INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the Backyard Services, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Backyard Services, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Backyard Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Backyard Services, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Backyard Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Backyard Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Backyard Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) for plan year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of *Backyard Service, LLC 401(k) Plan* (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General
The Plan was formed effective January 1, 2007, by Backyard Services LLC (the "Plan Administrator"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility
The Plan covers all employees, as defined in the Plan, who have completed the age and service requirements. Participation occurs after completing these age and service requirements.

Contributions
Each year, participants may contribute a discretionary amount of pretax annual compensation, as defined in the Plan, up to the annual limitation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also roll-over amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes an amount equal to a discretionary percentage of the participant's elective deferrals, only elective deferrals up to 4 percent of the participant's compensation will be matched to the Plan. The matching contributions are invested in the same investment options as the participants' contributions to the Plan. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the participants. Contributions are subject to certain limitations.

Participant Accounts
Each participant's account is credited with the participant's contributions and the Plan Sponsor's contributions, and Plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses of the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
If a participant's employment with the Company ends for any reason other than retirement, permanent disability or death, he or she will vest in the Participant's Interest and the Company's contribution portion of the balances in his or her account based on total years of service with the Company. Participants are vested 100% in the Participant's deferrals and Company's contribution after three years of service on graded schedule of 34% after one year, 67% after two years, 100% after three years.

Notes Receivable from Participants
Participants may borrow from the Plan under a loan program administered by the Plan Administrator. The minimum loan amount is $1,000, and the maximum loan is limited to the lesser of $50,000 reduced by the excess or 50% of the participant's vested account balance. Only one loan may be outstanding at any time. Loans are secured by the participant's vested account balance and bear a fixed interest rate equal to 2% above the prime rate at the time

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

of issuance. Loan terms generally range from one to five years; however, a longer term may be permitted if the loan is used to purchase a primary residence. Principal and interest are repaid in level installments not less frequently than quarterly, generally through payroll deductions. If a participant defaults on a loan, the unpaid balance is treated as a distribution and subject to applicable taxes.

Payment of Benefits
Upon retirement or separation from service, the participant may elect to receive a single lump-sum cash payment. Also, upon reaching age 59 ½, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Until a participant actually retires from the employment, the participant shall continue to be treated in all respects as a participant.

Hardship Withdrawals
Participants may take a hardship withdrawal from vested deferral accounts if they have an immediate and heavy financial need. Permitted reasons include medical expenses, purchase of a principal residence, tuition, prevention of eviction/foreclosure, funeral expenses, casualty repairs to a residence, and certain federally declared disaster expenses. Withdrawals are limited to the amount of the need (including taxes/penalties) and require participant certification of insufficient resources.

Forfeitures
Forfeitures attributable to matching contributions will be used to reduce Company contributions to the Plan. Forfeitures attributable to the discretionary profit-sharing contributions will be added to the discretionary profit-sharing contributions and allocated to participants eligible to share in such contribution. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled $37,222 and $11,280 respectively.

Plan Termination
Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting
The Plan follows the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition
Investments in shares of registered investment companies are reflected in the financial statements at fair value, using quoted market prices. Unrealized gains or losses, as a result of changes in fair value, are recorded in income of the current period.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on their ex-dividend date. Net

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The change in net unrealized appreciation/depreciation of investments held from the beginning of the Plan year to the end of the Plan year is included with realized gains/losses as net investment income/loss reported in the accompanying statement of changes in net assets available for plan benefits.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain administrative expenses are paid by the Plan Administrator. Management fees, asset fees, and account administrative expenses are paid by the participants.

Use of Estimates
The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA 2025 and 2024. Accordingly, Voya Retirement Insurance and Annuity Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2025 to December 31, 2025.

	2025	2024
Statements of Net Assets Available for:		
Investments, at fair value	$15,637,585	$12,763,935
Statements of Changes in Net Assets Available:		
Net appreciation (depreciation) in fair value instruments	$ 1,718,524	$ 804,699

NOTE 4 - CONCENTRATION OF CREDIT RISK

As of December 31, 2025, the Plan had approximately 32% net assets available for Plan benefits in one investment, Vanguard LifeStrategy Growth Fund.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities; See the independent auditors' report.
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Guaranteed investment contract: Valued at contract value by the Plan at year end.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

Guaranteed Investment Contract: The Plan has an investment contract with Voya Retirement Insurance and Annuity Company (Voya). Voya maintains the 401(k) contributions, as directed by the participants in mutual funds and investment contract. The Fixed Account is a fixed interest contract with guaranteed interest rates. The Fixed Account is an obligation of the Company's General Account and is generally a required contract Investment Option. Voya guarantees that interest will be credited to the Fixed Account at an annual yield that is at least equal to the minimum guaranteed interest rate shown on the Contract Schedule. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. As permitted by ASC 820-10-35-54A, investments measured at contract value as a practical expedient are not classified within the fair value

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

hierarchy (Level 1, Level 2, or Level 3). The contract is included in the financial statements at contract value as of December 31, 2025 and 2024, in the amount of $173,373 and $210,145, respectively, as reported to the Plan by Voya.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$15,124,421	$ -0-	$ -0-	$ 15,124,421
Total investments in fair value hierarchy	15,124,421	-0-	-0-	15,124,421
Guaranteed investment contract				173,373
Total assets				$ 15,297,794

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 12,325,223	$ -0-	$ -0-	$ 12,325,223
Total investments in fair value hierarchy	12,325,223	-0-	-0-	12,325,223
Guaranteed investment contract				210,145
Total assets				$ 12,535,368

NOTE 6 - TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status, the master prototype plan which the Plan adopted has received favorable determination from the IRS. Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, management believes that the Plan is qualified and the related trust is exempt from taxation under the Internal Revenue Code. The Plan Administrator is not aware of any action or event that has occurred that might affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, and 2024, there are no

NOTE 6 - TAX STATUS (CONTINUED)

uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan Sponsor would be liable for interest and penalties, if any, related to unrecognized tax benefits. The Plan's Forms 5500 are subject to examination by the respective taxing authorities, generally for three years after they were filed.

NOTE 7 – PARTIES IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Voya Retirement Insurance and Annuity Company ("Voya"). Voya serves as the Plan's custodian, and accordingly, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services totaled $85,365 for the year ended December 31, 2025.

Morgan Stanley acts as the financial advisor to the Plan. Indirect compensation received in connection with these services amounted to $24,666 for the year ended December 31, 2025.

Jason F. Clausen, P.C. is the auditing firm for the plan. Fees paid for the audit were paid by the Plan Administrator.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 9 – FIDELITY BOND

As of December 31, 2025, the plan was covered by a fidelity bond in the amount of $1,000,000.

NOTE 10 – RECONCILIATION OF FORM 5500 TO AUDITED FINANCIAL STATEMENTS

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), whereas Form 5500 is prepared on a modified cash basis of accounting as required by the Department of Labor. As a result, certain differences may arise between the financial information reported in the Form 5500, the Voya fund statements, and the Plan's audited financial statements.

These timing differences typically result from pending transactions, such as contributions, benefit payments, or investment trades, that are recorded on the financial statements but not on Form 5500 as of the Plan year end.

NOTE 10 – RECONCILIATION OF FORM 5500 TO AUDITED FINANCIAL STATEMENTS (CONTINUED)

The following is a reconciliation of contributions per the financial statement at December 31, 2025, to Form 5500:

	2025
Contributions per financial statements	$2,249,138
Plus: Excess contributions payable at December 31, 2024	19,358
Employer Contributions per Form 5500	$2,268,496

NOTE 11 – SUBSEQUENT EVENTS

The Plan Administrator has evaluated the financial statements for subsequent events occurring through the date of this report, which is the date the financial statements were available to be issued.
