,000. Participants may only have one outstanding note at a time. Notes receivable terms shall not exceed five years, except for the purchase of a principal residence, in which case notes receivable terms are to be determined by the Company, not to exceed 10 years. The notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the plan administrator, plus 1.00%. The interest rates range from 4.25% to 9.50% for all notes receivable outstanding at December 31, 2025 and 2024. Principal and interest are paid ratably through payroll deductions.

(g) Payment of Benefits

Participant contributions may not be withdrawn from the Plan prior to termination of the participant's employment with the Company, unless the participant has either attained age 59½ or is able to demonstrate financial hardship, as defined in the plan document. Company contributions may be withdrawn, subject to specified limitations. The Plan also provides for distributions upon retirement, death or total disability, subject to specified conditions. Generally, distributions are made in lump sum, annuity or equal annual installments.

(h) Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $94,155 and $53,124, respectively. These accounts are used to reduce employer contributions.

For the year ended December 31, 2025, employer contributions were reduced by $867,285, including $167,285 which was used to reduce the 2025 employer contribution receivable. For the year ended December 31, 2024, employer contributions were reduced by $953,241, including $117,401 which was used to reduce the 2024 employer contribution receivable.

(i) SECURE Act 2.0

On December 29, 2022, the SECURE 2.0 Act of 2022 ("SECURE 2.0") was enacted as part of the Consolidated Appropriations Act, 2023. SECURE 2.0 includes numerous changes affecting qualified retirement plans, including 401(k) plans, such as expanded eligibility rules for long-term part-time employees, new distribution options, changes to required minimum distributions, and optional Roth treatment for certain contributions. The Plan is evaluating these provisions and intends to adopt required amendments by the applicable deadline (generally the last day of the first plan year beginning on or after January 1, 2026 for calendar-year plans), while operating the Plan in good-faith compliance with applicable effective dates in the interim.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the *Fair Value Measurements* footnote herein.

Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. The capital gain distributions of the Plan's investments are reinvested within such funds and serve to increase the cost basis of the Plan's investments. Purchases and sales of securities are recorded on a trade-date basis.

(d) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded as soon as the participant's account is distributable.

(e) Contributions

Contributions from Plan participants and matching and qualified nonelective contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

(f) Distributions

Distributions are recognized when paid.

(2) Summary of Significant Accounting Policies (continued)

(g) Trustee and Administrative Fees

The Plan routinely incurs expenses for the services of actuaries, accountants, lawyers, third party administrators, and other advisors. Some of these expenses may be paid directly by the Company while other expenses may be paid from the assets of the Plan. Other administrative fees directly related to notes receivable from participants and redemption fees are paid by the participants.

(3) Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, the following information included in the accompanying financial statements and supplemental schedule (Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year)) was obtained from data that has been prepared and certified as complete and accurate by Charles Schwab Trust Bank (Schwab), the trustee of the Plan.

(4) Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

Level 1 — Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.

Level 2 — Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable for the asset or liability.

The level of the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued based on the net asset value (NAV) of shares held by the Plan at year-end.

Common Stocks: Valued at the closing price reported on the active market on which they are traded.

Common Collective Trusts: Valued at the NAV provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For this fund, there are no unfunded commitments, redemption restrictions, and participants can transact daily.

(4) Fair Value Measurements (continued)

Cash and Cash Equivalents: Valued at face value, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Plan Termination

The Company reserves the right to discontinue its contributions or terminate the Plan at any time. Upon such termination and after distribution of expenses and profits or losses through the date of termination, all amounts allocated to each participant's account become fully vested immediately and participants are entitled to receive amounts allocated to their account. The Company has not expressed any intention to terminate the Plan.

(6) Income Taxes

The Plan has adopted a Schwab non-standardized pre-approved profit sharing plan, which received a favorable opinion letter from the IRS dated June 30, 2020, stating that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was qualified and the related trust was tax exempt as of December 31, 2025 and 2024, and no provision has been included in the Plan's financial

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Transactions with Parties-in-Interest

Certain Plan investments are shares of mutual funds managed by Schwab. Schwab is the trustee as defined in the plan document and, therefore, these transactions qualify as party-in-interest transactions. Additionally, GBQ Partners, LLC, NFP Retirement and other investment and consultation firms provide professional services to the Plan and thus they are considered parties-in-interest. Fees paid by the Plan to the above entities for administrative expenses amounted to $1,830,774 and $1,527,679 in 2025 and 2024, respectively.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying 2025 statement of net assets available for benefits.

(9) Subsequent Events – Date of Management's Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the accompanying financial statements were available to be issued.
