INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Maron & Sandler 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Maron & Sandler 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Maron & Sandler 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information as described in Note 9 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Maron & Sandler 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maron & Sandler 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining whether the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Maron & Sandler 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Maron & Sandler 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of assets and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Maron & Sandler 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants and others should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a qualified multiple employer profit sharing plan that is available to all employees of 14 companies as listed below (collectively referred to herein to as the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). There is no minimum service requirement to participate under the Plan. Individuals are eligible to join the first day of the month coinciding with or subsequent to their date of employment.

Plan Administration: The Plan is administered by the Plan Sponsor. The Plan Administrator controls and manages the operation and administration of the Plan. Empower Life & Annuity Insurance Company (Empower) serves as the Plan's trustee.

Contributions: Participants may elect to contribute through payroll deductions, subject to established limits, amounts from 1% to 100% of their eligible compensation as defined in the Plan on a tax-deferred or Roth after-tax basis up to the maximum amount allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may direct the investment of their contributions into various investment options offered by the Plan. Voluntary non-deductible contributions are not permitted. Each employer may contribute, at its sole discretion, amounts to an employer non-elective contribution and matching contribution.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of (a) the Plan Sponsor's contributions and (b) the Plan's earnings (losses). The Plan's earnings (losses) are allocated based on participant account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Vesting: Participants are 100% vested in their employee contributions. For terminated employees who do not take a distribution of their entire vested benefit upon termination, their non-vested benefits will be forfeited in accordance with the terms of the Plan after they have incurred five consecutive breaks in service.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

The Plan is a multiple-employer defined contribution plan covering eligible employees of the participating employers listed below. Employer-specific contribution and vesting provisions vary. The following table summarizes the provisions in effect at December 31, 2025, based on the applicable adoption agreements:

Employer	Vesting Schedule	Company Match
Execpro Information Services	0%<1 year / 20% years 2-6	4% Safe Harbor
Maron & Sandler	0%<1 year / 20% years 2-6	None
KU Aviation	100% after 3 or more years	2% up to $7,000
Knowledge Industries (RFG)	0%<1 year / 20% years 2-6	3% safe harbor
Locus	0%<1 year / 20% years 2-6	3% safe harbor
KUL LLC	100% after 3 or more years	2% up to $7,000
Mesquite, LLC	0%<1 year / 20% years 2-6	2% up to $7,000
Execpro	0%<1 year / 20% years 2-6	4% Safe Harbor
4th Street Asset	0%<1 year / 20% years 2-6	4% up to $14,000
KUE Resources LLC	100% after 3 or more years	3% up to $10,500
FBO	100% after 3 or more years	2% up to $7,000
Ripple Industries	100% after 3 or more years	2% up to $7,000
M-Cor Capital	100% after 3 or more years	6% up to $21,000
DSP	100% immediate vesting	4% up to $14,000

Notes Receivable from Participants: Participants who are active employees may borrow against their vested account balances a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. The loans, in the form of promissory notes, are secured by the balance in the participant's account and bear interest at 1% above the *Wall Street Journal* prime rate published on the first business day of the month. Principal and interest are paid ratably through payroll deductions and are generally repaid within five years, or longer if used for the purchase of a primary residence. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when incurred. Participant loans are removed from notes receivable and reported as benefit payments when the participant's account is offset in accordance with the Plan's provisions. Tax deemed distributions are evaluated separately from loan offsets for financial reporting purposes.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or periodic installments. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution or may elect to leave the funds with the Plan.

Forfeited Accounts: As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $68,161 and $63,016, respectively. Forfeitures can be used to reduce employer contributions and/or to pay for administration costs. For the year ended December 31, 2025, $15,483 was used to reduce the employer contributions and $54 was used to pay for administration costs.

Investment Options: Participants may direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in accordance with US GAAP requires the Plan Administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan Administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the price at which plan participants would transact under the contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements: Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value that requires an entity to determine fair value based on the exit price in the principal market for the asset or liability being measured. Fair value is defined as the exchange price that would be received on the measurement date to sell an asset or the price paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The guidance also establishes a three-level fair value hierarchy that describes the inputs used to measure assets and liabilities as follows:

- *Level 1* – Asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- *Level 2* – Assets other than quoted prices included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly (e.g., interest rates and yield curves observable at commonly quoted intervals). Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets, so a comparison must be made to similar investments in order to determine their fair value. Level 2 inputs may also include insignificant adjustments to market observable inputs.
- *Level 3* – Assets and liabilities are financial instruments whose value cannot be determined by using observable measures and can only be calculated by using pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

- *Mutual Funds* – Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's financial instruments and other accounts that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: The Plan's expenses are paid either by the Plan or the Plan Sponsor as provided in the plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for plan benefits. In addition, certain investment related expenses are included under net appreciation in fair value of investments presented on the accompanying statement of changes in net assets available for plan benefits.

Subsequent Events: The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENT

The Plan's assets at fair value, by level within the fair value hierarchy, are as follows:

		Fair Value Measurements Using		
2025	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 44,299,767	$ 44,299,767	$ -	$ -
2024				
Mutual funds	$ 44,229,869	$ 44,229,869	$ -	$ -

Gains and losses (realized and unrealized) included in changes in net assets available for plan benefits for the year ended December 31, 2025 are reported under net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan participated in a guaranteed investment contract (GIC) with Massachusetts Mutual Life Insurance Company (MassMutual) during the year ended December 31, 2017. MassMutual maintains the contributions in an annuity account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. This contract meets the fully benefit-responsive investment contract criteria and is therefore reported at contract value.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to a participant termination of employment due to (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by or under other common control with the employer; or (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan Sponsor's business. Such events also include (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete termination of the Plan; or (3) disqualification of the Plan. The Plan Administrator does not believe the occurrence of any such value event that would limit the Plan's ability to transact at contract value with participants is probable of occurring.

Under no event may MassMutual terminate the contract and settle at an amount different from contract value.

The GIC amounts of $4,937,550 and $3,187,346 as of December 31, 2025 and 2024, respectively, were disclosed at contract value. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0%.

NOTE 5 – TAX STATUS

The Plan had adopted the Empower Retirement LLC Non-Standardized Pre-Approved Profit Sharing Plan with CODA. The Internal Revenue Service (IRS) informed Empower by a letter, dated April 7, 2021, that its Volume Submitter Plan was designed in accordance with applicable sections of the IRC. The Plan has been amended since the adoption; however, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. No uncertain positions have been identified that would require the recognition of a tax liability or disclosure in the financial statements as of December 31, 2025 and 2024.

NOTE 6 – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Empower. Empower is the trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions under ERISA. Empower also processes and maintains the participant loan accounts. These transactions are exempt from ERISA's prohibited transaction rules. Fees paid by the Plan for investment management and other services amounted to $8,497 for the year ended December 31, 2025.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These services constitute exempt party-in-interest transactions under ERISA.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds and a GIC. Investment instruments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2025 and 2024, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of cash, investments and participant loans.

NOTE 9 – TRUSTEE CERTIFICATION

The investment balances, notes receivable from participants, and related income information included in the financial statements, accompanying notes and supplemental schedule, summarized below, were derived from statements certified by Empower as complete and accurate in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certified plan assets for the years ended December 31, 2025 and 2024 are as follows:

	2025	2024
Investments:		
Investments at contract value:		
Guaranteed investment contracts	$ 4,937,550	$ 3,187,346
Investments at fair value:		
Mutual funds	44,299,767	44,229,869
	49,237,317	47,417,215
Notes receivable from participants	367,811	332,367
	$ 49,605,128	$ 47,749,582

Certified plan income for the year ended December 31, 2025 is as follows:

	2025
Investment income:	
Net appreciation in fair value of investments	$ 3,489,346
Interest	65,153
Dividends	2,782,617
	6,337,116
Interest on notes receivable from participants	27,654
	$ 6,364,770

NOTE 10 – PROHIBITED TRANSACTIONS

The DOL requires plan sponsors to deposit 401(k) contributions and loan payments as soon as possible after the payroll deduction is made. Regulations state that participant contributions and loan repayments should be deposited no later than the earlier of (1) the date the amounts could have reasonably been segregated from the employer's general assets or (2) the 15th business day of the month following the month in which they were withheld or paid by the employer. In 2025, the Plan Sponsor did not remit certain contributions and loan repayments amounting to $558 within the period prescribed by DOL Regulation 2510.3-102.
