Independent Auditor's Report

To the Bulldog Group 401(k) Plan and Participants
Kernersville, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bulldog Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bulldog Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bulldog Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bulldog Group 401(k) Plan's (the "Plan") ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bulldog Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bulldog Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

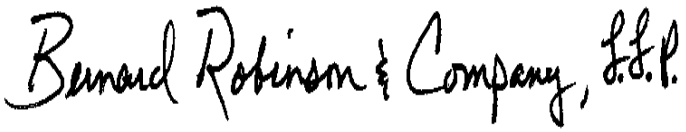

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2025 and the schedule of assets (held at end of year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of Bulldog Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor defined contribution plan available to all eligible employees of HCI-Bulldog, LLC., and related entities (collectively the "Company"), who have completed 1 year of service and 1,000 hours and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan. The Plan's management determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan administrator.

Contributions

Each year, participants may contribute up to 100% of their annual pre-tax compensation, as defined in the Plan, up to the maximum amount allowed by law. Participants may also make qualified Roth contributions to the Plan and may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, and collective investment trust funds as investment options for participants.

The Company currently makes a safe harbor contribution equal to 100% of the participant's salary deferral up to 3% plus an additional 50% of the participant's salary deferral over 3% but not to exceed 5% of the employee's gross compensation for the Plan year. Contributions are subject to certain limitations as determined by the Internal Revenue Code ("IRC").

Participant Accounts

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions, including amounts rolled over from other qualified plans, and the Company's safe harbor contributions, plus actual earnings thereon.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%, which is commensurate with local prevailing rates as determined periodically by the Plan administrator. Principal and interest is paid ratably through payroll deductions. A participant may have one outstanding loan at a time.

Payment of Benefits

Participants are entitled to receive lump-sum payments of all or any portion of their vested account balance upon attainment of age 59½. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or can delay benefit payments until age 72 when required minimum distributions will begin. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If a participant's vested interest does not exceed $5,000, a lump-sum distribution will be made regardless of whether the participant consents to receive the payment. Any distribution greater than $1,000 that is made without the participant's consent is rolled over to an individual retirement plan designated by the Plan administrator. Participants while employed are permitted to take hardship distributions from selected accounts, as defined by the Plan, upon demonstrations of financial hardship.

Forfeited Accounts

There were no forfeited nonvested accounts for December 31, 2025 and 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and trustee. See Note 4 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain investment related expenses are paid using the Plan's assets and are either included in net appreciation of fair value of investments or are allocated among participants in the Plan. Certain expenses relating to specific transactions, such as loan set up, and loan maintenance, are paid directly by the participant and are included in administrative expenses.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable held at December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively "Empower").

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trust funds: Valued at the NAV of units of a collective investment trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level within the fair value hierarchy, the Plan's fair value measurements at December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Fair Value Measurements at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	**$ 1,222,828**	**$ -**	**$ -**	**$ 1,222,828**
Investments measured at NAV as a practical expedient (a)				**6,914,560**
Investments, at fair value				**$ 8,137,388**

	Fair Value Measurements at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,510,666	$ -	$ -	$ 1,510,666
Investments measured at NAV as a practical expedient (a)				5,770,667
Investments, at fair value				$ 7,281,333

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using NAV per share as a practical expedient. There are no participant redemption restrictions over withdrawals for this investment; the redemption notice period is applicable only to the Plan.

The following schedule provides liquidity information for the collective investment trust funds.

Year-end	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2025	**$ 6,914,560**	**None**	**Daily**	**30 days**
December 31, 2024	$ 5,770,667	None	Daily	30 days

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fund management and custodial services, recordkeeping, transaction processing, loan maintenance services, and shares of mutual funds, were provided by Empower Annuity Insurance Company, subsidiaries, and affiliated companies. Plan administration and compliance services were provided by Triad Plan Administration, subsidiaries and/or affiliates. All fees associated with these services qualify as party in interest transactions. Fees incurred by the Plan for the investment management and advisory services provided by Wealth Advisory Services, LLC are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Fees in excess of the revenue sharing are allocated to participant accounts and expensed.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

NOTE 8 - TAX STATUS

The Plan adopted a prototype plan sponsored by CCH Incorporated DBA ftwilliam.com. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving an opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net assets available for benefits per the financial statements to Form 5500 net assets as of December 31, 2025 and 2024, is as follows:

	2025	2024
Net assets available for benefits per the financial statements	**$ 8,341,790**	$ 7,465,792
Participant loans deemed distributed	**(18,955)**	-
Net assets per Form 5500	**$ 8,322,835**	$ 7,465,792

A reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 net income for the year ended December 31, 2025, is as follows:

Change in net assets available for benefits per the financial statements	$ 875,998
Change in participant loans deemed distributed	(18,955)
Net income per Form 5500	$ 857,043

NOTE 11 - NONEXEMPT TRANSACTIONS

During 2024, the Company inadvertently failed to remit $15,096 of participant contributions and loan payments within the required timeframe prescribed by DOL regulations. The Plan intends to remit lost earnings for the late contributions and intends to file Form 5330 to pay the applicable excise taxes in 2026. The lost earnings will be made from the Company's assets and not from assets of the plan. These are deemed prohibited transactions in accordance with ERISA and IRC.
