Independent Auditors' Report

To the Participants and Administrator
of the ALLETE and Affiliated Companies
Welfare Benefits Plan
Duluth, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the ALLETE and Affiliated Companies Welfare Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the ALLETE and Affiliated Companies Welfare Benefits Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ALLETE and Affiliated Companies Welfare Benefits Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ALLETE and Affiliated Companies Welfare Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ALLETE and Affiliated Companies Welfare Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ALLETE and Affiliated Companies Welfare Benefits Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

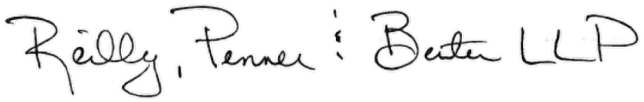

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLETE AND AFFILIATED COMPANIES
WELFARE BENEFITS PLAN
Duluth, Minnesota

Notes to Financial Statements
December 31, 2025

1. Description of the Plan

The following description of the ALLETE and Affiliated Companies Welfare Benefits Plan ("Plan") provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

General

Effective January 1, 2020, ALLETE, Inc. ("Company") maintains the Plan for the exclusive benefit of its eligible employees, eligible retirees, and other persons made eligible by their relationship to the eligible employee. This Plan is comprised of different benefit programs that are subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Benefits

The Plan provides benefits through the following component benefit programs: Medical Insurance Plan, Retiree Health Plans, Dental Insurance Plan, Flexible Benefits Plan, Life and AD&D Insurance Plan, Disability Insurance Plan, Severance Benefit Plan, and Employee Assistance Plan. Some of these component benefit programs may be governed by an insurance contract or benefit plan description. Each component benefit program may also be summarized in a certificate of insurance coverage issued by the insurance company or a separate Summary Plan Description.

Contributions and Funding Policy

Medical Insurance Plan – Employee contributions are made biweekly. Employer contributions to the Plan are made monthly, if needed, in amounts determined by negotiations between the Company and the Medical Plan Negotiating Committee. The plan is substantially a self-insured welfare plan that is subject to ERISA.

Retiree Health Plans – Company contributions, as calculated by the actuary, are made in amounts necessary to fund the benefits provided by the Plan. Benefits are funded using a Voluntary Employee Benefit Association (VEBA) trust. The total maximum amount allowed as a tax deduction is contributed to the VEBA. Any excess funding is placed in an irrevocable grantor trust until it can be used to make tax-deductible contributions to the VEBA. Funds in the irrevocable grantor trust do not qualify as plan assets.

The plans are substantially self-insured welfare plans that are subject to the provisions of ERISA. The costs of the Plan's postretirement benefits are shared by the Company and retirees. Retiree contributions to the Plan are made monthly in amounts determined by the Board of Governors and were approximately 25% of the estimated cost of the benefits.

Life and AD&D Insurance Plan – Employer contributions represent contributions made by the Company for core life insurance coverage for all eligible employees, as well as contributions made by the Company to a VEBA trust fund established under the Internal Revenue Code (IRC) Section 501(c)(9) for core life insurance coverage provided to retired employees.

Employee contributions represent contributions made by eligible employees through payroll deductions for supplemental life insurance, accidental death and dismemberment insurance, dependent life insurance and supplemental spouse insurance.

1. Description of the Plan (Continued)

Contributions and Funding Policy (Continued)

Retiree contributions represent contributions made by retired employees on a monthly basis for additional dependent life insurance coverage.

Other plan benefits are fully insured.

Administration

U.S. Bank, N.A., Principal Trust Company, and North Shore Bank of Commerce act as trustees ("Trustees") for the Plan. The Plan is administered by the Employee Benefit Plans Committee ("Committee") of the Company.

Expenses of the Plan

Administrative expenses, which include insurance premiums for major claims, computer services, federal and state taxes, audit, legal, trustee and certain Company expenses incurred in administering the Plan, are paid by the Plan from each trust fund. Employees who provide services to the Plan receive no compensation for their services with respect to the Plan.

Plan Termination

The Company reserves the right to reduce, suspend or discontinue their contributions at any time or to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each trust estate will be used to provide benefits for eligible participants in accordance with the Plan.

2. Summary of Significant Accounting Principles

Basis of Accounting

The accounts of the Plan are maintained on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the accounts of the Plan include only those claims and expenses approved and paid prior to December 31. Contributions, interest and dividend income from investments are recorded when received. Modifications to the cash basis of accounting include accruing insurance premiums.

Use of Estimates

The preparation of the Plan's financial statements in conformity with the modified cash basis of accounting requires the Plan to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from the estimates.

2. Summary of Significant Accounting Principles (Continued)

Investment Valuation and Income Recognition

The modified cash basis of accounting provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-bearing cash: Valued at cost which approximates fair value.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the modified cash basis. Realized gains and losses and unrealized appreciation and depreciation of plan assets are reported in the statements of changes in net assets available for benefits – modified cash basis as net appreciation (depreciation) in fair value of investments.

Benefits

Benefits are recorded when paid, with the exception of life insurance premiums which are recorded when incurred.

2. Summary of Significant Accounting Principles (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks of loss such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and the amounts reported in the statements of net assets available for benefits – modified cash basis.

Subsequent Events

Management of the Plan has evaluated all subsequent events through October 9, 2026 for possible inclusion as a disclosure in the notes to the financial statements. The Plan has no subsequent events that require disclosure in the notes to the financial statements.

3. Accumulated Postretirement Benefit Obligation

The Accumulated Postretirement Benefit Obligation (APBO) is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims data to estimate future annual incurred claims per participant and to adjust such estimates for the time value of money and the probability of payment between the valuation date and the expected date of payment.

Actuarial Valuation

The APBO as of December 31, 2025 and 2024 is as follows:

	2025	2024
Fully eligible active participants	$ 13,191,664	$ 12,160,189
Other active participants	12,053,674	9,901,174
Retirees	51,684,712	49,079,947
Total accumulated postretirement benefit obligation	$ 76,930,050	$ 71,141,310

The APBO as of December 31, 2025 reflects a net increase of $5,788,740, which is attributable to the following:

Service cost	$ 1,726,445
Interest cost	3,948,289
Retiree contributions	1,329,419
Claims paid	(6,895,380)
Plan amendments	4,098,399
Actuarial loss	1,581,568
Net increase	$ 5,788,740

3. Accumulated Postretirement Benefit Obligation (Continued)

Assumptions

The following is a summary of the significant actuarial assumptions for employer accounting underlying the actuarial computations:

4. Information Certified by Outside Parties

The plan administrator has elected to have an audit performed pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, certain information in the Plan's financial statements and supplemental schedules was agreed to or derived from information certified as complete and accurate by U.S. Bank N.A., Principal Trust Company, and North Shore Bank of Commerce, the Plan's Trustees and qualified institutions. The certified information includes the Plan's investments reported in the accompanying Statements of Net Assets Available for Benefits – Modified Cash Basis as of December 31, 2025 and 2024, and the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity (including net appreciation/depreciation, interest, and dividends) reported in the accompanying Statements of Changes in Net Assets Available for Benefits – Modified Cash Basis and the information reported in the accompanying supplemental Schedule H, Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2025.

5. Benefit Obligations

Estimated total obligations, including amounts currently payable to or for participants and claims incurred but not reported ("IBNR") to the Plan were $2,449,007 as of December 31, 2025.

Claims approved for payments	$ 19,915,883
Claims paid	(17,466,876)
Claims payable, including IBNR, end of the year	$ 2,449,007

6. Fair Value Measurements

The following summarizes the classification of investments by classification and method of valuation in accordance with the modified cash basis of accounting as of December 31, 2025:

	Assets at Fair Value			
Description	**Total**	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 175,526,815	$ 175,526,815	$ ---	$ ---
Interest-bearing cash	2,739,925	2,739,925	---	---
	$ 178,266,740	$ 178,266,740	$ ---	$ ---

The following summarizes the classification of investments by classification and method of valuation in accordance with the modified cash basis of accounting as of December 31, 2024:

	Assets at Fair Value			
Description	**Total**	**Level 1**	**Level 2**	**Level 3**
Mutual funds	$ 173,889,973	$ 173,889,973	$ ---	$ ---
Interest-bearing cash	4,895,269	4,895,269	---	---
	$ 178,785,242	$ 178,785,242	$ ---	$ ---

7. Federal Income Tax Status

The VEBA trusts funding certain benefits of the Plan received exemption letters from the Internal Revenue Service dated December 12, 1995 and February 9, 1999, in which the Internal Revenue Service stated that the Plan, as then designed, was tax-exempt under the provisions of Section 501(c)(9) of the IRC. The Plan has been amended since receiving the determination letter. However, as a result of the Plan's funding policy, from time to time the trusts may be subject to income taxes.

In addition, the Plan and the trusts are required to operate in conformity with the IRC to maintain the tax-exempt status of the trusts. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trusts are tax-exempt.

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Department of Labor or Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Party-in-Interest Transactions

All transactions involving the Trustees, the Company, plan participants or other fiduciaries are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.
